Announcement Premature.
Announcement was made in the New York Tribune on January last that a large part of the clerical force of the Hillside Coal and Iron Company was to be removed to that city from Scranton. Superintendent W. A. May, when seen yesterday regarding the matter, said that the announcement was premature and that nothing definite had as yet been decided upon. He stated the only department, the removal of which was contemplated, was the auditing department and that there are only three clerks connected with this in this city.

To Have New Terminal.
It is stated that the Lehigh Valley Railroad company has secured what is known as Black Tom island on the Communipaw shore, N. J., for a passenger terminal and that within a year trains will be running to it and a ferry communication established with New York city. At present the passenger trains use the Pennsylvania railroad tracks and depot. It is said that plans have been prepared for an elaborate train shed and passenger depot on Black Tom island and that work on the building will soon begin.

The proposed road to the island is being cleared. A number of oil tanks, belonging to the Standard Oil company at Craven Point, have been taken down and reconstructed on the grounds of the Eagle Oil company. The road will be wide enough for four main tracks and a number of sidings for the storage of cars. Details were filed a few days ago, transferring Black Tom island from the National Storage company to the Standard Oil company, and it is said that at the proper time the property will be transferred to the Lehigh Valley company. The ferry terminal at New York will be located as near as possible to the Battery, so as to be convenient to all the surface and elevated roads.

Monster Freight Depot.
A freight depot, which will probably be the largest in or near Greater New York, will be erected on the property purchased some time ago by the Delaware, Lackawanna and Western Railroad company near the Wallabout canal section of Williamsburg. Work has been begun, and a year will probably elapse before it is finished.

The property has a frontage on the East river of 500 feet, and extends along Cross street to Kent avenue. At this point Washington avenue begins, and the property extends along that thoroughfare almost to Wallabout creek.

On the new property there will be erected a fireproof freight house 440 feet long. A basin to run through the property will be dredged, and to the south of it will be a transfer slip 195 feet long. To the north there will be another slip 42 feet wide. The freight house will be erected so that the floats will enter it. Cars moved from the floats will be moved along twenty tracks in all directions. It is said that several million dollars will be expended in the work. There are sixty-six city lots in the property. The railroad company paid \$200,000 for the tract.

This and That.
Large fences are being erected around the breakers and collieries of the Lehigh Valley company in this region. On the tops of the high fences barbed wire is being strung along.

The Conductors' and Motormen's union will meet in industrial hall on Spruce street tonight, at 8 o'clock. Members are requested to be present. All conductors and motormen are invited to attend.

The Scranton Clerks' association, No. 21, will hold their regular meeting tonight at New Carpenters' hall, Wyoming avenue. Entertainment and smoker after meeting. All members

INSPECTOR WATKINS' DEATH.

Order Issued by Colonel Watres with Reference to It.

The following order concerning the death of Inspector of Rifle Practice Rees Watkins has been issued:

Headquarters, Thirteenth Regiment, Third Brigade, N. G. P., Scranton, Pa., Jan. 15, 1900.
Regimental Order No. 4.
It resolves upon the commanding officer of the regiment to make the sad announcement that on Sunday, January 14, 1900, at his late residence in the city of Scranton, Lieutenant Rees Watkins, Inspector of rifle practice, after a few hours illness, passed away.
Lieutenant Watkins for more than twenty years has been a prominent and most useful member of the regiment, and of the National guard. He has been an active participant in all regimental, brigade and state matches, and by his superior marksmanship and military bearing has added lustre and renown to the National guard.
As Inspector of rifle practice of the newly organized Thirteenth regiment, he qualified under adverse conditions, 92 per cent. of the regiment as marksmen.
As custodian of state and regimental property, he has always exhibited marked ability, ability and zeal.
His faithfulness and devotion to every duty are attested by every member of the command.
His Christian character has left its impress upon the hearts of all who knew him, and his associates sincerely grieve over his irreparable loss.
The funeral arrangements will take place at the Providence Presbyterian church on Wednesday afternoon, the 17th inst., at 2 o'clock sharp, the services being conducted by Rev. Dr. Guild, assisted by Rev. William H. Smith, chaplain of the regiment.

