The viaduct committee of the West Side board of trade held a meeting last evening in their rooms over the West Side bank. A number of councilmen and business men were also present, T. Fellows Mason presided. The object of the meeting was to devise plans for the booming of the viaduct and to properly present the same to the voters consideration prior to the February election.

The plans of the proposed viaduct were laid before the assemblage and caused much discussion. The cost will aggregate \$167,000. The highest point will be twenty-two feet above the face, it will be sixty feet in width, allowing ten feet for a sidewalk on each side, fourteen feet for a double track and thirteen feet on each side for vehicles.

The erection of the viaduct will cost each taxpayer but a trifle. Two cents year for the laborer, three cents for the miner, mechanic and clerk, from five to ten cents for the business and professional man and from fifteen cents up for the home owner, or five cents on each \$100 of assessed valua-

NEWSBOYS ARRESTED.

Will Rice and Thomas Thomas, two newsboys of this side, were arrested yesterday afternoon at 4:30 o'clock by Patrolman Kiah Peters, and landed in the station house. A short while afterwards they were given a hearing before Alderman John, on the charge of malicious mischief. Young Rice and the Thomas boy were scuffling on South Main avenue and broke a large NORTH SCI window in a Chinese laundry. They were fined \$2 a piece and compelled to

replace the window. A large crowd of boys assembled around the corner of Main avenue and Jackson street every evening, waiting for the evening dailles and indulge in friendly pastimes. On numerous occasions minor accidents appen, and many have had narrow scapes from being run down by the electric cars or passing vehicles.

An officer has been stationed at the corner until after the arrival of the papers and every boy caught scuttling or running after the cars will be arrested. Yesterday's arrest will no doubt be a warning to the other boys.

ANENT THE VIADUCT.

Traction Company Has Not Been Heard from as Yet.

Mayor Moir has not yet received offical notification from the Scranton Traction company officials as to how much that corporation will pay toward the erection of the proposed viaduct, but General Manager Silliman stated yesterday that in all probability President Clark would notify him this week.

The plan to construct the proposed viaduct twenty feet out on the street from the south curb, in conformance with the wishes of the representatives of the street railway company, is con-sidered by some to be untenable, inasmuch as the ordinance provides for its erection on the south side of the street, which is taken to mean south of the
