(Continued from Page 1)

of the legislature are Republican. After this announcement further returns were received indicating great Republican gains and the bands that had been awaiting orders at Republican state headquarters struck up for the first time during the night, the glee club chimed in and the Republican jubilation was inaugurated after midnight with all sorts of demonstrations.

At 11.30 p. m. Chairman Seward, of the Democratic committee, was asked for a statement on the Ohio results, but declined to make one. He was then asked if he conceded the election of Judge Nash or claimed the election of McLean, to which he replied: "I will say nothing."

Cleveland, Nov. 7.—The returns from the western reserve show mark 3 Republican gains and this part of the state will do much toward giving Nash a good majority.

Cleveland, Nov. 7.—The Cleveland Leader claims the election of Nash by from 35,000 upward.

Toledo, Nov. 7.—Mayor Jones at 9 o'clock conceded his own defeat. "If my race has contributed in any way," he said, "to the success of John R. McLean and a rebuke to the infamous Philippine policy of the administration, I feel that it has not been in vain."

Toledo, O., Nov. 7.—Three precincts give Jones 379, Nash 265, McLean 196. These precincts gave Jones 487 last spring.

Cleveland, Nov. 7.—None of the official returns are in yet, but unofficial returns from two precincts give Jones, Independent, more votes than Nash, Republican, and McLean, Democrat, together.

Cincinnati, Nov. 7.—Few scattering returns from Ohio show Jones, non-partisan, is getting about one-twelfth of the total vote and coming largely from Republicans.

Cincinnati, Nov. 7.—Sixty precincts outside Cincinnati, Cleveland and Toledo give Nash 6,161, McLean 5,570, Jones 511. Same in 1897 gave Bushnell, Republican, 6,224; Chapman, Democrat, 6,099.

Columbus, O., Nov. 7.—At 10.30 p. m. Hon. C. L. Kurtz, the Ohio member of the Republican national committee, who is in Governor Bushnell's office regarding the returns, said: "I regard the returns received up to this time insufficient to make a correct estimate on the vote for governor. The first precincts reported are usually the ones in which there is a small vote and that vote is less liable to fluctuation than in other precincts. Hence it is difficult to estimate either the election of Nash or McLean as yet."

Cincinnati, Nov. 7.—Sixty precincts outside Cincinnati, Cleveland and Toledo give Nash 6,161, McLean 5,570, Jones 511. Same in 1897 gave Bushnell, Republican, 6,224; Chapman, Democrat, 6,099.

KENTUCKY.

Louisville, Ky., Nov. 7.—At midnight Chairman Long, of the Republican campaign committee, claims that Governor Taylor has carried the state by from 10,000 to 15,000.

Louisville, Ky., Nov. 7.—By the combined efforts of the Republicans and anti-Goebelites, Attorney General W. S. Taylor, Republican, has been elected governor of Kentucky by a majority variously estimated from 7,000 to 15,000 over Goebel, Democrat. Returns received up to midnight indicate the election of the entire Republican ticket, while the complexion of the legislature is in doubt.

Louisville, Nov. 7, 10 p. m.—Returns from the state are coming in slowly, but each county shows Republican gains and to such an extent that Taylor's election by a majority of over 25,000 is indicated.

Secretary Hampton, of the Republican committee, is claiming Taylor's election by 10,000. Chairman Long and Governor Bradley are confident of Taylor's election and say he has carried the state by a safe plurality, but they decline to give figures.

The Courier Journal, Democrat, from its figures, says the result is in doubt. The Post, Democrat, which has opposed Goebel, claims Taylor's election by 10,000.

Louisville, Nov. 7.—At 10.45 p. m. returns received at Republican headquarters continue to show an increase in gains throughout the state. Chairman Long says that Taylor will win.

Cincinnati, Nov. 7.—Kentucky's nearly complete returns from twenty-four counties, out of 119, give Goebel, Democrat, 18,909; Taylor, Republican, 15,990; Brown, 977.

NEW YORK.

