DELIGHTFUL RELIEF FROM CA-CARRIL - Here is one of a thousand such estimentals. The Rev. A. D. Buckley, if Ituffalo, says: "I wish all to know what a blessing Dr. Agnew's Catarrhal Powder is in a case of Catarrh. I was troubled with this disease for years, but the first time I used this remedy it gave most delightful relief. I now regard myself entirely cared after using it for two menths." New York, Dec. H.-A perusal of the net changer in prices of stocks as a result of the day's trading will give but faint conception of the violent vicisaltudes through which the market passed during the five hours' session. During morring hours the drastic liquidation which was forced upon the market caused great gaps in the values of securities and the market took on an appearance of demoralization. The wide variations in prices between sales, running as high as 3 points, were evidence of the argent character of the selling. At the low point the scale of prices presented decidedly ragged appearance, the de-

day 1,120,300 shares. The weakness in bords was much less general and acute than in stocks. Total sales par value, \$1,890,000. U. S. old is.
