GREAT BOWLING CONTEST.

Scranton Elks and Scranton Bicycle
Club Struggle for Supremacy.
The bowling teams representing the
Scranton Elks and the Bicycle club
played the third game of their series
last night on the former's alley.

The game was the largest-scored one
ever played in the city, for six men on
a side. On neither part was there a
time when the total score was below
900, while in the second match the Elks
broke all their previous records, and
for the first time in the history of their
bowling club scored over 1,000, making
1,034, while in the last game the bicycle
club scored 994. The high men were
originally of the Bicycle club and
were as follows: Roper, 199; Captain
Wardell, 197; Worden, 196. The Elks'
champion was Captain Charles Fowler,
with 194. The highest individual aver-
age for the Bicycle club was made by
Worden, 181, while Fowler again led
the Elks with 177. The Bicycle club
men felt highly elated over their fine
work on their opponents' alley, and are
looking forward to the games in the
near future when they will meet at the
Bicycle club. The evening's scores
were as follows:

PROSPERITY AT NIAGARA FALLS
Niagara Falls Is Having a Wonder-
ful Growth and Development.
The Niagara Falls Power company
will at once duplicate its great plant
here, and we have no doubt you fully
appreciate the significance of this an-
nouncement. It is beyond question the
most momentous stroke in our city's
development.

This prodigious enterprise has been
fostered here by the shrewdest capital-
ists in our country proven successful,
but has gone so far beyond their expec-
tations that before the completion of
their first great plant, which has cost
them more than seven million dollars,
they so forcibly realize the great possi-
bilities of this unique situation that
they are going right ahead with a sec-
ond development which will be an exact
duplication of the plant which now
stands as the wonder of the world, and
justly claimed to be the greatest
achievement of the nineteenth cen-
tury, as well as fixing this as the loca-
tion of the coming greatest manufac-
turing city on the American continent.

Such a prospect is more than suffi-
cient to satisfy us that our fondest
hopes as to the growth and develop-
ment of this city will be abundantly
realized and we could without doubt
find all the assurance necessary in the
most potent factor of industrial devel-
opment, but we rightly have reason to
doubly rejoice in the enjoyment of
equal importance, and the two combin-
ing to make Niagara a cynosure for all
manufacturing enterprises in the fu-
ture.

Indeed, the outlook however bright
it has been in the past, is now much
brighter than at any time since our de-
velopments began and we do not hesi-
tate to say there is no place on this
continent that can hope to have the
increase percentage of growth that Ni-
agara Falls will enjoy in the next five
years.

In speaking of our great future we
are not unmindful of the growth and
development we are enjoying today
for we have in course of construction
at this time four of the largest indus-
tries that have ever been erected here,
and which will be completed and give
employment before the end of the year
to twelve hundred men, which will add
at least five or six thousand to our
rapidly increasing population, we also
have many other factories negotiating,
in fact we are informed the power com-
pany will at times more than appli-
cation today for power than at any
time in the past.

You know it is their policy never to
announce a new factory until it actu-
ally begins building, but we know
some of the largest yet to come to Ni-
agara are just about to close a deal
for power and you may look for plenty
of good news along that line in the
near future.—Niagara Falls Gazette.

A MAMMOTH STORE.
J. D. Williams & Bro. Are Now Occu-
pying Their Handsome New Store.
Four Floors and Basement of Large
Double Building Filled with Choice
Confections and Handsome Toys.

One of the finest and largest confec-
tionary and toy stores in the country
today is that of J. D. Williams &
Brother, who opened their new store in
the recently erected Herwood build-
ing, No. 312-314 Lackawanna avenue,
yesterday.

The basement of the new building,
as well as that of Nos. 316 and 318, is
devoted to the wholesale department.
Upon the first or ground floor is lo-
cated the general retail department,
the proceeds of which are devoted to the
purchase of the most elegant features
of this department being a handsome
large soda fountain on the left of the
center. The remainder of this floor
is divided up between confectionery of
every description and toys in endless
variety. The second and third floors
are devoted exclusively to toys. The
stock being of such abundance that
the entire space of these two floors
are taxed to capacity. The fourth
floor is used for a stock room, and
also an assembly department, where
toys are put together before going into
the retail department.

This establishment is certainly a
model one and must be visited to be
appreciated.

