SCRANTON TEAM WON.

The Carbonate Indians Defeated at Athletic Park.

The School of the Lackawanna and Carbonate Indians played an exciting game of football at Athletic park yesterday afternoon. The result was in favor of the Carbonate boys, but the nearby every time he carried the ball, Carbonate held their opponents down very cleverly. Arch Brown, of the Lackawanna was easily the star of the game, making substantial gains and scored both touch downs after magnificent runs.

Carbonate won the toss and took the south goal. Lackawanna kicked off and D. Hodgson got the ball on Brown's kick at the five yard line, where it was lost on a fumble, but regained on the first down. Four yards were gained in the second down, but Lackawanna took the ball on the third down. The ball was passed to Brown and he made a thirty-five yard run for a touch down in four and one-half minutes. He tackled Kink the goal. Score 5-0.

F. Murrin for Carbonate, kicked off and Lackawanna advanced to the center line, and after the first down Rippio went through the center for ten yards. Lackawanna gained ten yards more on offside play and also advanced ten more yards on two downs. Carbonate took the ball on the third down and advanced ten yards, but lost three yards on the third down.

The Indians kicked to Brown who advanced five yards on the play, and Bliss went through the left tackle for five yards. Brown again took the ball for a fifteen yard gain and ten yards more were gained on offside play. Lackawanna lost the ball on a fumble and Carbonate had advanced steadily to the center when time was called for the first half.

Carbonate kicked to Lackawanna's fifteen yard line and Walters and Brown made thirty yards on two plays. The Indians took the ball on a fumble and lost three yards on the first down, but gained ten yards on offside play. They again fumbled and Brown gained ten yards on two downs. Bliss and Brown added 8 more yards and Lackawanna advanced to center on continuous rushes. Both sides fumbled in quick succession and Forbes made a short gain followed by Stark. Lackawanna lost the ball on downs and Carbonate only advanced five yards before losing the ball to Bliss.

Brown took the pigskin on the next pass and went over the line for a touchdown and Forbes kicked the goal. Score 11-0. SESSION OF THE BOARD OF HEALTH

D. O. THOMAS NO LONGER IN CHARGE OF CREMATORY.

Removed by the Board at Its Meeting Last Night and James Leyschou, Brother of County Detective Thomas Leyschou, Chosen as His Successor—Health Officer Allen Recommends that the Scranton Railway Company Be Requested to Call in Open Cars.

The regular meeting of the board of health was held at city hall last night. Attorney George S. Horn was the only absentee. The session was one of the most interesting that the board has held in many months. D. O. Thomas was deposed as superintendent of the crematory, and was succeeded by James Leyschou, of West Scranton.

Mr. O'Malley, of South Scranton, who was made chairman at 2 o'clock, two months ago of the committee to investigate the charges made by Superintendent Thomas, of the crematory, that the men under him were incompetent and unwilling to perform their duties, sent to the board a communication stating that the opinion of this committee that a reorganization of the force at the crematory was necessary.

After the message of Mr. O'Malley was read and placed on file Dr. Reynolds made a motion that D. O. Thomas be dismissed as superintendent of the crematory, and his successor be immediately chosen. Dr. Reynolds' motion was passed unanimously and James Leyschou was placed in nomination by Dr. Reynolds for the superintendency of the crematory. He was elected without opposition.

Mr. Thomas, the dismissed superintendent, was present and made a speech in his own behalf. He asked the board to pay him some \$302 he alleges is due him as back salary.

The monthly report of Dr. Allen, health officer, for September was an interesting feature of the meeting. He made a strong plea that the board should use its influence to have the Scranton Railway Company remove all summer cars from its road and urged the board to take action in seeing that every child in the city attending school has been vaccinated.

On motion of Mr. O'Malley the secretary, Miss Sweeney, was instructed to notify the board of control and the Scranton Railway company of the board's recommendations.

Dr. Allen in his report stated that in his opinion the old method of flushing the streets was the best and only way to clean the streets of the city and he asked the board to request the street commissioner to conform with his recommendation. Dr. Allen's request was granted freely.

James Leyschou, the new superintendent of the crematory, is a resident of the Fourth ward and is a brother to County Detective Thomas Leyschou. He is 32 years of age.

FIRE AT GREENWOOD.

Two Frame Buildings Entirely Destroyed—They Were Valued at \$4,700—Cause of Blaze.

A very destructive fire broke out in Greenwood, just below Minooka, yesterday at about noon and before the flames had spent their fury two buildings valued at \$4,700, were completely destroyed.

The blaze started in the two-story frame structure owned and occupied as an hotel by Edwin Fassold and situated on the turnpike road about one and one-half miles beyond Minooka and about 200 feet from the Greenwood Coal company's No. 1 breaker. Mr. Fassold and several of his friends were seated in the bar of the hotel when they were surprised to see smoke and flames bursting from one of the rear windows of a kitchen.

Mrs. Fassold was visiting at the house of her mother next door, and while the exact origin of the conflagration is not known it is supposed that the cooking stove became overheated.

A hue and cry was immediately raised and there being no hose companies nearer than this city, a bucket brigade was promptly organized from among the outside hands of the Greenwood colliery nearby and other persons living in the neighborhood. While this brigade did valiant work, nevertheless on account of the scarcity of water, the only supply being from wells and small ditches, they were unable to do much effective work.

The Fassold building was soon a mass of flames and the large two-story frame structure next door owned and occupied as an hotel by Mrs. Mullen, the mother-in-law of Fassold, caught fire. A third building beyond the Mullen property, occupied by a Polish family, also caught but was kept from burning by several streams of water from garden hose, which were brought into play.

At 1:30 o'clock there was nothing left of either of the other two buildings, but a smouldering pile of ruins. Very little of either family's personal effects were saved. Mr. Fassold's loss is estimated to be about \$1,200, completely covered by insurance. Mrs. Mullen's loss is placed at \$3,500, with \$1,500 insurance on the building and none on the personal property.

The rumors to the effect that the whole town was in danger of being wiped out of existence were without foundation as the buildings burned were isolated from the main portion of the village.
