A regular old army spread was served, at which the veterans smoked and induiged in reminiscences filled with hardship, pathos and bravery, the relating of which always delights the old soldier's heart.

#### FIRE ON PIKE STREET.

A fire alarm was rung in from Box 46 last evening at 6 o'clock. The fire originated in the kitchen of Michael Loftus, of Pike street, supposedly from a defective flue. Columbia Hose com-pany responded, laid 200 feet of hose and was about to turn on a stream when word came that the bucket brigade had been victorious. The reinforcements countermarched at once. The damage was slight.

#### ALLOWED \$774.93.

O the \$3,000 bill of extras presented to the school board by Contractor Nolan, \$774.93 has been allowed. This makes about \$1,000 in all and there are still some large items to be disposed of. Architect Brown was present and such things as he saw fit to approve the board passed.

#### the sale to take place on March 12 at o'clock in the afternoon. The latter sale took place at the time mentioned and Deputy Sheriff Ferber came up

with the plaintiff and his attorney. H. D. Carey, the following morning to conduct the sale of the goods levied upon on February 1. After disposing of the property in the house they went to the barn to sell the carriage and umber wagon and to their surprise found both gone. On inquiry they learned the things had been disposed of as already mentioned. The deputy sheriff thereupon adjourned the sale until yesterday morning and then notified the tax collector to have the property returned and placed in the barn before the time for the adjourned sale. It is thought the tax collector did not know of the sheriff's previous levy and when informed by the sheriff he had the property returned. The latter came to town again yesterday morning and disposed of the wagon and carriage at the time mentioned. G. S. Dunn purchased the wagon for \$15 and C. D. Winter the carriage for \$12.