PARLOR SOCIAL GIVEN.
Willing Workers' Band Assembled at
Penn Avenue Baptist Parsonage.
The "Willing Workers' Missionary
band of the Penn Avenue Baptist
church held a very social last night
at the parsonage of Rev. R. F. Y.
Pierce, on Millin avenue. Mrs. Pierce
is the leader of the organization, and
takes great interest in it. Last night
various articles were disposed of, the
proceeds of which are devoted entirely
to missionary work. The affair was a
great success, over 100 persons being
present at different times.

An interesting entertainment was
also given. Miss Clara Browning ren-
dered several musical selections, and
among other interesting numbers was
the manipulating of a large phono-
graph, which was loaned for the occa-
sion by C. M. Florey.

COMMITTED TO JAIL.
Andrew Kiercash Charged with Lar-
ceny by Mayfield Merchant.
Andrew Kiercash, a young man, who
is a driver for Mendelsohn, the May-
field merchant, was yesterday com-
mitted to the county jail for larceny.
While working around the place, he
would occasionally remove articles be-
longing to the store, and therefore a
warrant was sworn out by Mendel-
sohn, the storekeeper, before Mendel-
sohn, the alderman, who is himself.

The alderman listened to the charge-
preferred and committed Kiercash to
the county jail.

WILL MAKE A HIT
WITH THE ITALIANS
IMPRESSIVE DOCUMENTS FOR
PELOZO'S EXTRADITION.

Were Received Yesterday by District
Attorney Jones and Will Be For-
warded with County Detective Ley-
shon to Italy Next Tuesday—Gov-
ernor Stone's Requisition Papers
Will Surely Stagger the Showy
Italians—Red Tape by the Yard,
Gold Seals Galore and Autographs.

Next Tuesday, County Detective
Thomas Leyshon and some one other
who has not yet been named, will start
for Italy to secure and bring back to
this county Angelo Pelozo, who is
wanted for the murder of Antonio
Spinello, at Old Forge, Sunday, Oct. 29,
last.

Mr. Leyshon will take with him a
large blue packet containing the most
imposing array of official documents
that possibly ever left this county.
They were received yesterday, through
Governor Stone, from Washington by
District Attorney John R. Jones, and
were viewed with much interest and
curiosity by those who happened in at
the district attorney's office during the
day.

The most interesting of the papers is
the warrant of the chief executive of
the United States for Pelozo's delivery
to County Detective Leyshon. It is
"From William McKinley to Thomas
Leyshon," and bears the autograph sig-
nature of both the president and Sec-
retary Hay, "great seal" of the
United States. The document and let-
ter from Secretary Hay read as fol-
lows:

SECRETARY'S LETTER.
Department of State,
Washington, Dec. 6, 1899.
John R. Jones, Esquire,
District Attorney, Scranton, Penna.

Sir: In compliance with the request
contained in the letter of the secretary
of the commonwealth of Pennsylvania,
dated the 5th inst., I forward the pres-
ident's warrant authorizing Mr. Thomas
Leyshon to receive from the government
of Italy Angelo Pelozo, charged with
murder in Pennsylvania, also the evi-
dence certified by that department.

If the certificate of the Italian em-
bassy at this capital should not be ob-
tained by the department, Mr. Leyshon
should ask the United States ambassador
at Rome to authenticate the department's
seal.

The ambassador has been instructed
to request Pelozo's extradition, and Mr.
Leyshon should proceed to the embassy
as soon as he reaches Rome. I am, sir,
Your obedient servant,
John Hay,
Enclosures: President's warrant,
Certified evidence.

William McKinley, President of the
United States of America,
To Thomas Leyshon.
Whereas, it appears by information in
due form by me received, that Angelo
Pelozo, charged with the crime of mur-
der, is a fugitive from the justice of the
United States, supposed to have taken
refuge in Italy;

And whereas, application has been
made to the authorities of Italy for the
extradition of said fugitive, in compli-
ance with existing treaty stipulations be-
tween the United States of America and
Italy;

And whereas, it is understood that, in
compliance with such application, the
necessary warrant is ready to be issued
by the authorities aforesaid for the deliv-
ery of the above-named fugitive into
the custody of such person or persons
as may be duly authorized to receive the
said fugitive and bring him back to the
United States for trial;

Now, therefore, you are hereby author-
ized and empowered, in virtue of the stipu-
lations aforesaid, and in execution
thereof to receive the said Angelo Pelozo
as aforesaid, and to hold him in your
custody, and to conduct him from
such place of delivery in Italy by the
most direct and convenient means of
transportation, to and into the United
States; and you are to sign and deliver
to the proper authorities of the
state of Pennsylvania.

