GENERAL CONFERENCE

TWENTY-NINTH GENERAL ASSEMBLAGE IN CHICAGO.

Opened Yesterday by Bishop Bowman at the Auditorium—Delegates Gathered from Every Part of the World—Sessions to Last a Month. Fight for Admission of Provisional Delegates to Occupy First Deliberations.

Chicago, May 2.—The twenty-ninth general conference of the Methodist Episcopal church, the twenty-third of the delegated congresses, began herotoday. It will last a month, and is expected to be the most important conference since the memorable one in 1844, when the south branch of the church severed its relations with the main body over the slavery question. The pit of the Auditorium theater was filled this forenoon with delegates whose fight for admission to the floor of the conference will occupy the first days of the meeting.

The venerable Bishop Thomas Bowman declared the conference opened, in a few words, calling attention to the importance of the assembly and counseling conservatism and the graviest consideration of the matters to be discussed.

These are worthy examination; colors and printing are as dainty as genius and art can make them.

Some Printed Indias at 55 cents the yard, instead of 75 cents, are the cynosure of all eyes. Twenty - four inches wide, rich, becoming, elegant.

Figure on something besides hot weather this summer. You'll early see the need of a heavier dress, you stay-at-homes, and you who embark to the mountains and shore. Here is an exquisite line of all-wool Cheviots:

The 65-cent kind at 48c. The 85-cent kind at 6oc. The \$1.25 kind at 90c. The \$1.75 kind at \$1,25.

The latter is our best importation, full 58 inches wide. lowest price is inches wide; the 90c kind is 52 inches. Can you think of anything more generally useful and becoming than a Cheviot Dress?

The collection of \$1.50 Waist Silks remains unbroken at 90 cents .-- though many a waist pattern has disappeared since yesterday.
