

TRIUMPH OF REPUBLICANS

Pennsylvania Rolls Up the Usual Handsome Majorities.

BARNETT'S PLURALITY, 120,000

Ohio Goes for Nash and the Republican National Administration by from 30,000 to 40,000—Kentucky Carried by the Republicans After a Desperate Fight, Which Required the Presence of the Militia at the Polls to Insure a Fair Count—Maryland and Nebraska Go Democratic. Other Returns Show the Usual Off Year Majorities.

Election returns from the various states at hour of going to press indicated as follows:

- PENNSYLVANIA—Barnett and state ticket elected by 120,000 majority. OHIO—Judge Nash, Rep., elected governor by 40,000 plurality. KENTUCKY—Returns indicate the election of Taylor, Rep., and the entire Republican ticket by 10,000 to 15,000. MARYLAND—Democratic by 10,000 to 15,000. NEBRASKA—Carried by the Fusionists by 5,000 to 10,000.

In Ohio the vote for Jones, Independent, exceeded expectations in all the strong labor centers. It drew heavily from the Republicans in the cities and was fed by the systematic treachery of the Kurtz-Bushnell faction. Notwithstanding this heavy handicap, the worst ever encountered by a majority party in any state, Nash and the McKinley administration have won a handsome endorsement, receiving an estimated plurality of from 30,000 to 40,000.

In Kentucky the militia had to be called out by the governor in order to secure the presence of Republican and Independent Democratic inspectors at the counting of the ballots, as provided by law. In consequence of this vigilance, the contemplated perpetration of frauds by the Gobelites was largely checked and the returns point to Taylor's election by from 10,000 to 15,000. The entire Republican state ticket is elected.

In Nebraska the Fusionists gained by reason of the light Republican vote and claim the state by 10,000 majority.

In Maryland the Democrats win everything in sight, including control of the legislature. Smith, Dem., for governor, has from 10,000 to 15,000 plurality, due largely to the political treachery of Senator Wellington.

VOTE IN THE STATE.

Estimated Pluralities in the Various Counties Compared with the Vote of 1895.

Philadelphia, Nov. 7.—Estimates from all of the counties in the state indicate Barnett's election by a plurality over Creasy to be 138,482. In some counties the estimates were necessarily based on meagre information and complete returns may change the figures here given.

In 1897, when Swallow, Independent, carried two counties in the state the plurality of Boacon, Republican, was 129,747 and in 1897 the plurality for Haywood, Republican, was 174,284.

Vindication at Pittsburgh.

Pittsburgh, Nov. 7.—11 p. m.—Barnett, Republican candidate for state treasurer, has carried Allegheny county by 20,000 according to Republican Chairman Robertson at 11 o'clock. The entire Republican state and county tickets are elected by the same majorities. In the city of Pittsburgh Barnett's majority is estimated at 19,000.

Quiet Day in Philadelphia.

Philadelphia, Nov. 7.—The polls closed in this state at 7 p. m. and no returns have yet been received from districts outside of Philadelphia. In this city scattering returns point to the election of the regular Republican state ticket by a greatly reduced plurality owing to the light vote cast up to 8:30 p. m. There had been no reports of any arrest for violation of the election laws.

Luzerne Cuts Barnett.

Wilkes-Barre, Pa., Nov. 7.—A light vote was polled. Barnett was out some. Returns from 147 districts out of a total of 288 give Barnett a plurality of \$50 over Creasy. Judge Halsey, Re-

publican, is elected judge. He was endorsed by the Democrats.

OHIO.

Columbus, O., Nov. 7.—After 11 p. m. the returns showed that the Democratic gains in Cincinnati and other cities were reduced and that McLean was likely third at Cleveland and possibly in Toledo, in which cities Jones drew much more heavily from the Democrats than from the Republicans. At the same time, the Republican gains outside of Cincinnati, Cleveland and Toledo were increasing at such a rate as to indicate a plurality of 20,000 to 40,000 to Judge Nash for governor and the entire Republican state ticket, including a majority of the legislature.

Chairman Dick had previously to the election, repeatedly claimed the election of the entire Republican state ticket by not less than 50,000 plurality. So far tonight he has refused to give out any figures, but those around him say that means that he now has no reason to change his first figure. The later returns seem to be growing in favor of the Republicans, especially since the returns indicate that Jones hurt the Democrats much more than the Republicans in Cleveland, Toledo and Columbus and other cities, while the first reports indicated exactly the opposite. Judge Nash, Republican candidate, was receiving the congratulations of his friends and neighbors at the Nell House after 11 p. m. He said: "I claim my election now by at least 20,000, but I am too much engaged to give a statement of the causes or to analyze the results to the press." The hands and clubs are out serenading him.