New York, Nov. 7.—Secretary Fox, of the Republican state committee, said at 10 o'clock that the legislature would be sure if there was not a Republican elected in New York city. Up to that time there had been reports of gains in eight districts in the state. Senator Platt remained in his apartments and Chairman Odell joined him there, the returns being sent to them at Mr. Platt's parlors. Chairman Odell said after hearing the Republican figures from Kings county: "The Republican membership in the assembly now figures up to about ninety. This exceeds my greatest expectations, and I am deeply grateful to the leaders for their work. I only wish we could make it 150. I think the result is due largely to an improvement in the organization up the state. Of

course the fight in the Democratic party had something to do with certain counties."

New York, Nov. 7.—Kings county complete gives: Register, Howe, Republican, 79,217; Gray, Democrat, 77,734.

New York, Nov. 7.—Robert Mazet, Republican candidate for election in the Nineteenth district, admits that he is defeated. Collector George R. Bidwell, who managed Mazet's campaign, also concedes the defeat of Mazet.

New York, Nov. 7.—Tammany claims the election of its whole county ticket by 50,000 plurality and the defeat of Assemblyman Mazet by 500.

New York, Nov. 7.—At midnight Mr. R. B. Odell, jr., chairman of the Republican state committee said that the Republicans had elected at least nine members of the lower house of the legislature. He said that the returns so far received from up the state showed gratifying results so far as municipal officers are concerned.

New York, Nov. 7.—At 10.30 p. m. very meagre returns indicate Republican gains in the county elections held over in Kansas today. It is predicted by conservative politicians that the Republican gain will reach 10 per cent.

San Francisco, Nov. 7.—The Republican city committee concedes the election of James Phelan, Democrat, mayor, by 3,000 majority.

St. Paul, S. D., Nov. 7.—St. Paul Argus Leader, basing estimate

on returns thus far received from points in South Dakota, claims the election of the Republican nominee for state supreme court by 10,000 majority. This is also the estimate of the national Republican committee.

Richmond, Va., Nov. 7.—Returns received show that both branches of the legislature will be overwhelming Democratic.

Syracuse, Nov. 7.—Mayor McGuire, Democrat, carries the city by nearly 2,000.

Utica, Nov. 7.—R. W. Sherman, Democrat, is elected mayor of Utica by 87. Balance of city ticket is Democratic by majorities ranging from two to 300.

Ithaca, Nov. 7.—The city of Ithaca gives the Democratic candidate for county treasurer a plurality of 167 and the Republican candidate for sheriff 199. The standard voting machines were used in this city and the result was known seventeen minutes after the polls closed.

Rochester, Nov. 7.—Rochester complete gives Carnahan, Republican, 2-353 plurality for mayor.

Cowesgo, Nov. 7.—Albert Hall, Democrat, is elected mayor by about 200 majority.

Elmira, Nov. 7, 7.30 p. m.—Indications point to a Republican landslide in Chemung county, the home of ex-Senator Hill Charles H. Knapp, Republican, is elected to the assembly, a Democratic loss.

Jamestown, Nov. 7.—E. B. Vreeland, Republican, is elected member of congress to succeed Warren D. Lewis, re-

Womans Three Days of Destiny.

THE day when the girl becomes a woman; the day when the wife becomes a mother; the day when the change of life begins; these are womans three days of destiny. At each of these periods of functional change the balance of health, both of mind and body, is disturbed. There may be only weakness and nervousness, or there may be hysteria, depression and dementia, horror of mind and anguish of body.

No argument is necessary to prove that woman needs to exercise the greatest care of her womanly health during these periods of functional change in order to save herself from the serious results which so often follow.

There is a medicine for woman designed to help her in these critical periods. Dr. Pierce's Favorite Prescription has helped and healed thousands of sick and suffering women.

It is not a cure-all. It is prepared specially for woman's peculiar ailments and acts with wonderful healing power upon the delicate female organs. It regulates the periods, heals inflammation and ulceration, cures female weakness, and invigorates the entire womanly organism. It makes the baby's advent practically painless, and gives abundant vitality to nursing mothers.

