CHESS AT TUNKHANNOCK.

Wyoming Men Defeat the Wilkes-Barre Club. Special to The Scranton Tribune

Tunkhannock, Dec. 10.-The chess cournament between the Wilkes-Harre These club and the Tunkhannock Christ slub, which took place at the Packer nouse last Friday night, resulted in a ignal victory for the Wyoming county men. The Wilkes-Barre club tele-graphed that they would come with welve men, so preparations were made for that number. Fred Osterhout, of Factoryville, the champion from the end of the county, was notified to be on hand, and he brought James Smalley with him. All the local players were assembled to be sure that none of the visitors should be without an opponent. But, unfortunately, the visiting club could only bring seven of their players, so the rest of the crowd remained as spectators. The score was

Tunkhannock-John A. Sitter, 114: Fred Osterhout, 1; C. O. Dersheimer, 1₂; D. Billings, 1₅, 1; R. C. Herrick, 1₅, 1₅; L. Hilkowich, 2; James Smalley, 0; S. W. Eysenbach, 1; James F. Day, 2;

Wilkes-Barre-F, Wendel, 0, 1/2: F. Rippard, 0, 16; A. D. W. Smith, 16, 0; L. H. Dewitt, 16, 15; George Knoll, 0; H. Leam, 1, 0; Dr. A. D. Thomas, 0;

It was suggested that a Tri-county league be formed taking in the counties of Luzerne, Lackawanna and Wyoming: that a trophy of some sort be put up as the prize to be held by the winning club; that a tournament takes place every year. Those interested in the movement should get together. While there is a growing interest in game something may be done in this direction.

It is strange how many people start in with a cold that they have contracted during the autumn months. Such colds are dangerous, for unless cured when the weather is warm it is very difficult to get rid of them when really inclement weather appears.

Do not, if you have a cold, go through this winter and let it pull you down. A racking cough may be the means of undermining your constitution. terminating in consumption, when there will be no hope for escape. Cod-Liver Oil has always been the

greatest known specific for consumption. Naturally Cod-Liver Oil has been given for colds which are regarded by many people as the first stage of this There is no need of our telling you the drawbacks of Cod-Liver Oil: the vile, greasy mixture was so repellent that not more than one person in ten could take it. But Cod-Liver Oil did cure where it could be taken.

Now we have a cod-liver oil preparation that cures just as surely as did this vile remedy. We refer to Vinol. Anybody can take Vinol. It tastes delicious, and because it contains the active curative principles that made Cod-Liver Oil famous as the specific for consumption and other wasting dis-eases, it will be readily seen how valuable it is for all such troubles.

Here is one letter taken from many that are continually coming to our notice. Mrs. E. Cogh'an, 122 Putnam Ave., Cambridgeport, Mass., says: "Last September I contracted a

heavy cold which terminated with tonsilitis, and later the grip. All winter I had a dreadful cough, and the doctor advised me to take several things, among them Cod-Liver Oil. I tried it for several months without obtaining relief. At last I heard of Vinol and gave it a trial. Five bottles cured me and I have had no troubles since.

When we talk of Vinol, we know of what we speak, and will refund your money if you are not satisfied.

Wall Street Review.

New York, Dec. 9 .- Today's short ses-

sion of the stock exchange was a limited one, due in great part to the continued demoralization among some of the industrial stocks. The demand liquidathen manifest in sugar gave the tone to the market from the opening and soon opened a contagion of weakness all through the industrial list. Opening sales of 2,700 shares ran the price from 146 to 144%, compared with 146% last night. The stock fell to 112% before the appearance of the bank statement and the covering movement by the bears which followed the publication rallied the price to above 14t, tigether the whole market. The heavy offerings of Sugar brought out by this advance again decided the tone of the whole market and broke prices throughout the life. The broke prices throughout the list. last sale of sugar was at 1384; the lowest a not decline of 85. American Tobacco kept the leader close company and es-pecially in the dealings. It sold at 13, and on the next and last sale at 164, a net loss of 516. The steel and iron stocks continued weak, but were not so vulner-able as they had been recently, and they held the late rally better than other spe-cialties. The railroad stocks were relaively much firmer than the Industrials The extreme declines reached a point b only a few of them. The late rally brought prices of many rallroads above last night and net gains were saved for a number of them. Hears had commenc-ed to cover before the appearance of the bank statement and their buying became rather more urgent after the statement owing to the unexpectedly small loss in cash. The market closed with pressure to sell in full force again. Total sales.