At 11:20 Chairman Dick gave out the following: "The returns from Hamilton, Cuyahoga and Lucas counties are as yet too meagre to give definite figures. Enough, however, has been received to indicate the election of Judge Nash by a greater plurality than that of Governor Bushnell two years ago, which was 28,165, thus ensuring the election of the entire Republican state ticket. WHEATON TO LAND AT SAN FABIAN

WILL STORM THE FILIPINO TRENCHES ALONG SHORE.

Communication with Him Expected Today—From San Fabian General Wheaton Can Control the Roads of Escape from Tarlac to the Northwest—Three Hundred Insurgents Attack the Fourth Cavalry—A Raft Carried Away to Callabunan.

Manila, Nov. 7.—4:45 p. m.—General Wheaton's orders were to land at or near San Fabian, a fishing village twenty miles northeast of Dagupan. The insurgent force there only numbered about 200 men entrenched, whereas at Dagupan, there are some thousands of insurgents and five miles of strong trenches. The Mounts river is blocked.

General Wheaton is supposed to have landed today though communication with him is not expected until tomorrow.

The weather has been good since he started and he should have been able to take the trenches without great loss of life.

From San Fabian General Wheaton can control the roads of escape from Tarlac to the northeast, making a junction with General Lawton. General MacArthur will begin his advance towards Tarlac tonight. General Lawton will resume his advance tomorrow, though in the face of great difficulties, rain in that district having destroyed all bridges in the vicinity. Including several the engineers built for the movement. General Lawton has been working hard for several days to get rations forward. The Forty-fifth regiment re-inforces him tomorrow. A force of 300 insurgents attacked the Fourth Cavalry last night making three futile charges and losing three men, the Americans lost none. The first raft across the ferry at Callabunan was carried away by the swift current. It had sixteen men of the Third Cavalry on board with their horses but only one of them was drowned.

MAYOR TALLON IN NEW YORK.

Astounded at the Expeditious Manner in Which Vote Was Taken.

New York, Nov. 7.—Lord Mayor Tallon, of Dublin, and the Hon. John E. Redmond, M. P., arrived in the city early this evening from Boston for the express purpose of seeing how an election is conducted in New York city.

Lord Mayor Tallon expressed a wish Tuesday night in Boston to see how an election is run in a large city. Mr. Redmond, who has on different occasions witnessed an election in London, acted upon an election in this country, told the lord mayor that New York was the best place to witness an event of this nature.

The lord mayor and Mr. Redmond arrived at the Hoffman house at 6 o'clock tonight. Edward O'Flaherty, and William Temple Emmett escorted them to police headquarters and thence to the various newspaper bulletin boards on Park Row, where the election returns were being exhibited.

In speaking of the election, the lord mayor said he was astounded at the expeditious manner in which an election in such a large city as New York was conducted, and said that it reflected great credit on the municipal and police authorities.

ALABAMA HONORS SCHLEY.

Big Military Display at Birmingham.

Birmingham, Ala., Nov. 7.—A big military display was the feature of the celebration here today in honor of Admiral Schley. The procession moved at 12:30 o'clock and consisted of the greater part of the National guard of Alabama and a good share of that of Mississippi, together with the cadet corps from five colleges in this state. Added to these organizations were the Confederate veterans, the veterans of the Spanish war, the Sons of Veterans, the Grand Army and numerous civic organizations. Result of the Bombardment of Ladysmith on Friday.

Smart Action Towards Dewdorp. British Troops Under General Broekelhurst Drive the Boers Back. A Native Eye-Witness States That Boers Deceyed British with White Flags—Lot of Prisoners Captured.

NEWS BY A NEGRO RUNNER

London, Nov. 7.—The following is the text of a dispatch from General Buller from Cape Town, dated Nov. 7, 12:55 p. m.: "The following dispatch has been received from the general commanding at Eastcourt, dated Nov. 6: "Since Friday there has been a cessation of hostilities. A note was sent that day to General Joubert by General White, at the request of the major, asking permission for the non-combatants, sick and wounded, to go south. General Joubert refused the request, but agreed to allow them to go to a special camp four miles from Ladysmith. The townspeople refused to accept this offer. The sick and wounded and a few of the inhabitants were moved yesterday. A few shots were exchanged yesterday at the outpost. Friday's bombardment was heavy. Shells fell in the hospital and one burst in a hotel during luncheon. No one was injured. The only casualty in the town from the shells thus far is a Kaffir killed.