Lieutenant David W. Davis is ordered to report with a platoon of Company L, as escort, at Lieutenant Watkins' residence at 1:30 o'clock Wednesday.
A special car for the escort and band will leave the corner of Wyoming avenue and Linden street at 1 o'clock.
The several captains of the command have permission to parade their companies in uniform with white gloves without arms.
The flag upon the armory will be displayed at half staff as provided by the regulations.
By order of Colonel L. A. Watres, D. B. Atherton, Captain and Adjutant.

CALEDONIAN CLUB WILL MEET.

Annual Banquet in Guernsey Hall Tuesday, January 25.

The annual banquet of the Scranton Caledonian club will take place in Guernsey hall, on Washington avenue, Thursday evening, January 25, in celebration of the 141st anniversary of the birth of Robert Burns, Scotland's bard. An elaborate program has been arranged and several prominent men of the association will answer to toasts.
After the supper a general ball will be given. The committee in charge of the affair consists of Chief James E. Drummond, Second Chief James Turnbull, Third Chief John K. Lambie, ex-Chief James Beatty and Chairman Wallace Moir.

The supper will be served in the dining hall by Caterer Mitchell, and those in attendance will then adjourn to the main room, where a musical program will be rendered and the various toasts responded to.

Chief Drummond will open the entertainment with a few introductory remarks and the toasts will then be given, interspersed by musical selections by local talent.

Chairman Thomas Russell will speak on the "Memory of Burns" and ex-Chief William Scott Collins will answer to the toast, "Scotland, Land of Our Birth."

Mayor James Moir, ex-chief of the club, will discourse on "America, Land of Our Adoption." The toast, "The Scotch People," will in all probability be responded to by Rev. George E. Guild, of the Providence Presbyterian church.

"JACK" TIGHE WILL FIGHT.

Challenge of Eugene Reardon, of Little Falls, N. Y., Accepted.

After several disappointments, and through no fault of his own, "Jack" Tighe, of this city, the well-known welterweight, will endeavor to arrange a match with Eugene Reardon, of Little Falls, N. Y. Twice Tighe was matched to fight in New York during the past year, but on both occasions he was prevented through the duplicity of promoters who were not sincere in matching him.

On Saturday a challenge was printed in the New York Journal, which was issued by "Jack" Gorman in behalf of Reardon, for a fight at 135 pounds. Henry Mahoney, of the St. Denis hotel, manager for Tighe, has accepted the challenge. A forfeit must be posted by Reardon and the club securing the match, as Tighe does not propose to train again and be left at the post as in previously arranged matters.

THREE VAGRANTS ARRESTED.

Trio of Tramps Yesterday Sent to the County Jail.

Sunday morning, a telephone message was received at police headquarters from Chief Robling to send the patrol wagon over to West Lackawanna avenue, to arrest a party of tramps.

Sergeant Deiter took the wagon over and then the chief, Detective Moir and Patrolmen Walsh and Lowry accompanied him back together with three very unkempt and bedraggled specimens of the genus "hobo."

The latter had been making their

headquarters in that vicinity for some time and acting in a drunken and disorderly manner and had proved a general nuisance.

ANTHONY MORAN INJURED.

He Was Run Into by Cars in Pine Brook Mines.

Anthony Moran, of New street, was taken to the Lackawanna hospital, with his right arm in a badly injured condition, about 3:30 o'clock yesterday afternoon. Moran is employed as a driver in the Pine Brook mines, and it was while he was at work that the accident occurred, which resulted in his injury.

A train of four mine cars collided with him and he was dragged about fifteen yards before he was freed. He was then taken to the Lackawanna hospital, where it was seen that his right arm was broken.

An Oriental Cynic.

"Marriage," said the proverb quoter, "is a lottery."
"Yes," answered the Sultan of Sulu as he sadly waved his hand toward the harem, "and there's a bunch of blanks."
