ITCHING LIMBS

And All Forms of Itching, Scaly Humors Are Instantly Relieved and Speedily Cured by CUTICURA.

The itching and burning I suffered in my feet and limbs for three years was terrible. At night they were worse and would keep me awake a greater part of the night. I consulted doctor after doctor, as I was travelling on the road most of my time, also one of our city doctors. None of the doctors knew what the trouble was. I got a lot of different samples of the medicine I had been using. I found them of so many different kinds that I concluded that I would have to go to a Cincinnati hospital before I would get relief. I had frequently been urged to try CUTICURA REMEDIES, but I had no faith in them. My wife finally prevailed upon me to try them. "Presto! What a change! I am now cured, and it is a permanent cure. I feel like kicking some doctor or myself for suffering three years when I could have used CUTICURA REMEDIES."

H. JENKINS, Middleboro, Ky.

COMPLETE TREATMENT \$1.25

Consisting of CUTICURA SOAP (25c.), to cleanse the skin of crusts and scales and soften the thickened cuticle, CUTICURA Ointment (50c.), to instantly allay itching, irritation, and inflammation, and soothe and heal, and CUTICURA RESOLVENT (50c.), to cool and cleanse the blood, is often sufficient to cure the most torturing, disfiguring skin, scalp, and blood humors, rashes, and irritations with loss of hair when physicians, hospitals, and all else fail. Sold throughout the world. POTTER DRUG AND CHEM. CO., Sole Props., Boston. "How to Purify and Beautify the Skin," free.

Use only CUTICURA SOAP for baby's skin, scalp, and hair. It is not only the purest, sweetest, and most refreshing of baby soaps, but it contains delicate, emollient properties, obtained from CUTICURA, the great skin cure, which preserve, purify, and beautify the skin, scalp, and hair, and prevent simple skin blemishes from becoming serious. For distressing heat rashes, chafings, inflammations, and eruptions, for crusted, itching irritations of the scalp, with dry, thin, and falling hair, for red, rough hands, and chapped soles, and simple infantile humors, it is absolutely indispensable.