"There was a smart action Friday towards Dewdorp. The troops under General Broekelhurst drove the Boers back a short distance and disabled a gun. "There was also fighting near Bulwani. Our loss altogether is 8 killed and about 20 wounded. Ninety-eight Dundee wounded have arrived. The Boers were sent here Saturday. All are doing well.

"The position here is now believed to be entirely safe. It has been greatly strengthened during the last twenty-four hours. People have deserted the dwellings and are living in bomb-proof places, safe from shell fire. There are plenty of good stores of all kinds. "Captain Knapp and Lieutenant Brabant were killed in Friday's action.

"The following is an exact copy of a private message brought here by a Kaffir runner. There is no other official news: "A Dastardly Act. Durban, Natal, Nov. 5.—Sunday, 5:55 p. m.—A native eye witness of Thursday's battle near Ladysmith, says the Boers were caught on the open ground and raised a smoke screen. The British then advanced without firing to accept the surrender of the Boers but were received with a volley at close range.

Enraged at this treachery the Lanciers, Fusiliers and Dragoons followed by the infantry with fixed bayonets charged through and through the enemy and did great execution. A lot of prisoners and loot were captured. "Eastcourt, Natal, Sunday, Nov. 5, 1:30 p. m.—A reliable native has brought the following news of Friday's fight south of Ladysmith. A reconnaissance in force was made by a British division, the object being to relieve the Colenso column, which had been attacked by the Boers. The British infantry charged the Boers who were posted on a high ridge and drove them down on the plain towards the Tugela river, where the British cavalry, executing a fine flank movement, charged the Boers, almost immediately hitting them. The plain was strewn with slain Boers.

REGARDING OPEN DOOR IN CHINA

RUSSIA AND GERMANY ARE FAVORABLE TO THE IDEA.

Count Cassini States That the Russian Port in China Is Already Open to the World and That American and Russian Interests Are Identical—Germany Also Favors a Live and Let Live Policy in China.

Washington, Nov. 7.—Count Cassini, the Russian ambassador, who is just back from a visit to St. Petersburg and other European capitals, authorized the statement today that he had returned without any special instructions relating to China and without any mission to perform in that connection. This statement was due to recent reports that he intended to make known to the president and Secretary Hay the desire of the continental powers of Europe that the United States should indicate what port or sphere of influence in China this government desires to enter. The ambassador also stated that Russia's commercial port in China, Taiten Wan, was now open to all nations alike, and he expressed surprise at the renewed agitation of the open-door question. He says Russian and American interests in China are the same.

Count Cassini says there are no moves in Europe toward intervening in the South African conflict. During his audience with the emperor at St. Petersburg, Count Cassini assured the emperor of the continued friendly relations between this country and Russia, which, he says, were never more satisfactory than they are today.

Berlin, Nov. 7.—The foreign office authorized the Associated Press to say regarding the United States government's representations relative to maintaining the open-door in China, that Germany has shown, by opening a free port at Kiao Chou and by Count Von Buelow's binding declarations, that she favors a live and let live policy in China.

COLUMBIA SHUT OUT.

Cornell Victorious by a Score of 29 to 0.

New York, Nov. 7.—Columbia was a pronounced favorite in the foot ball game with Cornell here today, odds of 5 to 4 being laid on the Blue and White, but the wearers of the Red and White had plenty of backing and the Ithaca rooters got all the cash, as well as all the glory. Cornell won, shutting out the Columbia team by a score of 29 to 0. Fully 35,000 persons lined the contest. At their 12:30 passed through the several outer gates and crowded the stands and bleachers. The remainder were deadheads packed on the big viaduct and along the new road on the heights to the westward. When Cornell scored the first touch-down and kicked the goal the Ithaca sympathizers broke loose and a waving mass of red and white flags and ribbon extended over some forty acres of Northern Gotham.

Columbia was very much put out by losing the services of Wright at right guard, who was disqualified for slugging. A few minutes later Captain Wilson was forced to retire and soon afterwards Cornell scored, Walbridge running and dodging for forty yards through Columbia's players and planting the ball behind the line.

The second half was full of good plays and hard work in which Columbia was at times unfortunate. Cornell was always the stronger and with two more touchdowns and subsequent goals, in addition to a place kick by Young, twenty-three points were added to Cornell's score. At the end of the game Columbia had failed to tally a point and the contest ended in Cornell's favor with a total of 29 points to 0.

