Dressy Things for Winter

If the cloak stores of Northern Pennsylvania were concentrated into an army, this would be the natural headquarters. Here is a stock of wearables that vies in importance with any we have ever seen. Just as the quantities are large prices are proportionately small.

At Twenty Dollars we offer an elegant assortment of the finest Venetians and Broadcloths made up into garments that provide every element of style.

At Fifteen Dollars there are some stylish man-tailored costumes of Camel's Hair and Venetian Cloths. Choice of box front or tight-fitting jackets, handsomely silk lined.

The finest jackets worn this season are made up from elegant Vicunas and Meltons, superbly tailored and handsomely lined.

We also show today some handsome novelties in Waists of fine Satin Duchesse or choice quality of Taffeta.

Concerning Wrappers It is important that you should know more of this Wrapper stock. It is the consensus of opinion that none other hereabouts is equal to it.

RIVAL OF THE TROUT.

Experiments to Be Tried with Black and Rock Bass. From the Stroudsburg Times.

A new enterprise engages the attention of the Pennsylvania fish commission, and experiments will soon be started at the stations at Allentown and Cory, heretofore devoted to the hatching of trout.

Unfortunately, while the eggs of the shad, trout, white fish, perch and many others can be removed and subjected to artificial hatching, those of the black and rock bass can not.

The bass ponds will be stocked with fifty black and ten rock bass at the cost of ten cents each.

EUROPE WILL NOT INTERFERE

NOTHING TO INDICATE COALITION AGAINST ENGLAND.

Belief That Great Britain Is on the Verge of a Crisis Lacks Confirmation—Remarkable Military and Naval Activity Have No Special Bearings on England's European Relations—All Nations Neutral.

London, Oct. 25.—The belief that Great Britain is on the verge of a crisis, and that the far greater than that in the Transvaal, has many supporters, though the lack of all official confirmation favors the conservative view that the remarkable military and naval activity is due to a desire to take thorough precautions and that the warlike preparations, though ominous, have at the present time no special bearing on Great Britain's European relations.

The paper adds that Germany especially has resolved "not to depart from her attitude of neutrality."

It is said that Admiral Lord Charles Boscawen will command the Mediterranean squadron, and details of the activity at the dock yard and naval stations are coming fast.

PAN GERMAN PROTEST.

Three Thousand Members Protest Against Transvaal War. Berlin, Oct. 25.—A meeting of 2,000 members of the Pan German and Anti-Semitic League at Hamburg today called to protest against the Transvaal war a dispatch was sent to Emperor William, full of solemn patriotic effusions and urging him to intercede in behalf of the Boers and postpone his journey to England.

"Vigorous protests should be made against passionate and malevolent treatment of the war," which gives color to the idea that the Germans cannot do enough to show their enmity for Great Britain.

DR. POWERS WAS FUNNY.

But Universalist Conference Would Not Indorse His Joke.

Boston, Oct. 25.—At the Universalist conference today a resolution was adopted that the board of trustees of the convention be instructed to revise the committee on the increase of the ministry and that it shall be the business of this committee to labor, not only to increase the number of students in our divinity schools, but to see that such students are men of natural ability, strict integrity of character, of the best possible training and entire consecration to the service of the Universalist church.

It was also decided to appoint a committee of five to consider plans for a uniform service of worship, the report to be made at the next general conference.

Rev.
