GATHERED IN SOUTH SCRANTON FUNERAL OF MISS MAME BURNS HELD YESTERDAY. Was Attended by a Large Number of Friends of the Deceased—Mrs. Kenny Held in \$600 Bail for Destroying Property—Michael Langan Is Again Injured—Mr. and Mrs. John McHugh Give a Halloween Party—New Planing Mill—Other Interesting Bits of News. The funeral of Miss Mame Burns took place yesterday morning from the family residence on Pittston avenue. Long before the appointed hour the house was filled with sorrowing relatives and friends who came to take a last look at their departed friend. The remains rested in a handsome casket in the front parlor. Numerous floral offerings were poured in during Wednesday and yesterday morning. At 9 o'clock the funeral cortege proceeded to St. John's church, where a requiem mass was celebrated, at the conclusion of which the procession moved to the Cathedral cemetery, where the remains were laid to rest.

FOR DESTROYING PROPERTY. Mrs. Mary Kenny, of Fig street, was on Wednesday evening arraigned before Alderman Lentes of the Eleventh ward on charges of forcible entry and destroying property, preferred by Mrs. Gaughan, of the same locality. Mrs. Gaughan, it appears, rented a house from Mrs. Kenny, and a few weeks ago lost a child through death. At that time it was reported that death there was the cause of the child's death and Mrs. Kenny served notice on Mrs. Gaughan to disinfect the house and destroy the bed clothing. Mrs. Gaughan in the meantime was herself taken ill and was staying at the home of a friend, therefore she could not attend to the order of Mrs. Kenny, who, growing impatient over the delay, undertook the task herself, hence the suit. At the hearing it was proven that the defendant destroyed several articles belonging to Mrs. Gaughan and accordingly she held under \$600 bail for her appearance at court.

LANGAN AGAIN INJURED. Michael Langan, of Pittston avenue, is a very unfortunate man. Everything that could be done to relieve her suffering but to no avail. Mrs. Nell is survived by three sons. Funeral services will be held Saturday morning in St. Mary's German Catholic church. Interment in St. Mary's cemetery at No. 5.

SHOWS SMALL INCREASE. Illness and Prosperous Times Keeps Many Children from School. The September enrollment just compiled by Miss Potts, secretary to Superintendent of Schools Howell, shows an increase in attendance of 758 over September, 1898, and an increase of 2,372 as compared with June, the closing month of last term.

Last month's attendance should ordinarily show a larger increase. Illness, particularly diphtheria, which is now so generally prevalent and which must be quarantined against, coupled with the fact that the prosperous times and general demand for labor keeps many boys out of school, are given as the causes of the small increase. Under the conditions, the attendance is in every way satisfactory to the superintendent.

Appended are some figures from which interesting comparisons can be drawn: SEPTEMBER, 1899. Enrollment—Males 6,221, Females 7,249. Total attendance—14,464. Average attendance—Males 6,129, Females 6,889. Total 12,818. Per cent. attendance 88.50.

SEPTEMBER, 1898. Enrollment—Males 6,536, Females 7,111. Total 13,647. Average attendance—Males 5,948, Females 6,384. Total 12,332. Per cent. attendance 89.83.

JUNE, 1899. Enrollment—Males 5,814, Females 6,328. Total 12,142. Average attendance—Males 5,142, Females 5,429. Total 10,571. Per cent. attendance 86.78.

YEAR 1898-99. Enrollment—Males 7,319, Females 7,981. Total 15,300. Average attendance—Males 6,441, Females 6,772. Total 13,213. Per cent. attendance 86.37.

GREENBERGER INJURED. Mixed Up in a Runaway at Washington Avenue and Spruce Street. A buggy owned by J. O. Ackerman, the wheel-sprocker, of 24 Lackawanna avenue, was smashed, and the young man driving it had his face badly cut up, about 5:30 o'clock yesterday afternoon.

A Mr. Greenberger, a salesman for Ackerman, was driving along Lackawanna avenue, together with a small boy. At the corner of Washington and Lackawanna avenues a wagon collided with the buggy, thereby causing a runaway. The small boy in the carriage jumped out, without injury, but the unfortunate driver was pitched to the pavement, and had his face badly cut up as a result. The horse dashed down Washington avenue and ran into a telegraph pole near Clark's, the front of the buggy was badly smashed up, but the horse was not harmed. Jessup welcomed Senator Mariscal on behalf of the chamber, and said in the course of his remarks that he hoped that the present relations between the United States and Mexico would continue and that Senator Mariscal would convey to President Diaz the cordial wishes of the New York chamber of commerce. Senator Mariscal in responding said in part: "The words uttered in honor of President Diaz, my country and myself are in a measure a token of the cordial relations existing between the United States and Mexico. During my short visit to this country I may say I have been the recipient of several demonstrations, but I regard none of them as more important as this one, coming as it does from such a large representation of the great American emporium. "We, in Mexico, are progressing rapidly and have been during the last few years. We greatly admire the commercial activity of the United States. He closed with thanks to the chamber.
