GROWTH OF THE SCHOOL DE POSIT SYSTEM.

Practical Lessons in Economy Taught the Pupils of the Public Schools-Funeral of Mrs. Mary Burlingame-Central Labor Union Committee Confer With Candidate Johns-St. Paul's Pioneer Corps' Banquet To-night-Other Notes and Personals of Interest.

The weekly savings deposits of the school children has again been undertaken by the teachers of public schools Nos. 13, 19 and 32, and already more interest is manifested than usual in the enterprise. The true value to the savings system is the lesson of economy taught the pupils. Interest is paid on these deposits just the same as on individual deposits. The following contributions were received by the teachers yesterday:

\$5.50; Martha Watkins, \$.75; Eliza-beth Lewis, \$1.05; Alice Evans, \$.25; Bertha Kelly, \$.80; Edna Evans, \$.20; Nellie Richards, \$.75; Catherine Phillips, \$1.55; Nelie Kelly, \$.40, Elizabeth Price, \$.59; Sarah McDonald, \$.32; Mary Harris, \$.61; total \$12.77.

No. 19, Miss Josephine D. Lees, principal, \$2.75; Miss Murray, \$1.28; Miss Nichols 3.27; Miss Beamish, \$1,23; Miss Morgan, \$2.48; Miss Flynn, \$2.41; Miss Evans, \$1.70; Miss Kellow, \$1.16; Miss Wade, \$1.54; Miss Peck, \$54; Miss Murphy, \$1.26; Mrs. Ferber, \$.73; total,

No. 32, Frof. H. L. Morgan, principal, \$.25; Miss Fellows, \$1.40; Miss Vaughn, \$2.40; Miss Enddy, \$.78; Miss Mullen, \$.58; Miss Knapp, \$.78; Miss Freeman, \$1.03; Miss O'Connor, 81.29;

The system of saving not alone interests the pupils, but hundreds of parents are aiding their children in the work, and thus teaching them the lesson of economy and self-dental, which are essential to success in life.

### STOP WOMEN

from exercising common sense? You can't do it. As the old rhyme runs: The man's a fool who tries by force or skill To turn the current of a woman's will For if she will, she will, you may depend on't And if she won't she wen't, so there's an end on't."

Common sense tells a woman that when she's sick she needs a doctor.

Common sense tells a woman that in disease the first question is not of man or woman, but of recognized medical ability. Common sense applied to advertisements which invite women to "write to a woman because she is a woman and understands women," will show the women so appealed to that it's no use to write to any woman about disease unless that woman is a

physician.

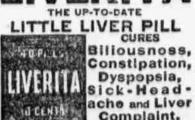

Common sense used in the reading of advertisements will discover that no claim advertisements will discover that no claim is made in them to a physician's knowledge or diploma. And that is not because the claim would be morally culpable as a lie, but because it would be legally punishable as a fraud. The law permits you to masquerade as a doctor in an advertisement, just so long as you don't actually claim to be a doctor, or put M. D. after your name. That's why the advertisement is worded "write to a woman" instead of write to a doctor.

write to a doctor. Common sense has brought more than half-a-million women, afflicted with some form of female disease, to Dr. R. V. Pierce as one of the most expert physicians in the United States in the treatment of female diseases. Dr. Pierce is a specialist. He has given more than thirty years of active practice to the treatment of female dis-eases. Dr. Pierce is not a "physician" by eases. Dr. Pierce is not a "physician" by courtesy. He is a physician regularly grad-uated, legally empowered to practice and with thirty years of experience in the treat-

ment of diseases of women, which he has made his specialty.

The offer of free consultation by letter made by Dr. Pierce is a real offer, an honest offer. It is an offer backed by a medical institution, with a world-wide reputation, a staff of nearly a score of regularly grad-uated physicians, a practice which reaches every state in the Union and a record of more than half-a-million women treated and ninety-eight out of every hundred perfectly cured.

Write to a doctor. That's the first thing.