DEATH SENTENCES FOR SOLDIERS

Three Volunteers Court-Martialed for Assaults Upon Filipinos.

Washington, Nov. 7.—The war department has received the reports in the cases of the three volunteer soldiers court-martialed in the Philippines and sentenced to death for assaults upon natives. "While no information as to the nature of General Otis' endorsement has been made public, it is understood that he has approved the sentence of the court, as otherwise the papers would not have come to Washington. It is possible, however, that the approval may be accompanied with a recommendation for a reduction of the sentence.

Mr. Cleveland Ordered to Move On.

Princeton, N. J., Nov. 7.—As ex-President Cleveland was leaving the polls on Mercer street this morning, he stopped a moment to speak to one of his friends, who was an over officious policeman from Trenton, detained at the polls not knowing who Mr. Cleveland was, ordered the ex-president to move outside the chalk line. Mr. Cleveland smiled, stepped into his carriage and was driven off to his home.

DEATHS OF A DAY.

Easton, Md., Nov. 7.—Former Judge Jerome B. Bennett, of this city, fell dead in the voting booth at this place this morning, immediately after marking his ballot. He was 75 years of age and a life-long Democrat, having been a prominent worker in the party since early manhood.

LOOKS LIKE A VICTORY

All of the Republican Candidates Will Probably Have Small Pluralities.

VOTE WAS REMARKABLY SMALL

Only a Trifle Over One-Half of the Regular Vote of the County Was Polled—The Vote from 122 of the 154 Districts of the County Has Been Received and Compiled and Shows That the Candidates Are Bunched—Districts to Be Heard from will Give Pluralities to the Republican Candidates.

Returns from 122 of the 154 districts of the county show the following result:

Table with columns for State Treasurer, Supreme Court, Superior Court, County Commissioners, and County Auditors, listing candidates and their vote counts.

The thirty-two districts to be heard from taken as a whole will poll more Republican than Democratic votes.

Vosburg Hopeful.

At 1 o'clock this morning Republican County Chairman A. A. Vosburg gave the following to The Tribune: "At this hour the figures show a Democratic lead averaging about 300, but as the districts yet to be heard from are for the most part Republican, we are quite confident that the full returns will show the Republican candidates elected by small majorities."

Fitzsimmons' Claims.

COLONEL F. J. FITZSIMMONS, the Democratic county chairman, detailed the following to The Tribune just before his leaving headquarters at 1 o'clock: "We feel confident that the entire Democratic ticket has been elected by majorities ranging from 500 to 900. The Democratic districts show a better vote than those in which the Republicans count for their majorities. We had an excellent organization and a host of volunteer workers. The young men of the party in particular distinguished themselves."

Result of Election.

IT WILL REQUIRE A careful compilation of the votes cast in all the districts of the county to determine who the successful candidates of yesterday's battle are.

Returns from 122 of the 154 districts of the county indicate that Republican candidates, state and county, will pull through by small pluralities. The vote of the following districts is not included in the summary of the vote given at the head of this column:

- Archaic—First ward, second district. Benton township. Biskop—Third ward. Carbondale township—Northwest and Northwest districts. Clifton township. Covington township. Dickson borough—Third ward. Fall township—First, Second and Fourth districts. Glenora borough. Gouldsboro borough. Greenfield township. Jefferson township. Lehigh township—Northwest district. La Plume borough. Lehigh township. Madison township. North Abington. Old Forge—First, Second and Fourth districts. Ransom—First district. Roaring Brook township. Scott township. Scranton—Third ward, second district. Scranton—Sixth ward, third district. South Abington township—Third district. Spring Brook township.

Seen at Headquarters.

The vote cast in the county will probably not exceed 15,000, which is only a trifle more than half the normal vote of the county.

Seen at Headquarters.

At 10 o'clock last night, when the crowd could be expected to be biggest, there were two chairs for every man congregated in the assembly room of the Central Republican club, where the Republicans had headquarters established and where the returns were being received and tabulated.

It was dull, disagreeably dull. None of the candidates were there at that hour, and many of the regular habitués of the headquarters on election night were conspicuous by their absence. Occupying adjoining seats in the front row of spectators' chairs were ex-Mayor John H. Fellows, Wade M. Finn, John G. McArdle and Mayor James Moir, Alderman John T. Howe and ex-City Assessor Walter B. Christ.
