## WHEELMEN ENJOY ATHLETIC EVENTS AND LUNCHEON.

At Their Regular Meeting Last Evening Two New Members Were Admitted and a Minstrel Performance Was Decided Upon-Rev. Henry L. Jones, of Wilkes-Barre, at St. David's Church-Case Before Alderman Kelly-Other Matters of Local Interest-Personal Notes.

The members of the Electric City Wheelmen had another enjoyable time at the club house last night and were entertained in a clever manner by several of their number. Several boxing bouts and bag punching were the athletic features and solos and instrumental selections were rendered. The plano numbers given by Gus Eynon were well received, and the Dutch lunch served was a treat which surprised those who enjoyed it.

At the business session John Thorn-ton and Jasper Jones were elected to membership, and it was decided to give a minstrel performance in the near future. The show will be under the direction of Henry Dixie, who has been identified with several amateur productions in this city. It was also decided to conduct the monthly social for members on Thursday evening, March

ST. DAVID'S LENTEN SERVICES. Rev. Henry L. Jones, D. D., pastor of St. Stephen's church, Wilkes-Barre, delivered the sermon in St. David's Episcopal church last evening. His text was taken from Paul's epistle to the Philiplans, iii:13. His remarks were directed against people who in life take only one idea, and let this idea predominate. The speaker brought out in a very clever manner the reason why people who are connected with the church as well as those of the world should not allow one specific thing to occupy the entire attention of their lives, for by thus doing they imperil not only themselves, but others.

The services were well attended, and were very impressive. Preaching services will also be held tomorrow evening, when Rev. Mr. Griffiths, of Ply-mouth, will speak. The rector, Rev. E. J. McHenry, is assisting in the ser-
