GAME WARDENS AWAKE.

They Interfere with the Business of a Gang of Pot Hunters. Special to the Scrauton Tribune.

Towanda, Nov. 16 .-- A party of hunters from Mt. Vernon, N. Y., have just recently spent a couple of weeks hunting for game in the woods of Southeastern Bradford and made it their headquarters at Stevensville, on the Wyalusing creek. The party had twenty-one dogs and that they were successful is assured by the fact that they made two shipments which reached New York without any apprehension. The third shipment proved to be their undoing, as Game Warden Kalbus, of Wilkes-Barre, put a sud-den halt to it when it reached Mauca Chunk. Dr. Kalbus telegraphed to D. Craig, esq., requesting him to issue a warrant and have a constable meet the Lehigh Valley No. 12 train, as the game warden wanted to examine a box and four trunks sent from Laceywhen they reached Mauch Chunk.

A search warrant was issued by 'Squire J. J. Boyle and placed in the hands of Constable Kishe, who met the train and, with the game warden, examined the box and trunks, and in one of them found forty-five pheasants, nineteen quail, twenty squirrels, seven rabbits and one woodcock. The trunk containing the game was taken to the justice's office and the game disposed of according to an act of as-sembly passed June 4, 1897, which provides that such game be given away. This was done and an action brought, attachment issued and a bond filed for the penalty, as provided by the act of assembly. The fine is not less than \$500, nor more than \$100, for each offense of this kind and an imprisonment in the county fail of one day for every dollar of penalty imposed.

STROUDSBURG SHOCKED.

Two Members of the Apollo Quartette Sing in Gray Trousers.

Special to The Scranton Tribune. Stroudsburg, Nov. 17 .- Society people were shocked last evening and it may be many days before things settle down to a normal state. The Apollo quartette gave a concert last evening in the court house. The house was crowded and many were unable to get seats. Prominent leaders of society were present. Two members of the quartette appeared on the platform in

common gray trousers. It was because they had no dress suits, due to the fact that while on their way here from Elmira on the Delaware, Lackawanna and Western railroad some one stole their valises which contained their dress suits, patent leather shoes and lawn ties. The men not caring to stop the entertainment, concluded to appear in borrowed coats and vests. Their grips were stolen while the men were eating in the buffet car.

NOTED WOMEN WHO USE PERUNA.

Miss Jennie Johnson, Vice Fresident a remedy for catarrh of the head and throat, it is, I believe, without an equal, teacher in the Healy school, of Chicago, writes the following from 3118 Lake Park avenue, Chicago: "During the past ten years I have been a teacher in Chicago and have often found myself worn out and in need of tonic. Among the different remedies I have tried, none have helped me more than Peru-na. I find it especially helpful in cases of catarrh of the stomach; it restores the functions of nature, induces sleep and builds up the entire system. It has not only been a help to me, but several of my friends who were teachers and who have used it, speak very highly of the recuperative qualities of Pe-ru-na. I therefore gladly give it my hearty endorsement.

Mrs. Summerfield Williams of Columbia, Tenn., writes: "I was troubled with female weakness and suffered intensely. I saw an advertisement of Pe-ru-na and decided to take it. It cured me and I believe I would not be living today if it had not been for Peu-na. I intend to continue taking it or I believe I owe my life to Pe-ru-na."

Mrs. McKee Rankin, who recently appeared in the first New York presentation of Herman Hyerman's "The Ghetto," is an ardent friend of he national catarrh remedy, Pe-ru-na. In speaking of its merits in a letter written from New York City, she says: No singer should be without a bottle of Pe-ru-na in reserve. The inventor deserves the thanks of all to whom a
