WHEN GREEK MEETS GREEK THEN COMES TUG OF WAR.

The Old Adage Aptly Illustrated in Alderman John's Court Yesterday. Literary Events in Secret Societies-Mr. and Mrs. Eben P. Davies Celebrate Their Silver Wedding Anniversary-Concert at Washburn Street Church-Surprise Parties and General News Notes.

Alderman Owen D. John, the vener able magistrate of the Fourth ward, is Jones and family, of Carmarthen, one of the most even-tempered of men. South Wises. The Woman's Relief but occasionally there appears in his court people who would try the pa- with a china dinner set. The guests tience of a saint, and yesterday was one of the days which his honor was Hopp, whistler, and Mrs. H. Selbert, called upon to soothe the ruffled ten - planist. The guests present were: Mr. pers of a dozen or more descendants of and Mrs. D. W. Vaughan, Mr. and Mrs. the ancient Greeks, who make this city John M. Bevan. Mrs. C. Lewis. of Pittstheir home.

The trouble arose at a funeral on Scranton street Thursday afternoon, Mr. John Wagner, Mrs. Forster, Mrs. when Rev. Joseph Simon was officiating at the burial services of a child. A fellow-countryman bearing the name Mr. and Mrs. Thomas Morgans, Mr. of Sullivan Thhan, did not like the way the clergyman was conducting the services and began abusing him by hurling vile epithets at him. This the parson resented by striking Thhan in the face. A general melee followed, and Mrs. E. T. Hall, Mrs. Ira Cosner, Mrs. the religious factions which exist Fred Weimer, Mr. and Mrs. J. W. among the people took sides with the combatants

The result was that Thhan caused Rev. Simon's arrest on a charge of assault and battery. When the case was called by Alderman John the prosecutor agreed to settle if the defendant would pay the costs. For such a generous act Thhan received a blessing in the sight of the alderman, his constable and several witnesses.

Not content with bestowing his kindly offices on the injured man, Rev. Simon turned to the alderman and invoked a bleasing on his gray hairs. But this evidence of appreciation did lams, Thomas Bevan, Wilford Davies, not pay the costs in the case, and when George Deacon, Lewis Forster Gomer the alderman demanded \$5 for constable's fee, etc., the clergyman be-came angry and refused to settle up,

He was finally prevailed upon to pay the costs, and seek reparation in Alderman Kelly's court. There a charge of making threats and another of disorderly conduct was preferred against Thhan by Simon. Alderman John was summoned to Kelly's court to state the case to the Eighteenth ward magistrate, and after this was done, the man who received a thrashing was held in \$200 ball.

concert and ball at Germania hall on Monday evening. The committee in charge of the arrangements has worked untiringly for the last few weeks and has left nothing undone to insure a grand success.

Decorators have been at work the last few days putting up numerous red, white and blue electric lights and bunting, and the decorations are the finest ever seen on this side.

The committee of arrangements is as follows: Charles G. Lewert, chairman, Eugene Tannler, Carl Berghaus-er, Joseph Helriegel, Albert Ziesemer. Prof. Gustav Schmidt will act as director. A Steinway plano, furnished

by Finn & Phillips, will be used at the concert. Bauer's orchestra has been secured to furnish the dance music and take part in the concert. Without a doubt this will be one of the grandest affairs of the season. The programme for the concert is as follows:

I had worked hard, too hard, for nearly six weeks, and nature sim-ply refused to sustain me any longer. I lost my appetite, my sleep was fitful and I found no relief from the prescriptions of my physician. Several of the members of our Order told me of the wonderfal help they had re-change for the better was felt; before finishing the second bottle I was completely restored and gladly add my testimonial to the large number of people whom Pe-ru-na has restored to health. Women in this age ought never be sick! but still I was sick, and would have remained so had I not tricd your Pe-ra-na. Very prob-ably I would have had to submit to an operation, as I was always getting worse. And a doctor told me also the older I would get the worse I would get. I would get the worse I would get. Mrs. Robb Maher. Mrs. Robb Maher, Systemic catarrh is that condition of the system produced by reflex irrita-tion from the pelvic organs. In the female the catarrh may be of the womb or bladder, as well as the rec-tum, which has been fully described in the book on pelvic catarrh, entitled "Health and Beauty." In systemic ca-tarrh the lungs, heart, bowels, stom-ach kidneys and all other parts of the ach, kidneys and all other parts of the mucous membrane are in a flabby, un-healthy condition. This is due to a want of nerve supply on account of nerve weakness.

The constant drain of nervous vitality depletes the whole nervous system and the mucous surfaces suffer accordingly. This is the condition called eystemic catarrh. It very nearly re-sembles, and there is really no prac-tical difference, between this condi-tion and the condition known as neu-

rasthenia, or nervous prostration. Pe-ru-na will be found to effect an immediate and lasting cure in all cases of systemic catarrh. It acts quickly and beneficially on the diseased mucous membranes, and with healthy mucous membranes the catarrh can no longer exist. "Health and Beauty" sent free to women only. Address Dr. Hartman, Columbus, Ohio.

Wright's Genuine Health Underwear for Men

Is not an experiment. Its merits are well known and have been thoroughly tested for years. We invite gentlemen to inspect these garments, and for the benefit of those who may be skeptical as to the true value of Wright's Health Underwear, we reproduce a circular sent by the manufacturers to the trade, i. e., to men who are supposed to thoroughly understand Park avenue, has announced himself what proper Underwear ought to be :

TO THE TRADE.

In submitting to you the "Wright's Health Underwear," we desire calling special attention to their sanitary qualities.

These garments absorb the perspiration as rapidly as emitted through the pores of the skin and carry it to the surface of the fabric, where it is evaporated, thereby preventing the body from being suddenly chilled by atmospheric changes and guarding the wearer against colds, la grippe, paeumonia, rheuma tism, etc.

The finest material is used in their manufacture, and for warmth, comfort and durability are unsurpassed.

The fleecing is woven in the fabric and is guaranteed not to wear off until the garment is thoroughly worn out

Use only ordinary care in washing fine woolens. Upon their merits alone we commend to you
