A MEASURE OF MERIT

Scranton Citizens Should Weigh Well This Evidence.

Proof of merit lies in the evidence. Convincing evidence in Scranton. Is not the testimony of strangers. But the endorsement of Scranton people.

That's the kind of proof given here. The statement of a Scranton citizen. Mr. William Morris, of 330 Lackawanna avenue, a member of the firm of Morris Brothers, one of the largest retail boot and shoe stores in the city, who says: "I used Doan's Kidney Pills and you can put me down as saying that in my estimation they are a first class remedy. They cured me completely of a dull, aching pain across my back and shoulders, which had been giving me much trouble for the past year. I am not much of a hand at taking patent medicines, but in justice to the merit of Doan's Kidney Pills I feel it my duty to give them my endorsement and take pleasure in recommending them to any one that I may hear complaining of back ache."

Remember the name Doan's and take no substitute.
