CATARRH OF THE KIDNEYS.

(Pe-ru-na never falls to cure it.)

Mr. John Vance, member of Company I, 71st Ohio Infantry, First Brigade, Second Division, Fourth Army Corps, who lives at Hartford City, Ind., in a letter dated June 7th, 1899, says:
Mr. John Vance, of Hartford City, Ind., "My kidney trouble is much better. I

Mr. John Vance, of Hartford City, Ind.

have improved so much that everybody wants to know what medicine I am using. I recommend it to everybody and some have commenced to use it. The folks all say that if Dr. Hartman's medicine cures me it must be great."
In a later letter he says: "I am still improving in health; people call me well now. I am still using your medicine. People want to know what has done me so much good and I can easily tell them."
Mr. J. Brake, of Petrolea, Ontario,

Canada, writes: "Four years ago I had a severe attack of Bright's Diseas". which brought me so low the doctor said nothing more could be done for me. I began to take Pe-ru-na and bus, Ohio.

Mr. C. K. Cosby, of Vale Mills, Giles county, Tenn., writes: "Five years ago I contracted a very bad case of kidney trouble. I was expected to die by ail my friends; but, to the surprise of all. I still live, thanks to Pe-ru-na and Man-a-lin."

Ernest Knobloch, Gallitsin, Pa., writes: "Pe-ru-na cured me of kidney writes: "Pe-ru-na cured me of kidney trouble. I will recommend your medicine because I can do so truthfully."

Catarrh of the kidneys quickly leads to chronic Bright's disease. Pe-ru-na should be taken at the appearance of the first symptom. If taken in the early stages of the disease Pe-ru-na is sure to cure every case. Pe-ru-na is sure to cure every case. Pe-ru-na cures catarrh of the kidneys simply be-cause it cures catarrh wherever located. No other systemic catarrh remedy has as yet been devised. Insist upon hav-ing Pe-ru-ia. There are no medicines that can be substituted. Mrs. L. C. Saunders, 207 Haynes street, Atlanta, Ga., says: "I was troubled with kidney and blad-

having heard so having heard so much of Pe-runa, last November I began its use. Pe-ru-na cured me of that trouble and now I am taking it as a tonic. I think I will take

it during the summer as am sixty-nine years old and I think i strengthens me. I was very much broken down when I began to take Peru-na and if there is anything I can do for you I will do so with pleasure." Send for free catarrh book, Address The Pe-ru-na Drug Mfg Co., Colum-

"A Stranger in a Strange Land." A most mirth-provoking three-act farce was presented at the Lyccum last night before an audience that laughed until it was sore. The title of the farce is "A Stranger in a Strange Land," and the story runs like this:

Jack Thorodyke, a young Englishman of good family, has been going the pace a bit too rapidly in his own country, so his family have sent him to America for a three years' stay on a ranch. Instead of going west Jack Williams to pay the New York, Sus-quehanna and Western Railroad com-albeit he writes home lengthy and thrilling tales of ranch life and entric light plant. looked serious, as there were several

dwellings only a few feet apart in danger. The Wilsons concentrated their forces, and after two hours' hard

work succeeded in gaining control of the flames. The Jessup company did

good service at the rear of the main street. At one time the Sterrick Creek

breaker, owned by the Temple Iron company, was considered in danger, The Peckville Fire department had

arrived and had water upon the flames
