London, Oct. 25.-The war office this evening made public the following dissent by General White from Ladysmith at 2.50 this afternoon:

"The advance guard of the force sent out by me this morning to get in touch with and help General Yule's column was within three miles of that column, which had temporarily halted at Sunday river, about noon. Situation at Kimberley.

Cape Town, Oct. 25 .- A dispatch from Kimberley, dated October 21, and brought by a despatch rider to the Orange River, has just been received here. It says:

"The position in Kimberley is un changed. The siege continues. Yesterday the armored train found the enemy in the same position in i Spyfontein neighborhood.

"The prisoners who were captured when the armored train was destroyed by the Boers at Kraaipan are now re ported alive and well treated. The Boers hoisted the flag of the Transvaal over Vryburg on October 18 and are about to issue a proclamation that Bechuanaland now forms part of the Transvaal. That is regarded as move on the part of the enemy to induce the colonial Dutch to join the republic without incurring the risk hereafter of the charge of high tizason, if the Boers are defeated.

"Colonel Kekewich, on hearing of it. immediately issued a proclamation notifying the people that, if any British subject is found assisting her majesty's enemys, either directly or indirectly, such person would be nunished summarily as a base rebel. Several arrests of Cape Dutchmon were made here yesterday."

Advices from Orange River, Cape Colony, near the Orange Free State border, announce that the Boers have taken Kripdam, near Barkly West, north of Kimberley, and that Assistant Magistrate Harmsworth and his clerk are prisoners.

It is supposed that the Boers are advancing on Douglas, further west, the inhabitants of which are asking for protection.

BOARD OF PARDONS.

Many Cases for Consideration at the Meeting Yesterday.

Harrisburg, Oct. 25.-There were many cases for the consideration of the state board of pardons today, but none of special interest. Several were submitted on the papers. One of the principal cases was that of Joseph Brawnsweiger, of Lancaster county, who was sentenced on April 21, 1854, to pay a fine of \$1,000 and

urglary

ndergo imprisonment in the Eastern penitentiary for the term of ten years, having been convicted on the charge of and felonious assault and battery. It appears that Brownsweiger was, an indirect way, a member of the noorious Buzzard gang of criminals who operated in Lancaster and Lebanon anties. When called for trial he was

unvicted on the testimony of Ike Buz ward, who is now serving a ten years sentence, but Inter Abe Buzzard came forward and said that it was Ike who mitted the crime. Brownsweiger's father is \$1 years of

uge, while his mother is one year younger. They were present at the hearing to-day. The board will have an executive came willingly. Herbert has been admit-ted to ball and is now with his wife and family whom he had not seen since his session tomorrow to take action on the cases heard today.
