COUNCIL MEETING.

At Last Contract for 1,000 Feet of Hose Has Been Awarded.

Recent fire has proved an effective, if expensive, lesson, to the city fathers and last night council met in joint session and awarded the contract for 1,000 feet of hose to the Fire Fabric Hose company, of New York, represented by R. M. Vannan, of this city. The price is 75 cents per foot.

The select men also had a session and received a bill from Mrs. Brennan for vegetables destroyed by the recent overflow of the main sewer. The amount she seeks to recover is \$25.45. The bill was referred to the proper committee. This is the second bill received and others are in course of preparation by those who have suffered.

A communication was read from Columbia Hose company requesting that the front windows of its hose house be cut down to the floor, so the members may have a better view of Main street. This was also referred to a committee.

DEATH OF MRS. WALSH.

Mrs. Anthony Walsh, nee O'Neil, died at her home on the South side of the city on the evening of the 4th. She was born here thirty years ago. Three years ago she was married, and two sons, aged 2 years and 7 months respectively, survive her. The funeral will be held at 9.30 o'clock Wednesday morning. A mass of requiem will be said.

CITY IN GOOD HEALTH.

The city's health department report for February shows the town to have been in good health, with little prevalence. There were only twenty-three deaths and five of these were due to a contagious disease—diphtheria. There are a few cases of typhoid fever.

JERMYN AND MAYFIELD.

Council Reorganized Last Evening.

Healthful Condition of Borough. Other Notes and Personal.

The borough council met in special session last evening, all the members with the exception of Edmunds, one of the retiring members, being present. There being no business to transact the chairman declared the council adjourned sine die. Theron Moon and John R. Jones were then appointed temporary chairman and secretary.

The burgesses-elect and three new councilmen then presented their credentials, which were read and the members took their seats. Organization was then effected as follows: Chairman, Theron Moon; secretary, John R. Jones, both elected by acclamation; treasurer, Thomas J. Williams; street commissioner, J. G. Avery.

There was a meeting of the borough for the office of treasurer, T. J. Williams and James P. Sampson. Davis moved that the election for this office be by open ballot. The motion was put and twice resulting in a tie the chairman called for the yeas and nays. Dunn, Davis, Theron Moon, Badger and Nicholson against. The vote resulted in the election of Mr. Williams, who received five votes to his opponent's four. Fred Croner unsuccessfully tried for street commissioner, receiving but two votes against seven for Avery.

Attorney H. W. Millhollan, of Scranton, and Attorney H. D. Carey, of this borough, applied for the office of borough attorney, the former being successful by six votes to three for Carey. The board of health submitted their report for the past year, in which they dwell upon the extraordinary healthful condition of the borough and the total absence during that period of any contagious or infectious epidemics. The deaths in the borough for the past year were forty-two and of these seven being the result of accidents in the mines. During the same period there had been sixty births.

Councilman Badger mentioned the fact that the street car company is desirous of putting in a switch nearly opposite the postoffice. He suggested the matter be left in the hands of the burgesses and street committee. To this Dunn and Davis strongly protested, saying it was an affair the whole council should decide. The matter was then allowed to drop until the next meeting.

Insurance Agents Swick and Dunn were present and desirous of insuring the borough building, the policy having lately expired. Burgess William informed council that as soon as he became aware of the expiration of the policy he took upon himself the liberty of having the building insured. Councilmen Swick and Dunn were sustained by eight of the nine councilmen, who accepted the policy obtained by the burgess. Council afterwards adjourned to meet on the first Friday in April.

It was been received from Iowa that Harry Williams, a former well known young man, who several years ago was connected with the Jermyn Press, has become proprietor of the Iowa County Tribune. His many relatives and friends herabouts are pleased to hear of his success.

A rumor was circulated around both boroughs yesterday that Danny Williams, a well known young man of Mayfield, had been killed while at work at Edgerton. The rumor caused quite a sensation until its falsity was proven, the report being quite groundless.

Miss Jewell, of Scranton, spent Sunday here with friends.

Miss Mary Berkeholder, of Blakely, was on Sunday the guest of Miss Sarah Bengough.

The Mayfield council met last evening and after transacting considerable business the body passed out of existence and after the newly elected councilmen took the oath, re-organization was effected with the following officers: Chairman, Alex. Shilanto; secretary, Patrick Daley; treasurer, Thos. Boudry; street commissioner, Hugh Braden; borough attorney, John H. Edwards.

TAYLOR NEWS.

Death of an Estimable Woman.

Evangelistic Services Largely Attended—Coming Benefit Supper. Remains of the Late John Powell. Personal News.

Mrs. Elizabeth Crockett, wife of Mine Foreman William Crockett, of Redbank, passed away at an early hour yesterday morning. Deceased was 41 years of age. She was of a kind disposition, a splendid neighbor and attracted a large circle of friends. She was an active member of the Stewart Memorial church and will be greatly missed by the congregation. The funeral will be tomorrow. Interment will be made in Forty Fort.

