

CARBONDALE.

CHIEF DUGAN DEAD.

He Was a Prominent Figure in Local Affairs in Earlier and Unsettled Times.

Michael Dugan, of South Main street, died early yesterday morning of appendicitis with which he had suffered since Sunday. Mr. Dugan first distinguished himself as chief of police in the early and troublous days of this city, by exceptional force of character and physical strength.

The career of Michael Dugan had been a noteworthy one. He came to this country with his parents in 1848, then but three years of age. The family settled in New York city and there he remained until he had almost reached his majority.

After serving as chief of police for eight years he was appointed assistant postmaster serving in that capacity as could be desired. In all of the early progressive movements one found him a ready worker.

Surviving him is an aged mother, Mrs. Bridget Dugan, of South Main street. Though past one of the late middle-stones in life she was still able to comfort her son in his last hours.

The funeral will be held Friday morning at 9 o'clock, requiem mass at St. Rose church and interment in St. Rose cemetery.

JERMYN AND MAYFIELD.

Rev. and Mrs. Thomas Cook Given a Surprise—Sudden Death of Mrs. Thomas Bengough—Opening of the Artesian Fair Last Evening.

A few evenings ago a large number of the members and congregation of the Primitive Methodist church gathered at the parsonage. They took from the pastor and his wife their right to control the house, which they were compelled to surrender owing to over-powering numbers.

But the pastor and his wife claim that they fared best of all because they not only enjoyed the social hours but are reaping the benefit of the large amount of good things that the visitors left behind them on their departure for which they desire to express their appreciation to all concerned.

Mrs. Thomas Bengough, a well known resident of this borough, died shortly after midnight Tuesday under peculiarly sudden circumstances.

Decayed, who was thirty-two years of age, is survived by her husband and one child, her mother and several brothers and sisters.

NO EFFECT WITHOUT A CAUSE.

This is true, yet for many ages no one could account for the mysterious and excruciating pains that, seemingly without sufficient cause, tortured the hapless sufferer, and oftentimes twisted his limbs out of all semblance to humanity.

Science, however, has at length solved this problem, and has proclaimed that rheumatism, in all its varied phases, is due to uric acid in the blood.

How does this happen. It must be the blood's purifiers, the liver, and especially the kidneys, are out of order and do not properly perform their functions.

But how can they be restored to their normal healthy state? Hundreds of thousands of grateful, and now healthy, people will endorse the answer:

Use Warner's Safe Cure, which will check an excess of acid, dissolve the acid deposit, and produce a normal and healthy condition of the kidneys and liver, and then, the cause being removed, the rheumatism will quickly disappear.

every effort was made to rescue the horse from the burning building. After several unsuccessful efforts were made to enter the building, the men being driven out each time by the dense smoke and flames.
