DAMAGE BY FLOOD.

Yesterday's Heavy Rain Creates Havoc in Carbondale.

The heavy rain of yesterday resulted in many hundreds of dollars damage to residents in several sections of the city. The heaviest losers are South Main street business men, whose cellars were flooded from the main sewer. From three to six feet of water stands in the cellars of the following places: P. Miller, grocery; Neary building, Rogers block, Mannion, Cohens, Beck Brothers, hardware: Carbondale Steam laundry, John Gubert, fruit store. The water backed up as far as Hotel Anthracite, but the damage was confined to places below Seventh avenue. The probable cause of these overflows was given in The Tribune a few days ago as being break caused by the settling of Eighth avenue bridge and there is no probability that it will be remedied

until next summer. In the meantime there will be a few more floods and consequent bills of damages for thecity to settle. Several claims will be presented at the next council meeting.

Early yesterday morning there was an ice blockade in Racket brook at No. 1 bridge and for a time it looked as if the structure might be carried away but a force of men finally relieved the

Residents of Brooklyn street are also suffering. Their cellars were flooded by an overflow of the river, caused by an ice gorge near No. 3.

WORMS IN THE WATER.

Filters Catch Several Little Wrigglers Every Few Hours.

The Consolidated Supply company's water plant is in urgent need of attention. A prominent druggist who has been experimenting with filters has found a score of worms which came through the drinking faucet within the past few days. And this is a sample of the best water now being furnished

to the city. Engineer Frick, who is in the employ of the water company and in a position to know all about the quality of the supply, has placed a \$25 filter in his own house.

Consumers should exercise care in the use of water for comestic purposes. presence of some typhold fever in the city prompts the suggestion that it may be better in the end to submit to the inconvenience of boiling the drinking water.

tumes were clean but not gaudy to say the least. "Cavalleria Rusticana" was present-

ed with equal disregard for spectacular effect, but it was given with an intelligence and dramatic power that made up for many deficiencies. Mr. Payne Clark sang well. Miss Lane gave an exceedingly strong interpretation of Santuzza. Miss Langdon took the role of Lola with considerable ability. Miss Sale by JOHN H. PHELPS, Pharmacist, ccr. Wyoming avenue and Fields was Lucia.

"Carmen" was possibly the most work. School supplies. Salary \$100 and extras. R. O. Evans & Co., Chicago, Ill.

Catarrh Cannot Be Cured

Catarrh Cannot Be Cured with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarrh is a blood or constitutional dis-ease, and in order to cure it you must take internal remedies. Hall's Catarrh Cure is taken internally, and acts directly or, the blood and mucous surfaces. Hall's Catarrh Cure is not a quack medicine. It was prescribed by one of the best physicians in this country for years, and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect com-bination of the two ingredients is what produces such wonderful results in cur-ing Catarrh. Send for testimonials free. F. J. CHENEY & CO., Props., Toledo, O.
