#### Mrs. Sheneschoch, Drops 30 Feet and Still Lives.

Special to the Scranton Trib Stroudsburg, Pa., March 9.—Mrs. John Sheneschoch, of East Stroudsburg, fell down a rocky cliff a distance of thirty feet and lives to tell the story. Yes-terday Mrs. Sheneschoch, who is quite young, was walking along the Delaware, Lackawanna and Western railroad tracks. Mrs. Sheneschoch wanted to get home quick. She got there quick, but the journey back was a long and

She stepped on the rocks near the track at Shanty hill and as she was going to scramble down them, fell and dushed headlong to the hard ground below, a distance of thirty feet. There was no one to help her, and after lying stunned a few moments, picked herself up and walked to her home alone, She received a lacerated hand from the fall, but no bones were broken. From the nature of the rocks it is a miracle that the woman's neck was not broken or her brains dashed out.

So says the editor.

## What to Do Until the Doctor Arrives

It is very hard to stand idly by and see our dear ones suffer while awaiting the arrival of the doctor. An Albany (N. Y.) dairyman called at a drug store there for a doctor to come and see his child, then very sick with croup. Not finding the doctor in, he left word for him to come at once on his return. He also bought a bottle of Chamberlain's Cough Remedy, which he hoped would give some relief until the doctor should arrive. In a few hours he returned, saying the doctor need not come, as the child was much better. The druggist, Mr. Otto Scholz, says the family has since recommended Chamberlain's Cough Remedy to their neighbors and friends until he has a constant demand for it from that part of the country. For sale by all druggists. Matthews Bros., wholesale and retail agts.
