GAME SHIPPER ARRESTED.

Patrick S. Kane, of Forest Lake, before a Justice of the Peace.

Special to the Scranton Tribune.

Montrose, Nov. 30.—A warrant was issued on Tuesday at the instigation of La Grange Griffin, charging Patrick S. Kane, a prominent farmer, living near Forest Lake, with unlawfully shipping game outside of the state. The case was called before Squire Courtright, Wednesday afternoon, and after hearing the evidence of a few witnesses the case was adjourned until Friday. It is alleged that Mr. Kane sent his young nephew to Montrose to ship a box which the express company, it appears, refused to accept, so the young man drives to the narrow gauge depot and requests a ship by freight a box of young pigs. In some way information leaked out that the box did not contain pigs, so Griffin informed Constable Chapman, who at once went to the narrow gauge depot and upon opening the box, found it contained sixty-three partridges, sixteen rabbits and two squirrels. The case will be looked forward to with a great deal of interest among our local sportsmen.

MONEY IN CORNSTALKS.

Cause for Happiness on Part of the Monroe Farmer.

Special to the Scranton Tribune.

Stroudsburg, Nov. 30.—Some years ago the Monroe county farmer considered the value of his corn crop practically concluded with the husking of the corn. What was left was worth, perhaps, sixty cents an acre as fodder, rather than that figure than over it, as a rule. Science, ever busily seeking uses for by-products, sought to make sugar and alcohol from the stalk of the corn, but unavailingly.

Now, however, experiments along different lines have established the value of the by-products of the corn crop as probably second to no agricultural product of a similar nature grown in this country, and has almost, if not quite, doubled the receipts of the corn growers, as the stalk is made practically as valuable as the grain. There is now a home market where the farmer can get from \$3 to \$5 a ton for cornstalks; that is, from \$5 to \$12 an acre for what has hitherto brought him in sixty cents at best.

VILLA NOVA BESTS ST. THOMAS BOYS

ONLY ONE TOUCHDOWN MADE DURING THE WHOLE GAME.

Bagley, the clever left halfback of the Visiting Team, Carries the Ball Over in the Last Half After a Series of Hard Rushes—Game Was Hard Played from Start to Finish. Three Scranton Lads on the Villa Nova Team Distinguished Themselves—Fifteen Hundred Persons Attend.

An ideal day for a football game was yesterday and as a result at 3 o'clock a huge crowd thronged Athletic park, to see the big Thanksgiving game between Villa Nova college and the strong St. Thomas eleven. Fully 1,500 persons were present. The crowd was well kept in hand by a number of policemen present, and it was only towards the end of the game that the spectators thronged on the field.

The game started promptly at 3 o'clock, when left halfback, Hannuueh kicked off for St. Thomas. Cullinan caught it for Villa Nova, and was down before he could make any material gain. Villa Nova started off with a rush, Bagley and Kane being shot into the line for consecutive good gains. Bagley, the big halfback, then scored the first sensational play of the day, by taking the pigskin under his arm and dashing down the field for a good thirty yards. It looked as though he would score a touchdown, but Forbes sprinted for him and brought him to the ground by a beautiful tackle. St. Thomas now took a brace and held the Villa Nova team for four downs. They could not make much impression against the Villa Nova defense, however, and Hannuueh was forced to kick. Cullinan was downed without any gain. St. Thomas now again recovered the ball and once more kicked. The Villa Nova man who attempted to catch the oval dropped it and Dick Kirkwood, fullback, kicked off for St. Thomas. O'Horo now smashed the Villa Nova line for ten yards, and was followed by Kirkwood. The latter was given the ball and made one of the most sensational runs of the day. He skirted the Villa Nova right end, and had covered thirty yards before he was thrown heavily to the ground.

An Unlucky Brakeman.

Special to the Scranton Tribune.

Pittston, Nov. 30.—George Walker, of Upper Pittston, a brakeman on the Lehigh Valley railroad, is an unlucky individual. Within the past nine months he has been badly injured three times, and had just returned to work about three weeks ago. Last night he was on a car which was being flied into a switch at Hazle Creek Junction, and as he attempted to tighten the brake, in some manner the brake-wheel came off and Walker was precipitated to the ground. His right hand was crushed by the wheels, several teeth were knocked out and his face was painfully bruised. He was taken to the Wilkes-Barre City hospital.

Wins Elstedtdoff Prize.

Special to the Scranton Tribune.

Pittston, Nov. 30.—At the afternoon session of the elstedtdoff held in Army hall, Wilkes-Barre, today, under the auspices of the Dr. Mason Gleason club, Pittston, the young man, Edgar Probyn, a young man about 20 years of age, and a well-known baritone singer in this vicinity, won the first prize of \$50. The competing pieces were "The Song of the Walden," by Dr. Parry. The leader was presented with a handsome chair.

PITTSTON.

Special to the Scranton Tribune.

Pittston, Nov. 30.—Mrs. John Lutz, of West Pittston, who was murdered by her husband with an axe, still remains in a comatose state. Drs. Bubler and Atherton are making every effort to save the woman's life, but she stands one chance in a hundred of living. Several bones have been re-moved from the skull and also a portion of the brain. Her left side is completely paralyzed.

The condition of Lutz was somewhat improved today and he was taken to the county jail by Chief of Police Richards and County Detective Johnson this morning. The doctors say he shows no signs of insanity, but is apparently suffering from an unmanageable temper, which is easily aroused when he has been drinking.

