Contract for Brewery Let.

The Anthracite Brewing company has awarded the contract for the construction of a large brewery on Nay Aug avenue to Mulherin & Judge. Work on the new building is to be commenced immediately, and it is to be finished in three months.

This and That.

The differences between employees of the Cliff works and the Dickson Manufacturing company have been entirely adjusted and the men have resumed work. Several of the officials were interviewed yesterday, but on what grounds a settlement was made could not be learned. The general opinion expressed was to the effect that the trouble was purely "a family affair."

Mother's Story of Baby's Cure
Of a Most Distressing Humor by the **Cuticura Remedies.**

When our baby was a week old, eczema appeared on the top of her head and spread all over her scalp, face, and forehead, forming one mass of sores. You can realize how much she must have suffered, when she scratched at times till the blood ran intermingled with water. Our family doctor's treatment proved ineffectual, as the disorder, instead of abating, developed more. We then stopped all medical treatment, and commenced with **CUTICURA REMEDIES**. We used the **CUTICURA RESOLVENT**, **CUTICURA Ointment**, and **CUTICURA SOAP**, all traces of the eczema disappeared, the skin and scalp were left perfectly clear and smooth, and she was entirely cured.

Mrs. E. BUTLER.

My oldest boy, age nine years, was troubled with sores on different parts of the body, especially on the leg, about twenty-four in all. They were about the size of a five-cent piece, and would fester very much and eject a pus. They were very painful. After my above experience with the cure of my little girl with **CUTICURA REMEDIES**, I did not bother with the doctor in this case, but gave him the **CUTICURA** treatment which completely cured him in four weeks. Mrs. E. BUTLER, 1280 3d Ave., S. Brooklyn, N. Y.
