A True Friend.

A friend in need is a friend indeed. That is exactly what Chamberlain's Cough Remedy is. It is the mother's help when she is suddenly awakened in the night by the ominous husky cough, and labored breathing, of her babe. It is the safe resort of the youth or adult when he has "caught cold" and there is coughing and irritation of the mucus membrane of the throat. It allays the irritation and cures the cold. IS CATARRH CURABLE?

Letters from Joe Wheeler, Governors, Senators and Congressmen.

PE-RU-NA, THE STANDARD CATARRH REMEDY OF THE WORLD.

Catarrh has already become a national curse. Its ravages extend from ocean to ocean. More than one-half of the people are affected by it. It has come such a serious matter that it has passed the boundaries of the medi-cal profession and become a national question. Senators are talking about it: Congressmen are discussing it; Governors are seriously considering the subject. In short, our nation is fully aroused to the importance of the subject. They are not only considering the extent and chron's nature of the disease, but the possibility of finding a national remedy to meet this na-tional calamity.

The following letters from men of national reputation gives their opinion of the value of Pe-ru-na in cases of catarrh: United States Senator Sullivan from Mississippi, writes from Wash-ington D. C.:

"I desire to say that I have been

taking Pe-ru-na for some time for catarrh, and have found it an excellent medicine, giving me more relief than anything I have ever taken." W. V. Sullivan, United States Senator from Misissippi. Dr. Hartman, President of the Hartman Sanitarium, devised the remedy, Pe-ru-na, over forty years ago, and the remedy as a catarrh cure has been

tion as a thoroughly tested, accurately scientific interneremedy for catarrh. There are practically no medicinal rivals in the field.

Hon, A. T. Goodwyn, Congressman from Alabama, in a recent letter to Dr. Hartman, from Washington, D. C.,

SLYS: "I have now used one bottle of Peru-na and am a well man today. I could feel the good effects of your medicine before I had used it a week, after suffering with catarrh for over A. T. Goodwyn,

Congressman from Alabama, Pe-ru-na is not a local application or temporary relief; it is a permanent cure. Pe-ru-na is a systemic remedy. It eradicates catarrh from the system. It cures catarrh wherever located. Its cures are radical and lasting. There-fore, Pe-ru-na is receiving the endorsement of the leading statesmen and his-tory-makers of the day. Major General Joseph Wheeler,

major General Joseph Wheeler, commanding the cavalry forces in front of Santiago and se author of "The Santiago Campaign," in regard to the great catarrh remedy, Pe-ru-na, writes from Wheeler, Ala.; "I join with Senators Sullivan Reach and McEnery in their good opinion of Pe-ru-na. It is recom-

mended to me by those who have used it as an excellent tonic and particularly effective as a cure for Gen. Joe Wheeler.

This grand old fighter is now Brig. Gen. U. S. Army in Philippines.

No wonder the American soldier is Hon. Myron H. McCord, ex-Governor a friend of Pe-ru-na, when such a of New Mexico, in a letter to Dr. renowned officer as General Wheeler Hartman, from Washington, D. C., gives Pe-ru-na his hearty endorsement. Every one connected with the army and navy can have no reasonable doubt as to the merits of the remedy. No remedy ever yet devised has received such unstinted eulogy from so many renowned statesmen and mill-

tary men as Pe-ru-na. Hon. P. B. S. Pinchback, ex-Governor of Louisiana, regarding the merits of Pe-ru-na, writes from Washington,

"I heartily concur with Senator McEnery, of my state, in recom-mending Pe-ru-na. It has been commended to me by persons who have used it as a fine tonic, and especially good for the too common complaint of catarrh." P. B. S. Pinchback, Ex-Governor of Louisiann

Pe-ru-na is a systemic catarrh remedy. It meets the enemy in its strong-hold, within the system. Gentle and persistently it eradicates the disease from the system. Pe-ru-na is the only systemic catarrh remedy yet devised which cures catarrh. Up to date there has been no other remedy that will, in any degree, take the place of Pe-ru-na. Hon. 11. G. Worthington, congress-man from Nevada, and ex-Minister to Argentine Republic, says in a letter written to Dr. Hartman from Washington, D. C .:

"Allow me to express my gratitude to you for the benefit derived from your remedies. I have taken one bottle of Pe-ru-na and it has benefited immensely a case of catarrh of some menths standing."

H. G. .. orthipgton. Congressman from Nevada.

Whatever form the catarrh may have assumed; whatever symptoms it may have produced; whatever damage it has accomplished. Pe-ru-na is the only hope, the only cure. Pe-ru-na cures all cases of chronic catarrh promptly and permanently. There need be no failures.

Hon. Judson W. Lyons, Register of

the United States Treasury, in a letter from Washington, D. C., says: "I find re-ru-na to be an excellent remedy for the oatarrhal affections of spring and summer, and those who suffer from depression from the heat of the summer will find no remedy

in regard | the equal of Pe-ru-na." Judson W. Lyons, Register of U. S. Treasury. No man is better known in the financial world than Judson W. Lyons, His name on every piece of paper money of recent date makes his signature one of the most familiar ones in the United States. Hon. Lyons' address is Augusta, Ga. He is a member of the

National Republican Committee, and

on November 21, 1859, from Mt. Morris,

a prominent and influential

"At the suggestion of a friend I was advised to use Pe-ru-na for catarrh, and after using one bottle I began to feel better in every way. It helped me in many respects. I was troubled with colds, coughs, sere throat, etc., but as soon as I had taken your medicine I began to improve and soon got well. I take pleasure in recommending your great remedy to all who are afflicted with catarrh." M. H. McCord,

Ex-Governor of New Mexico.

It is only a question of time and persistence that the cure of nearly every case of catarrh can be effected. Pe-ru-na taken without interruption long enough will remove every symptom, when the cure can be relied on as being permanent. It is advisable for old catarrh cases to correspond with Dr. Hartman during the course of their treatment, as he is often able to suggest some detail of great worth to the patient. All letters are answered free of charge, and multitudes are finding a cure in this way who have failed to get relief elsewhere. Hon, Dan. A. Grosvenor, Deputy Auditor for the War Department, in a Deputy letter written from Washington, D. C.,

"Allow me to express my gratitude to you for the benefit derived from one bottle of Pe-ru-na. One week has brought wonderful changes and I am now as well as ever. Besides being one of the very best spring tonics it is an excellent catarrh remedy." Dan. A. Grosvenor,

Deputy Auditor for War Department. Mrs. Arthur L. Hamilton, wife of Colonel Hamilton, of the Seventh Reg-iment, Ohio Volunteer Infantry, and whose residence is at 259 Goodala street, Columbus O., writes the following about Pe-ru-na, Dr. Hartman's scientific remedy for catarrh:

"I can bear testimony as to the merits of your remedy, Pe-ru-na. I have been taking the same for some time, and am enjoying better health than I have for some years. I attribute the change to Pe-ru-na, and recommend Pe-ru-na to every woman, believing it to be especially benficial

Mrs. Col. Hamilton.

Dr. Hartman is publishing a book ontaining several hundred testimonials with portraits. The testimonials in this book cover a variety of ailments, and are all given in the words of the writer. This book, which is entitled "Facts and Faces," will be sent free to any address by The Fe-ru-na Medicine Co., Columbus, Ohio
