

EVENTS OF DAY IN WEST SCRANTON

POLITICAL STATUS IN FOURTH AND FIFTEENTH WARDS.

Large List of Candidates Mentioned for the Offices of Select and Common Council and School Controller. Board of Trade Meeting Was Postponed on Account of the Weather. Paddy from the Patch Had a One-Sided Jag—Electric City Wheelmen Pleasantly Entertained.

With the closing of the county campaign just ended, the attention of the voters is directed to the filling of the various vacancies which will occur in the select and common council and the school board at the coming February election. Much interest is manifested in the selection of candidates to fill the offices in the West Scranton wards, and from present indications there will be a lively fight among the various aspirants.

In the fifteenth ward, ex-Common Councilman Joseph Oliver will be a candidate for select council to succeed the present incumbent, Horatio T. Fellows, who will also seek a re-nomination, and in addition to the above-named candidates ex-Patrolman Thomas V. Lewis and T. Jefferson Reynolds are mentioned.

For common council in the Fourth ward, William V. Griffith is seeking a second term, and will be opposed by William Parry, of North Hyde Park avenue, a brother of Patrolman David Parry.

The fight for the vacancy in the school board to fill the place at present occupied by Benjamin Williams, who by virtue of Benson Davis' resignation, succeeds to the position, will be an interesting one. Already a half-dozen candidates are mentioned, and all are capable of filling the bill. Mr. Williams desires to succeed himself, and A. B. Eynon, cashier of the West Side bank; Thomas E. Price, the newsdealer and barber; David Jenkins, the delinquent tax collector; David Evans, C. B. Fitcher and W. H. Roe are also mentioned.

In all probability the fight for the Republican nomination will be between Messrs. Eynon and Price, who have already announced themselves, and both have staunch supporters in the ward.

BOARD DID NOT MEET.

The regular monthly meeting of the West Side board of trade was scheduled for last evening, but owing to the inclemency of the weather a quorum was not present. President Daniels, Secretary Oliver, A. B. Holmes, H. D. Jones, T. H. Jones and the reporters were at the rooms, but after a reasonable length of time, the meeting was postponed.

work by the board of trade, but interest is lacking in the enterprise. Many well-known men are included in the membership, but they do not seem to pay much attention to the promotion of industries in West Scranton.

ONLY ONE PRISONER.

The only prisoner that occupied a cell in the police station last night was "Paddy, from the Patch," a familiar character around town. Paddy started out early in the day to load up and by night had on board what is known as a "one-sided jag." He sauntered along Main avenue with his load which nearly over-balanced him, and when he reached Jackson street, he could not proceed any further. The jail bore Paddy down on the right side so much that he toppled over the curb, and there he lay until picked up by an onlooker. It was impossible for him to walk, and so he was assisted to Lieutenant Williams' quarters, where he spent the night on a comfortable cot, instead of reeling about in the snow and sleet.

ELECTRIC CITY WHEELMEN.

The members of the Electric City Wheelmen had an enjoyable meeting last evening at the club home on Jackson street. A business session was held, during which E. G. Peters told of his trip to Joplin, Missouri, where he is interested in a zinc mine, and Dr. E. Y. Harrison and Arthur Stover were elected to membership. After the meeting the boys were treated to a lunch of cake, cream and coffee, provided by Mrs. P. F. Strupp, Mrs. Guy Ralph and Mrs. J. W. Bunnell.

The second monthly members social in the winter series will occur tomorrow evening.

Last evening the Rev. Dr. Simpson, pastor of the Asbury Methodist Episcopal church, gave a most interesting lecture on "Life in the Highlands of Scotland," in the Court Street Methodist Episcopal church. Despite the inclemency of the weather, the church was well filled with an appreciative audience, all of whom seemed to enjoy the lecture most thoroughly. Mr. Simpson dwelt on the manners, religion and the general life of a Scotchman in the Highlands. He delivered the lecture in an especially pleasing manner, and the slight touch of the Scotch burr in his speech added greatly to the general effect.

