Testimony Heard Before Commissioner William Curry.

Testimony bearing on the petition filed by Thomas B. Howe to restrain the city solicitor from withdrawing his exceptions to the award of the viewers in the opening of Wyoming atenue, was taken yesterday before Commissioner William Curry. Attor-ncy C. L. Hawley appeared for Mr. Howe, and City Solicitor Vosburg for

Deputy Controller Hartley testified as to the correctness of the debt statement filed by him with the clerk the courts and showing the city's indebtedness to be \$412,195.45. Several other witnesses were examined, but their testimony was unimportant. The matter will come up for argument before the court next Monday morning. Jan. 22.

The main contention of Mr. Howe's attorney is that the official statement of the city's indebtedness shows that the debt limit allowed by law has already been exceeded. In the city controller's office this is said to be not true, as there is still a margin of over \$17,000 left after the park improvement bonds are issued.

Mr. Vosburg's contention is that the whole proceeding is out of all legal precedent inasmuch as the exceptions have been withdrawn by the party offering them, and that Mr. Howe has no standing to come in and say they shall stand.

ZINK WAS DISCHARGED.

On Payment of \$3 Ffne, the Captive Huckster Was Released. Walter Zink, the huckster arrest-

ed Wednesday night by Mounted Officer Joseph Bloch, while he was trying to sell a crate containing several dozen eggs for the extremely reasonable price of two dollars, was yesterday morning discharged from the police station on the payment of a threedollar fine.

It was discovered that the eggs had been taken from Cleveland's market. on Lackawanna avenue, but the proprietor of the place did not wish to prefer the charge of larceny against him, and therefore Zink was only accused of drunkenness.

#### MEETING OF POOR BOARD. Resolutions Passed on the Retire-

ment of Director Langstaff. At yesterday's regular meeting of the poor board resolutions of regret at the retirement of Director Langstaff from the board were unanimous ly adopted.

Lena Boes, of South Scranton, appeared before the board and some peculiar features were presented by er case. It appears that some six years ago she had her husband arrested for non-support and he entered into an agreement to pay her \$10 a month. He paid this for four years, but since that time has not done so, he being \$260 in arrears.

The solicitor of the board, John F. Scragg, sued Boes' bondsman and secured a judgment of \$130. As the board has been contributing to the support of the woman for a number of months past they considered that they should now be re-imbursed. Mrs. Boes objected strenuously to this and wanted the entire amount. The matter was finally referred to Attorney Scragg for the purpose of coming to an agreement with Mrs. Boes.

The young daughter of Patrick was given in charge of Mrs. Duggan, agent for the Associated Charities, her father having on sevral occasions abused her in a brual manner.

About twenty-five applications for relief were heard and acted upon and the monthly bills were ordered paid, after which the board adjourned.

It would undoubtedly be a fine thing if these teams could band together in ome formation, as there are some magnificent bowlers on them, and an excellent league could be formed.

A TRAMP'S SMOKER

Wheelmen. The "tramp's smoker" given last evening in the club house by the Green Ridge Wheelmen, was a most amusing affair. The general makeup of a large number of the members of the club was as perfect as a red nose, ragged clothes, slouch hat, black eye, clay pipe and an old tomato can could make it. The costumes of Harry Pond, Oscar Paine, George Nicol, T. S. Huffing, Dr. Green, B. E. Bevan, Eugene Schrader, Ben Keller, Walter Jones, Joe Chapman and Friend Cavelle were such as to make a professional "hobo" green with envy. The "smoker" part con-sisted of a clay pipe and "Rip" tobacco, the odor of which reminded one of escaping gas. The bill of fare was made up of a piece of ple and a cup of coffee. It was a great night for the

CONTROLLER NOT SATISFIED. Was Offered \$1,200 a Year by the

Financial Committee. The finance committee of the board of control held a long meeting last evening in the office of Secretary Fellows and after thoroughly discussing the pros and cons of the matter of hiring City Controller Howell, called that gentleman in and submitted their terms to him. The terms, however, ere not received very favorably h the controller.

They were, in substance, that compensation for the auditing of school board accounts be placed at \$1,200 a year, this to date from such time as the board ratified the agreement until the opinion of the Supreme court or Judge Archbald's recent ruling is handed down.

The city controller's demand has been for \$1,500 a year, this compensation to date from last April. Last evening he took the offer of the committee under consideration and will probably give the committee an answer before Monday evening, in order that they may formulate a report to the board, which meets in regular session on that night
