Do you know this piano? It is the best of all piano. No other can surpass it either in the quality of tone or the workmanship.

QUINN GAVE EXHIBITION.—Displayed His Knowledge of the Methods of Gamblers in the Y. M. C. A. Rooms.

In the headquarters of the Young Men's Christian association yesterday afternoon, John P. Quinn gave a talk on gambling and incidentally exposed the practical illustrations of the way people are deceived and swindled by professional card players.

After the opening prayer by Rev. Mr. Pierce, Mr. Quinn expressed his desire to start a crusade to blot out all the gambling dens of this city.

One of the laymen present, volunteered his services, and Mr. Quinn then dealt several hands, and on every occasion knew what his opponent held, almost before the latter did himself.

After the exposure the ministers considered whether or not they should collaborate with Quinn and take active measures to drive the gamblers out of the city.

We, the undersigned pastors of Scranton churches and Christian workers, having heard John P. Quinn, examined his credentials and his methods of exposing the nature of gambling, hereby heartily endorse him and his work, and request the Young Men's Christian association to arrange a public meeting for Sunday afternoon, November 15, at 5:30 o'clock.