Dr. Pierce's Favorite Prescription is a scientifically prepared medicine, and within the scope of its purpose it is without a rival in the lasting benefits it confers upon weak and sickly women. There are many medicines offered for women's use which seem helpful because they relieve pain and stimulate the body. But their effects are not permanent. When the power of their opiates and stimulants is exhausted the old condition returns and usually in aggravated form. "Favorite Prescription" contains no alcohol, and is absolutely free from opium, cocaine, and all other narcotics.

"NEVER DESPAIR."

No woman need despair of a cure of the diseases affecting the womanly organs if she will give "Favorite Prescription" a fair and faithful trial. The most obstinate cases yield to the action of this great remedy.

Sick women are invited to consult Dr. Pierce by letter, free of charge, and so obtain the benefit of the advice of a specialist in diseases of women. There is no similar offer of free medical advice which has behind it an institution like the Invalids' Hotel and Surgical Institute, of Buffalo, N. Y. As chief consulting physician to this institution, assisted by his staff of nearly a score of specialists, Dr. Pierce has in a little more than thirty years treated and cured over half a million women. All correspondence is strictly private and sacredly confidential. Address Dr. R. V. Pierce, chief consulting physician to the Invalids' Hotel and Surgical Institute, Buffalo, N. Y.

A Maiden's Suffering.

"It gives me much pleasure," writes Miss Ella Sapp, of Jamestown, Guilford Co., N. C., "to thank Dr. Pierce for the great good received from the use of his 'Favorite Prescription' and 'Golden Medical Discovery.' I had suffered for three years or more at monthly periods. It seemed as though I would die with pain in my back and stomach. I could not stand at all without fainting; had given up all hope of ever being cured, when one of my friends insisted upon my trying Dr. Pierce's Favorite Prescription. With but little faith I tried it, and before I had taken half a bottle I felt better, had better appetite and slept better. Now I have taken two bottles of 'Favorite Prescription' and one of 'Golden Medical Discovery,' and am happy to say I am entirely cured, and all done in two months' time when all medicines had failed to do any good at all."

A Mother's Pangs.

"I would like to express my gratitude to you for the benefit I have received from your wonderful medicine—'Favorite Prescription,'" writes Mrs. H. C. Anderson, of South Britain, New Haven Co., Conn. (Box 33). "During the first month of pregnancy I could not keep anything on my stomach. Was so sick that I had to go to bed as stay for weeks. I tried different doctors, but with little benefit. I read about many being helped by using your medicine so I thought I would give it a trial. I began to take your 'Favorite

Prescription' in November and I had a nice little baby girl in February following. My baby weighed over eight pounds. I was only in hard labor about one hour and got along nicely during confinement; was up and dressed on the eighth day. I never had the doctor with me at all; just the nurse and one or two friends. My friends thought that I was sick a very short time. I think Dr. Pierce's Favorite Prescription is indeed a true 'mother's friend,' for it helped me wonderfully. It kept me from having a miscarriage. This makes my second child; with the first one I did not take 'Favorite Prescription' and I had a miscarriage. The little one lived just about two months and she was sick all the time. This last baby is as plump and healthy as any mother could wish. She is about three weeks old now and is gaining in flesh every day."

Change of Life.

Mrs. M. Barnes, of Balls Ferry, Shasta Co., Cal., writes: "My physician said I was suffering from the effects of 'change of life.' I had heart disease, womb trouble and rheumatism. My head was so dizzy I could hardly stand up. When I began Dr. Pierce's medicine I improved right along. I took seven or eight bottles of the 'Favorite Prescription,' a teaspoonful three times a day, and the 'Pleasant Pellets' at night. I feel as well as I ever did. I take great pleasure in recommending Dr. Pierce's medicines to suffering women. I think they are the best medicines in the world. I can't say enough in their praise. The 'Favorite Prescription' cured me after I had been sick for two years so I was hardly able to be about."