JAPANESE POLICE ETIQUETTE. Rules of Department for Their Inter-course with Foreigners. From the New York Sun.

Chief Inspector of Police Ikigami Shiro, of Hogo Ken, Japan, takes a fatherly as well as a disciplinary interest in the force under his command.

He wishes the men to win the respect of foreigners by conforming to the strangers, ideas where circumstances permit. He has given instructions to the commanding officers of stations of the subject and some of them have been translated into English: The chief inspector tells his officers and men that they should not make calls on a foreigner in the early morning, at noon times or late at night if they can help it. At any rate they should pay good attention to their clothing prior to the call, and they should never call out for admittance

Backache

Weariness, ceaseless backache. Dull, exhausting and constant pain. No comfort by day. No rest at night. Aches in the small of the back, pain low down in the side. No spirit for any task, no hope for relief. Great numbers of women are not free from backache from one year's end to another. Among Mrs. Pinkham's victories there is none more complete than that over backache, and the evidence of thousands of women prove that she is its conqueror.

Mrs. C. Klensk, of Wells, Minn. (Box 151), writes: "DEAR MRS. PINKHAM—I suffered for years with a long list of troubles, and I want to thank you for my complete recovery. Lydia E. Pinkham's Vegetable Compound is a wonderful medicine for women."

"I had severe female complaints, causing terrible backache and nervous prostration; was dizzy most of the time, had headache and such a tired feeling. I now have taken seven bottles of your Compound and have also used the Sanative Wash and feel like a new woman. I must say I never had anything help me so much. I have better health than I ever had in my life. I sleep well at night, and can work all day without feeling tired. I give Lydia E. Pinkham's Vegetable Compound all the credit, for I know it has cured me of all my troubles. I would not do without your remedies for anything."

When a woman has severe backache she has some serious trouble that will sooner or later declare itself.

Mrs. E. Furton, of Meade, Mich., found that her backache was caused by a tumor, which three bottles of Lydia E. Pinkham's Vegetable Compound expelled. This is Mrs. Furton's letter:

"DEAR MRS. PINKHAM—Two years ago I was troubled with constant backache and headache, and was very nervous. I resolved to try your medicine and took two bottles of Lydia E. Pinkham's Vegetable Compound and on taking the third a tumor was expelled. I was a little frightened and sent for the doctor; and he said that it was fortunate for me that it came away. I got quite well after that and have your Compound alone to thank for my recovery."

The safe way to guard against trouble is to get Mrs. Pinkham's advice when the backache first appears. A letter to her at Lynn, Mass., describing your case fully will receive a prompt reply without charge.

"Your Medicine is a Friend to Women."

"DEAR MRS. PINKHAM—I wish to tell you the great good your medicine has done me. I do not feel like the same woman. I have suffered terribly. Had womb and kidney trouble, leucorrhoea, very severe pains in hips and sides of abdomen, headache, was nervous, menses were irregular. I have now taken four bottles of your Vegetable Compound, and the backache has left me, menses are regular, can sleep well, and awake in the morning feeling much rested. Your medicine is indeed a friend to women. I wish that I could tell every woman what a wonderful medicine it is. I cannot praise it enough."—Mrs. Anna J. Fenstermaker Pine Summit, Pa.

to a house but should use the bell or gong provided, or if there is neither, then knock with their fingers, and before entering the house they are enjoined to clean their feet. They must not carry a cigar into the house nor take a seat until asked to do so, they are informed, and "when you call on a foreigner in private clothing take off your hat and overcoat outside the room and leave them in the proper place. The former is, however, sometimes carried into the room."

Some of Ikigami Shiro's directions as to conduct might be pressed upon the uniformed forces in the foreigners' countries. "Dress your hair and beard always," he says; "dirty clothing and an unkempt head are an insult in civilized countries." "Cut the finger nails properly and keep them clean. Keep your boots clean and your handkerchiefs clean. Don't spit in or out of the room; never smoke in presence of a lady; it is a gross insult to put out your hand to a lady before she does. Greetings to a foreigner are conveyed by a slight bow; don't shake hands with them if you are not invited to do so."
