

EVENTS OF DAY IN WEST SCRANTON

SPECIAL EASTER SERVICES IN MANY CHURCHES.

Augmented Choirs, Assisted by Orchestras and Soloists, Render Appropriate Music—Elaborate Decorations Seen in Several Edifices. Retail Merchants Will Inaugurate the Early Closing Movement This Evening—Funeral of Mrs. Hennigan—Other News Notes and Personal Paragraphs.

The Easter music and decorations in the West Scranton churches yesterday surpassed anything that has heretofore been attempted by the chorists and decorators, and at both the morning and evening services the congregations were unusually large. The delightful weather afforded church-goers an opportunity to turn out in large numbers, and at several of the churches last evening standing room was at a premium. The floral decorations were exquisite, and the services were in keeping with the day.

A well-drilled choir of twenty-five voices, under the direction of Prof. W. W. Jones, rendered an excellent programme at the Simpson Methodist Episcopal church, assisted by organist, Walter Davis and Arthur E. Morse, saxophonist, Rev. J. B. Sweet preached in the morning, and the choir sang two anthems. In the evening soloists were Helen Thomas, Thomas Abrams and William Long. The Simpson Male quartette, also sang. Prof. Morse played an offertory, "Good-bye, Sweet Day," and the choral rendition of "The Art the King of Glory," by a male quartette.

The Sunday school department of the Plymouth Congregational church held their Easter exercises in the morning, at which several choruses were rendered and recitations were given by Gomer Evans and Nora Davis. A ladies' chorus and double quartette were also features of the service, and the infant, primary and intermediate classes gave special exercises. The musical features of the evening service were anthems by the choir and the rendition of "The Art the King of Glory," by a male quartette.

Prof. C. B. Derman had charge of the music at the Washburn Street Presbyterian church, which was rendered by a double quartette choir, assisted by the Sabbath school orchestra. The pastor, Rev. J. P. Moffatt, D. D., preached special Easter sermons. The Bible school exercises were held after the morning sermon.

Elaborate services were conducted at the Jackson Street Baptist church last evening by the Sunday school, under the direction of Chorister Lewis Davis. The pupils and choir occupied seats on the pulpit platform, which was enlarged for the occasion and profusely decorated. The programme consisted of:

Dufour's French Tar Has Won Success, It Cures Your Cold And Gives You Rest. FOR SALE BY ALL DEALERS.

Here's a Combination of Thrift, Convenience and Beauty

Rarely Met with. Give It Your Attention for a Minute, Please.

The demand for fabrics used in Tailor-made Gowns, brought with it an evil which has vexed many a buyer, and spoiled many a handsome suit. After making the material was apt to shrink, or if shrunk by the old process was almost certain to be marked with shifty patches at different points. For this reason most of the cloths are made up without sponging, and are subject to spotting in rain showers and dragging at the seams through shrinkage.

All of these evils may now be avoided. If you buy the materials here, we will sponge them free of charge by a new steam process, which does not injure the finish or fabric, but renders it unshrinkable and absolutely spot proof from rain or water, which, by accident, may be spilled. Suits made from steam sponged goods look better, wear better and never get out of shape. As already stated, we charge you nothing for the extra service.

[LETTER TO MRS. PINKHAM, NO. 41,027]

"DEAR FRIEND—A year ago I was a great sufferer from female weakness. My head ached all the time and I would get so dizzy and have that all gone feeling in the stomach and it was so nervous and restless that I did not know what to do with myself. My food did me no good and I had a bad case of indigestion. I wrote to you and after taking Lydia E. Pinkham's Vegetable Compound as directed, I can truly say that I feel like a new woman and cannot tell you how grateful I am to you.

"I have recommended it to all my friends and have given it to my daughter who is now getting along splendidly. May you live many years to help our suffering sisters."—Mrs. C. CARPENTER, 253 Grand St., Brooklyn, N. Y.

Over eighty thousand such letters as this were received by Mrs. Pinkham during 1897. Surely this is strong proof of her ability to help suffering women.

THE TEST THAT TELLS

You Can Get All the Convincing Proof You Want by Reading Scranton Papers.

When the reader wants any article of value he naturally prefers to deal with some one he can depend upon. If he reads in any paper, a good, responsible lawyer is generally the first necessity sought.

Scranton people endorse Doan's Kidney Pills. "Can you ask for better evidence? Read this case:

Mrs. Emma Shaughnessy, of 1598 Pennsylvania avenue, has suffered for five years with pains in my back so severe that at times I could scarcely attend to my household duties. In bed I constantly turned from side to side trying to find a comfortable position. If I caught cold the pain in my back and all the way up my shoulders was so severe that I could scarcely stand. I tried almost every remedy, but nothing ever did me so much good as Doan's Kidney Pills. I now know where to look for a remedy if a return of the trouble should ever take place."

For sale by all dealers. Price, 50 cents. Foster-Milburn Co., Buffalo, N. Y. Sole agents for the United States. Remember the name Doan's, and take no substitute.

Scranton will be made a more name this year. Managers Burham is hard at work in getting the city ready for the coming of the Toronto, Eastern league, team. Manager Burham, however, has an abundance of pitching talent and he expects to scratch some of his own players. He is a steady, reliable pitcher and a heavy, consistent hitter. Kennedy last year pitched for Manchester in the New England League and was one of the best pitchers of the league and was this year signed by the Toronto, Eastern league, team. UNCLE SAM CAN'T LOSE. With Honolulu and Manila He Commands Gates to the Pacific.

It is the westward that the Star of Empire takes its way. Uncle Sam owns the upper and perhaps the best and France the lower and less useful gateway into this new world. At Hawaii is the natural midway between the warm and genial Pacific coast and the hot and arid and desolate of the tropics where the Hawaiian Islands lie.

On the other hand travelers who have passed the exquisite locks of Tahiti harbor have lingered in the rhapsody until little of the English language was left to them with which to extol the virtues of Samoa and New Zealand.

THE OTHER GATEWAY. If civilization is to work backward from the east to the west, as the Chinese and the Russians seem inclined to force it to do, Holland and Britain divide with the United States in controlling the gateway. Dutch Sumatra closes the portals to the passengers from India; British and Dutch Borneo and the American Philippines close it to the passengers from China and Japan.

GREEN RIDGE. Misses Grace and Anna Jenkins, of the Stroudsburg Normal school, spent Easter Sunday with their parents in Main street. The affair is looked forward to with the social feature of the season and the musical programme will be assisted by some of the best talent in the county. The concert will be held in the evening.

MINOOKA. Miss Sarah Conner, of Plains, was a guest of Mrs. Mary Walsh, who died Friday, took place yesterday afternoon. Interment was made in Minooka cemetery.

BASE BALL NOTES. The directors and stockholders of the Scranton team will meet this morning at 11 o'clock in the office of John H. Brooks.

MANAGER CLEVER has now his outfield complete and it looks like a very strong one. He will consist of Nick, Shoffner and Rebekah. Clever has last years' batted and fielded strongly at Cleveland, while Ketchum played a strong outfield at Louisville in the few games he played there. He is a good sticker and in his fifteen games batted 311.

The Villa Nova college ball team Saturday played its first game and defeating Jefferson Medical college by a score of 20-0.