When taken from the house this morning Lutz begged to be allowed to see his wife before she died. He cried like a child several times when spoken to about the crime. Today he doesn't deny he committed the deed, but says that during Tuesday something seemed to tell him to do it.

McGOVERN DEFEATS SPRAGUE.

Disposes of His Man in One Minute in the Second Round.

Hartford, Conn., Nov. 30.—Terry McGovern, champion weight of the world, made short work of Meddy Sprague of St. Louis, this afternoon at the Outum Athletic club, disabling him in less than one minute in the second round. He practically disposed of his man in the first round when after a fierce exchange of blows McGovern landed a heavy blow on Sprague's solar plexus that laid him on the floor.

Sprague went down three times in the first round, slipping once and remaining down another time until eight seconds were called off. For the remainder of the round he managed to keep away from McGovern. Sprague landed two hard blows on McGovern, one of them on the jaw, which staggered Terry.

In the second round McGovern sailed into the ring with a vigor that surprised Sprague. The latter finally went down and remained on the floor until counted out. He had to be assisted to his corner.

He Rigged Up a Breach Cloth, but Felt Very Chilly.

Altoona, Pa., Nov. 30.—On his way home last night, after calling on a young woman, James Staley was held up on Juniata Hill by three men, who flourished revolvers.

They compelled him to strip of his best clothes, and left him but a single garment. This he adapted as a breach-cloth, and shiveringly made his way to the house of a friend, half a mile distant.

FOOT BALL GAMES OF YESTERDAY

condition and tore through the Columbia line and skirted the ends at will. The Indians scored 23 in the first half and 23 in the second half. At least eight times the Carlisle backs got around the end for runs for from thirty to sixty yards. Most of these runs were made by Seneca and Miller. Weeks stopped most of them by beautiful tackles, but on one occasion he was dragged over the line by main strength. On almost every kick the Carlisle backs ran the ball back about twenty yards and twice the catcher got back sixty yards. Metoxen plunged through the line frequently for ten-yard gains.

Columbia held the Indians for downs but three or four times during the entire game. The line-up was as follows:

Carlisle	Columbia
Left tackle	Wheeler (capt.)
Left guard	Hodwater
Center	Smith
Right guard	Wagon
Right tackle	Pierce
Left end	Hudson
Quarter back	Roberts
Right half	Seneca
Left half	Miller, Johnson
Fullback	Metoxen
Touchdown	Seneca, Miller, J. Metoxen, J. Johnson, J. Rogers, J. Goals from touchdowns—Wheeler, 5. Goal from field—Hudson, 1. Goals—Washington of Harvard, 1; Empire—Hiram of Princeton, 1. Time of halves—Thirty-five minutes each.

Chicago and Brown.

Chicago, Nov. 30.—The University of Chicago finished her triumphful series today by defeating Brown by a score of 17 to 6. Only twice in the game did Brown menace the Maroon goal and each time Chicago braced with fine spirit and saved her goal from the rushes of the Rhode Islanders. From center to end the Maroons outpointed Brown and gave an exhibition of consistent defense, which she has seldom surpassed. Chicago obtained her 17 in the first half, and Brown got her score in the second half. At no time was Brown able to score through the line, while Chicago found large holes at will and sent her fast backs around the visitors' ends for spectacular runs. Back of the line Richardson proved a jewel for Brown and made the only score for the visitors. In the return of punts both kicking and running he showed himself to be one of the cleverest backs in the country. Hapgood also played a brilliant game for Brown and almost scored singlehanded before Chicago rallied with her back to the goal post.

With defeat staring her in the face Brown made a grand rally in the second half and succeeded in gaining strength as the game progressed. When darkness intervened she had scored and was charging into Chicago's line with force long rushes that showed her spirit was not broken. The line-up was as follows:

Brown	Chicago
Left end	Bartlett
Left tackle	Hapgood
Left guard	Whittemore
Center	Chesing
Right guard	Metely
Right tackle	Shoehan
Right end	Slocum
Quarter back	Pratt
Left half	Washington
Right half	Richardson
Fullback	Baies

Wisconsin-Michigan.

Chicago, Nov. 30.—Before what was probably the largest crowd that ever gathered to witness a foot ball game in the west the Michigan team from the University of Wisconsin defeated the University of Michigan eleven on the National league ball grounds this morning. Probably 25,000 persons saw the game. The mighty right leg of Pat O'Dea, the Wisconsin captain, and full back, was a big factor in the one-sided score of 17 to 5, as he was responsible for ten of the points scored by his team. Once he lifted the ball cleanly between the goal posts from the 35-yard line and once his punt went so far that McLean misjudged it and fumbling, gave Hyman a chance to fall on the pikekin behind Michigan's goal posts, which he did. The other touchdown by Wisconsin was made on clear hard foot ball in the second half, the light but active line men from Wisconsin opening holes in the Michigan forwards, through which Fred Larson, center, and Blair plunged for big gains. The defensive work of the Wisconsin eleven was remarkable and time and again Sweetly and Keena were forced to punt.

Michigan's only touchdown was made by McLean in the second half after a beautiful run of forty-five yards, in which the fleetfooted Michigan man cleared his field without difficulty.

to be cut away, and the graphite heated over a light to soften it, after which it was drawn to a point with the fingers. In 1795 Comte, a Frenchman, came on the idea of using pulverized graphite and binding clay. This discovery resulted in pencils of varying hardness, according to the amount of binding clay added, and each pencil was of exactly the same hardness throughout its length. Soon after this discovery improvements followed in mixing, rolling and shaping the graphite composition, which was cut into lengths, placed in a warm oven to harden, and finally encased in wood, as seen today.
