special to the Scranton Tribune. Towanda, April 9.- A murder created

He took hold of his sweetheart's hand, and, saying nothing, drew a revolver, accomplishing his purpose. The bullet entered her head just above the loft ear, going through her skull. She fell dead and he fired three more shots at her.

THE MARKETS.

## Wall Street Review.

Wall Street Review. New York, April 9 - The stock market made the expected response to Satuday's unfavorable bank statemnt by usair drawing in of specula-tive ventures. The selling pressure was not par-ticularly severe in the genral market, but with the curtailment upon the disappointment over the bank statemnt, the budden of offerings was sufficient to bear down prices to a lower level. The acute depression manifested by Sugar had an additional influence in depressing the market. Total sales, 794,500 shares. Business in bonds was of a moderate kind and prices were well held.
