LOWER WATER RATES.

Select Council Considers Ordinance Bequiring Old Rates.

Select council met in regular session last evening and the most startling thing done was the introduction of an ordinance by G. F. Swigert requiring a reduction of the water rates of the Consolidated Water Supply company. dav The rental is fixed practically the same as that charged by the old Crystal Lake company and about half that charged by the corporation now in control.

The franchise ordinance of the Carbondale Telephone company [assed first and second readings.

JUDGE RHONE'S OPINION.

The water committee has received the opinion of Judge Rhone as to the possibilities of municipal water. It vill not be made public until some time next week, when the opera house will be rented and Judge Rhone will be present to answer questions on the subject. All interested in municipal Bergan, who was present, asked if the ownership will be invited to attend this meeting. It is known that the opinion is favorable, though what plan is recommended cannot now be said.

CYCLE CLUB WILL MOVE.

The Carbondale Cycle club met last evening and decided to move from the Watt house on Lincoln avenue, recently damaged by fire, to the VanBerben residence on North Church street. The organization will see that Mr. loses nothing, according to the Watt terms of the lease. The insurance allowed the club is \$468 instead of \$268, as stated.

Tho Shea Company.

At the Academy of Music last night the largest crowd seen in that popular playhouse in years was present at the opening of the engagement of Thomas E. Shea and his company. The bill selected for the opening night was "The Man-o'-War's Man," and the way it pleased the audience was demonstrated by the howls of delight from the gallery that mingled with the vigorous hand-clapping in the pit.

"The Man-o'-War's Man" is a patri-BO otic American war drama, the central figure of which is Captain Jack Conway of the United States cruiser New Orleans. This is the role that Mr. Shea essays and he made a great success of it last night. Mr. Shea is a very ver-

The play was very handsomely staged. It will be repeated this afternoon, and tonight the company will be seen in "Dr. Jekyll and Mr. Hyde."

Rose Sydell's London Belles.

The strong feature of the Rose Sydell's London Belles company, which opened a three days' engagement a the Galety yesterday afternoon is the acrobatic work of the four Nelson sisters. Nothing superior to it has ever been seen in this city and it is very much to be doubted if they have even been equalled here. Other features of the olio are Hilton Brothers, jugglers; Shepp and Lee, comedians; O'Rourke and Burnette, buck and wing dancers; Shattuck and Bernard, sketch artists. The performance opens with a skit, "Cafe de'la Amerique." and closes with a burlesque, "The Snapper," which is seasoned with tobasco sauce. The company will be at the Galety today and tomorrow afternoons and even ings.

"Courted Into Court."

The Lyceum theater this evening will be devoted to the merriest of farces, "Courted Into Court," from the pen of that most successful writer of farces, John J. McNally, and given by those clever vaudeville stars, Clifford and Huth, surrounded by an an exceptional company of farceurs. Deafness Cannot Be Cured

Deafness Cannot Be Cured by local applications as they cannot reach the diseased portion of the car. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the muccus lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed.
