She sought a livelihood in this vicinity away from her acquaintances, but reverses made her desirous of returning home. She had a little child with her and the case was a peculiarly sad one.

COMMITTEE DISCHARGED.

The school board has formally accepted the report of the committee appointed to investigate the charges preferred by ex-Superintendent Forbes against Professor H. J. Hockenberry and the committee has been discharged. The report heretofore published simply embodied the board's desire to drop the matter, owing to lack of evidence. This will doubtless be the end of an un-pleasant and much discussed matter.

NEW FIRE BELL.

The fire bell which is to replace the old one which proved very unsatisfactory, is here and will be put in position in the tower of the municipal building today. It is made of bell metal and is somewhat larger than the old bell, Those who have seen it feel confident that it will awaken the firemen.

Being anxious to serve his country and see active service, he re-enlisted in the Eleventh infantry, United States Volunteers, which were immediately sent by transport to Puerto Rico, where he finally succumbed to an at-