The new car light recently placed at the intersection of Main and Oak streets is in a very desirable location and gives entire satisfaction.

The evangelistic meetings held under the auspices of the Loyal Legion committee of the Young Men's Christian association at the Presbyterian and Calvary Baptist churches, on Sunday afternoon and evening, were largely attended. The afternoon session was held in the Presbyterian church and was for men only. The evening session was held in the Calvary Baptist church. The auditorium would scarcely contain the large audience, the seating capacity being over-crowded, many being obliged to content themselves with standing room. The evening session commenced at 7 o'clock. Mr. Armstrong officiating. His sermon was a masterly and eloquent discourse and was listened to with much interest. During the evening service Misses Edith and Gertrude Watkins favored the company with a duet, which was beautifully rendered. William Jones also gave an excellent tenor solo. The services will continue weekly until March 25, being held in the different churches throughout the town.

The interior of the Methodist Episcopal church has been undergoing some important improvements during the past few weeks. It has been handsomely decorated and a new carpet is being placed therein. To liquidate the above expense the members of the congregation have decided to conduct a chicken supper on Thursday evening next in the church parlors. Tickets 25 cents.

A telegraph message was received here late yesterday afternoon from New York informing the mother and relatives of the late Private John Powell that his body had arrived in this city from Manila on Sunday.

Jack Burlesque Company.

The members of the Sam T. Jack Burlesque company were greeted by full houses yesterday afternoon and evening, upon their return engagement at the Gaiety theatre. The show, which is now owned by the well known society, Mabel Haxleton, has been greatly improved since the last visit to this city.

Among the new features worthy of especial mention are the musical act of the Goodmans and the sketch entitled "The Theodora and the Passenger Boy," by Maddox and Wayne. M'Be Beatrice, the contortion dancer, is more elastic than ever, and Mabel Haxleton and her mate, Miss Beach, were heartily enjoyed at each appearance. In the closing burlesque, "A Hot Time in Alaska," Jennie Lamont, as "Calamity Jane," launched some rather broad jokes in a funny way, and divided the honors with Ed. Morris, who probably has no peer in the art of facial make-up.

The Sam T. Jack company will be at the Gaiety today and tomorrow, afternoon and evening.

A Famous Quartette.

The ninth entertainment in the popular series will be given by the Ottumwa Quartette company of Chicago at the Lyceum theater Wednesday evening. The following notice of the company is taken from the Pittsburgh Dispatch of May 3, 1899: "The attraction of the Masonic hall in the Bellevue Lyceum course last evening was the Ottumwa of Chicago, a male quartette, assisted by Miss Jessie Kleinman. That this company of entertainers delighted the audience was evidenced by the fact that the program of eleven numbers was more than doubled. The quartette is strong, individually or in ensemble work, the latter being characterized by delicate shading, crisp intonation, and organical tones. Miss Kleinman is a delightful soprano, and is one of the best story-tellers on the lyceum platform."

Miller in "The Only Way."

In "The Only Way," which will be the big attraction at the Lyceum to-night, Henry Miller has made the success of his career as the hero, Sydney Carton. As is now quite well known, "The Only Way" is a powerful and touching drama, and is one of the best of all the dramatic works of the great English novelist. The play was a tremendous success in London, where it ran for over a year and more recently in New York, where it ran for three months, being crowded out of Mr. Frohman's theatres through prior contracts with other attractions.

The play is elaborately presented in pictorial effects, the impressive grandeur of the scenes culminating with the revolutionary tribunal and the swaying and maddening excitement of the Paris mob. In this scene alone it was presented in London, and the company supporting Mr. Miller is one of the very best that any star can be equalled; that it has been rarely boasted can be readily gathered from the fact that it includes J. H. Stoddard, H. H. Harkins, Byron Douglas, Joseph Conroy, H. A. Weaver, Jr., William Hawthorn, and Margaret Dale, Miss Gertrude Finney, etc.

"King of the Opium Ring."

The Chinese-American play, "King of the Opium Ring," which will be the attraction at the Academy of Music the last three days of this week, comes with the stamp of approval of New York press and public, before whom it was presented at other theatres. The play is a masterpiece of dramatic construction, and is one of the best of the kind ever known in American history. A mysterious circle, bound by oath in a ring of defiance, for twenty years a ring of defiance to the custom houses of the Pacific coast.

Scenically, the production is claimed to be one of stupendously marvelous grandeur, presenting a kaleidoscopic view of oriental magnificence.

"A Trip to Coontown."

A company of colored people, headed by Cole and Johnson, two versatile comedians, presented "A Trip to Coontown" at the Academy of Music last evening. It is a combination of vaudeville and farce, with plenty of singing and dancing, but strange to say, in this day when the cake walk reigns supreme, this company of colored artists does not indulge in one. Neither is there any buck or wing dancing, which are commonly supposed to be