For all of which things presents shall
be your faithful warrant.

In testimony whereof I have hereunto
signed my name and caused the seal of
the United States to be affixed.
Done at the city of Washington this
5th day of December, A. D. 1899, and of
the Independence of the United States
the 32d.

By the President,
William McKinley
John Hay, Secretary of State.

THE REQUISITION PAPERS.
President McKinley's warrant is not
a marker to the requisition papers sent
by Governor Stone to the department
of state at Washington. They are the
size of a young newspaper, elaborately
engraved, embellished with coats of
arms, bound together with a yard and
a half of half-inch, satin, scarlet rib-
bon, caught up in the middle with a
huge, gold seal, signed with bold, flour-
ishing signatures and on the whole an
amazing something that will doubtless
make the Italian government stand
aghast. Attached to it is the endorse-
ment of Secretary of State Hay, also
elaborately ribboned.

Accompanying these is the corre-
spondence between Consul General de
Castro and this country concerning the
arrest and extradition, the affidavit of
Coroner Roberts that Spinello is dead;
an affidavit of Genaro Pessaro, an eye-
witness to the shooting, that it was
Pelozo who did the killing, and a state-
ment of the crime and trail of the

CONSL GENERAL'S LETTER.
Rome, Nov. 25, 1899.
Thomas Leyshon, esq.,
County Detective, Scranton, Pa.

Sir: The United States consul at Genoa
transmitted to me your telegram as fol-
lows: "Scranton, Pa. Arrest Angelo
Pelozo, passenger on Kaiser Wilhelm
Second, wanted for murder American citi-
zen, Thos. Leyshon, county detective."

As the Kaiser Wilhelm II. was to land
at Naples before going to Genoa, I im-
mediately instructed the United States
consul at that port to have Pelozo ar-
rested if found on board.

I feared that the man might have left
the ship at Gibraltar but apparently he
did not think of it, as he was discover-
ed and duly arrested, as I cabled you
yesterday as follows: "County Detective
Leyshon, Scranton, Pa. Pelozo arrested
Naples. Send instructions." Decatur,
United States consul general."

The man will be held until further
instructions are received from the United
States. I suppose that you will have
called upon the state department at
Washington for such diplomatic steps as
might be deemed necessary in the case.

I hope that it might be proved that
Pelozo is an American naturalized citi-
zen in that case he will be extradi-
ted.

I have expended in telegraphing and
cabling \$5, which kindly remit. I am, sir,
Your obedient servant,
Hector de Castro,
Consul General of the United States of
America at Rome, Italy.

P. S. I note the contents of your tele-
gram, and in reply to inform you that
received; hold prisoner; officer will start
as soon as possible with extradition
papers. Thomas Leyshon.

District Attorney Jones has had no
end of applications for the job of help-
ing County Detective Leyshon bring
back Pelozo. He said yesterday that
he has fixed upon the man, but was not
ready to announce it as yet.

NEW SHOPLAND BUILDING.
It Is a Distinct Ornament to Lack-
awanna Avenue.
Last April the block on the southern
side of Lackawanna avenue, between
Penn and Wyoming avenues, was vis-
ited by a disastrous fire that wiped
out several buildings. Two of the
buildings destroyed were owned by A.
H. Shopland.

The new buildings which replace the
old ones are completed and are an
ornament to the city. Their beautiful
glass fronts give to the block quite a
metropolitan effect. They are to all ap-
pearances thoroughly up-to-date, being
four stories and having all the modern
improvements. Electric passenger and
freight elevators run from the base-
ment to the fourth floor, and the latest
improved steel ceilings give an artistic
effect.

These double stories, in fact the whole
building, is occupied by J. D. Williams
& Bro., and will be known as the Shop-
land building. Next to them the beau-
tiful new building owned by John H.
Ladwig has been erected.

