### ATLANTIC LEAGUE.

Scranton's second victory over Elmira, and Reading's se ond defeat of the Athletics leave these two teams at the top of the league. The Delehanty soys were in evidence again at Allentown, and made six hits against Wilkes-Barre. The Barons, however, won out in the end by a score of 10-7. Newark downed Jersey City, and the Athletics and Elmira are now at the bottom of the heap. The league aver-

Local Players Yesterday Defeated Elmira by Score of 13-4-Kervin Pitched a Good Game.

Before about 1,000 people, the Scranton base ball team yesterday took its second game from the Elmira nine, the score at the end of the ninth inning being 13-4. The game was not marked by any particular features, but was snappily contested and up to the seventh inning was close.

Kervin, Manager Burnham's southpaw find, officiated in the box for Scranton and pitched a good game, keeping the hits well scattered, with the exception of the second inning, when the New Yorkers bunched three binges and scored two runs, and striking out six men. Jimmy Dean, the Scranton boy, playing second base for Elmira, again carried off the honors for that team. In his four times a bat he cracked out three clean, safe hits, batting in two runs and scoring once himself. In the field he accepted his six chances.

Scranton scored one run in the second inning, on Knox's being hit by pitcher, big McIntyre's sacrifice and Second Baseman O'Brien's cleverly placed hit to short right field. In th third, Ferguson's two-baser to left and Shortstop O'Brien's single earned a un. In this inning O'Brien's single, a base on balls to Knox and Sheffler's single filled the bases,

McIntyre stepped to the plate, and the crowd, remembering his batting performance Monday, requested him to put the ball over the fence. The big candidate for jury commissioner, has agreed to irst baseman swung hard at the ball and drove it to Shortstop Smith. The atter picked the sphere up neatly, and throwing it to second base retired 'Dick" Knox. Dean raised his arm to brow to first and complete a double day, but the wily Richard interfered with the throw and the ball went wild O'Brien and Sheffler scampered across the plate, but aias! though Knox's intentions were good, he executed the trick clumsily and Umpire Harkins clared both runs null.

Elmira scored two runs in the third when Grant and Haggerty singled and came home on Dean's drive to center field, which Knox fumbled. In the fifth, Thompson drew a base on balls and was forced at second by Sheffler's quick throw in of Grant's hit to right Grant went to third on Haggerty's center field hit, which got away from Knox, and scored on Millerick's throw to second to catch Haggerty, who attempted to steal. Elmira's last run was made in the eighth by Dean, who lined the bal to center, went to third on Knox's juggling it, and scored on Bottenus' hit to Doherty.

Scranton unmasked her heavy bat teries on Mr. Thompson in the seventh, when errors by Smith, Johnson and Haggerty, a single by McIntyre and smashing doubles by Doherty and Sheffler scored five runs. In the eighth, singles by Shortstop O'Brien, McIntyrs and Doherty and Knox's two-bagges cored four more runs.

Elmira played a much more gingery game yesterday than Monday, the outfielders moving around in a faster manner, and the infielders playing a more spirited game. The team seems weak at the bat, however, and will have to be strengthened before it will he able to successfully cope with teams ike Allentown, Reading or the Athletics, whose chief strength lies in the batting power of the men. Today Scranton plays at Allentown, and will have to put up a strong game to get away with the heavy-hitting Pennsyl vania Dutchmen. Miller and Toft will probably be in the points for Scranton. President of the Atlantic League Horace Fogel opened the season at Reading Monday by tossing

the first ball. Fleming, the Athletics' batsman who faced him, swung at the ball and missed it, as a result of which he has been the victim of a deal of good natured chaffing.

Mike Doherty made a fine catch yesterday off Grant. The Elmira center fielder was the first man up in the opening inning and smashed the ball toward le field. It was a terrific line drive, but Doherty grabbed it out of the air and con-

verted it into a very pretty putout.

It isn't often that a ball which falls safe in the outfield is made a force hit. Yet it happened yesterday. In the fifth inning Thompson reached first on balls and Grant drove the ball to short right. It fell safe, but "Old Boy" Sheffler picked it up and, throwing it to second pase, caught Thompson.

Place all the pretty Dress Goods in this store side by side, and stretch them to the sky-you'll have a rainbow of the purest hue. Every color that fancy turns to effect, is in the collection that we show. Beauty and style reign supreme.

Mr. Miller, the head of our Dress Goods store, was for nearly twenty years with the recognized dress goods leaders, James Mc-Creery & Co., of New York. He has chosen for us—and for you--one of the most charming groups of Dress Fabrics ever gathered under a single roof.

This is not brag. It is a statement of actual conditions, as simple as we can make it, and which personal observation by you will prove.

Yesterday we told of the new French and German Henriettas, strictly all wool, at from 50c to \$1.10 the yard, though worth a third more. Also of the genuine English Black Crepons at \$1-25—worth up to two dollars.

Today we visit the Fancy Waist Silks, where richness of color blinds the eyes, as we write. It is an interesting exposition which shows you

Fancy Taffetas, Fancy Liberty Satins, Broche Barre Taffetas, Lace Stripe Taffetas, Plisse Taffetas,

in such becoming colors as the prevailing shades of cadet, cherry, lavender, turquoise, marine, rose, peach, grey, mode, beige, indigo, myrtle, salmon, and the pastel tints.

90 cents the yard—though such exclusiveness is worth from one to one and one-half

buy here.

Shall we match up a pattern for you today?

Please remember that it is no trouble to show these new things to you-whether you come as a buyer, or merely as an observer of style and beauty,
