Sleeplessness marks the very climax of human suffering. It is only a step removed from insanity. When sleep no longer restores the exhausted nature, the ionger restores the exhausted hattie, the struggle with disease cannot last long. The starting point of the nervous dis-orders which produce ill health and eleeplessness, is generally a diseased condition of the womanly organs. Re-store these organs to sound health and the appetite comes back, the day's work no longer wearies, and sleep is sound and refreshing. Dr. Pierce's Favorite Prescription cures diseases of the womaly organs. It stops the drains which weaken women ; it heals the inflammation and sicerstion, and cures female