PREPARING FOR THE CENSUS.
One Hundred and Sixty Assistant
Enumerators Needed.
One hundred and sixty assistants will
be required to take the census in the
district comprising Lackawanna, Mon-
roe and Pike counties, according to the
apportionment just completed by Cen-
sus Supervisor John R. Edwards and
forwarded yesterday to the census
bureau.

Of these sub-districts one hundred
and ten are in Lackawanna county,
thirty-five in Monroe and fifteen in
Pike. Each election district in the
 populous wards of Scranton will con-
stitute a census sub-district and each
will have a separate enumerator.

In the populous centers of the city it
is arranged that there shall be sev-
eral enumerators for every 2,000 inhabitants.
In sparsely settled territory, the num-
ber of men to count is much less.
Lehigh, Gouldsboro and Covington, for
instance, are grouped in one district.

ORDINANCE TO BE ENFORCED.
City Engineer Phillips to See That
Houses Are Numbered.
City Engineer Phillips is devoting all
of his spare time to a comprehensive
re-arrangement of the street numbers
on a number of the various thorough-
fares of the city where an improper ar-
rangement is in force now.

The record of unnumbered houses
made by the letter carriers will also
be used by the city engineer and prop-
erty owners will be notified by mail of
the ordinance requiring that all build-
ings be numbered. An attempt
has never been made before to
thoroughly enforce this ordinance, and
Mr. Phillips' endeavor in this direction
will be watched with interest.

Call for a Primary Election.
The Republican voters of the Six-
teenth ward of the city of Scranton
will please take notice that, by order
of the vigilance committee of the first
and second districts of said ward,
there will be a primary election held
in said districts of said ward, on
Saturday, December 16, between the
hours of 4 and 7 p. m., for the purpose
of placing in nomination Republican
candidates for the following offices:
One candidate for the office of com-
mon council; one candidate for the of-
fice of school controller, and one as-
sessor of voters in each of the said
districts.

THREE MEN CAUGHT
BY FALLING ROOF
FATHER AND SON PROBABLY
FATALLY INJURED.

Peter and William Fitzsimmons and
Thomas Brennan, Employees of the
Grassy Island Colliery Near Olyp-
phant, Are Caught Beneath a Cave-
in While Working on the Night
Shift—The Fitzsimmonses Are So
Badly Injured That Their Recov-
ery Is Doubtful.

Three men were caught beneath a
fall of rock at the Grassy Island col-
liery of the Delaware and Hudson
company, near Olyphant, last night,
and two of them were so seriously in-
jured that it is feared they can not
recover.

These two are Peter Fitzsimmons,
aged 60, a miner, and his son, William
Fitzsimmons, aged 38, his laborer. The
third man is Thomas Brennan, aged
32, also a laborer.

They were working on the night
shift and had just fired their first hole
when the fall occurred. The Fitzsim-
monses were caught squarely beneath
the fall and badly crushed. There is
scarcely a portion of their bodies left
what sustained some injury, and it is
feared they received internal hurts
which will prove fatal.

Brennan was caught by the edge of
the fall and escaped with nothing
more serious than painful bruises.
The injured men were dug out by a
rescuing force summoned by Brennan,
who was able to make his way to an
adjoining working, and were taken to
their homes in Grassy Island.

The younger Fitzsimmons was the
most severely injured, and his death
was expected at any moment. At
midnight, however, he was still alive.
He is unmarried and lived with his
father.

The elder Fitzsimmons has a wife,
two sons and three daughters. The
chamber in which the accident oc-
curred was strange to him, as it was
his brother's regular place, and he and
his son went in to it last night for
the first time to make a shift in his
brother's stead.

The presentation at St. Thomas' hall
will be exactly the same in all re-
spects as was given by this same com-
pany of artists in Daly's New York
theater, following the famous Stoddard
Lenten lectures.

The history of the great Passion
play is familiar to a large number of
people. It is presented once every ten
years as a national sacred rite in the
village of Ober-Ammergau in Bavaria,
not far from Munich, and in Aortitz,
Austria, every three years. It is what
we could call a dramatization of the
New Testament, inasmuch as it vividly
depicts the story of the life of Jesus
Christ. Thousands of people partici-
pate in the performances and the per-
sons that appear in the leading char-
acters, such as Christ, Pontius Pilate,
Judas, etc., are selected in their infancy
and trained with constant care and
attention for the impersonations.
