#### 'CYCLE CLUB ELECTION.

The phenomenal growth of the 'Cycle club to more than one hundred members and the interest inspired by its handsome quarters on North Church street have occasioned unusual activity in regard to the annual election, which is to be held tomorrow evening. The principal fight is for the presidency and the contestants are C. R. Smith, who is now completing his second term, and Albert Crane. D. W. Humphrey was nominated, but as it is generally understood that he would not serve if elected, he may be considered out of the race, though he would otherwise be an exceptionally formidable candidate. According to the by-laws, nominations may be opened on election night, so it is by no means certain that either of the candidates named will be elected.

#### NEARLY HALF A CENTURY OLD.

March 15, 1901, will be the semi-centennial of the incorporation of the city ranging for a grand celebration to which will then be less than three months old. By deferring the celebration a little more than three months, Independence day could be embraced.

Nothing by way of an introduction could be added to the experiences and opinions given below, which could increase their value. What is there lacking in evidence like this to satisfy a dved-in the-wool doubting Thomas?

Mrs. E. Davis, of 918 Hampton street "My kidneys troubled me for three years, more or less, with sharp shooting pain in the small of my back less during the day than at night, unless I lifted anything or strained my back or overexerted myself in doing my housework. At night I turned from side to side trying to find a comfortable position, and it kept me awake for hours. There was also a kidney weakness which was very annoying and distressing at all times. I be came so bad that I was confined to my bed for over a week and had to have a doctor. It was then that I saw Doan's Kidney Pills advertised and so highly recommended by Scranton testimony that I was induced to get them from Matthews' Bros.' drug store They proved to be just what I needed and helped me right away. My back was better and stronger than it had been for a long time and the kidney weakness completely disappeared."

Wilkes-Barre Defeated Saturday by Score of 8-4-Great Catches by

Knox and Doherty Features.

SCRANTON TAKES ANOTHER.

The fast crowd of players representerday.

Miss Ray Morgan, of West Minooka, the Barons into camp to the tune of 8-4. Magie the Wilkestwirler, was batted all over the lot, Scranton scoring sixteen hits while young Kervin, Burnham's southpaw twirler, only gave sev-

en hits, and at the bat made four hits himself. All of the men batted well, "Pirate" making a two base hit and a single in the time he was in the game, which was only gix innings. Scranton's peppery captain then made himself unpopular with Umpire Harkins by calling him a few pet names, and was

sent to the bench. Harkins had declared that Fergusen's drive, which went squarely over third base, was a foul, and the ex-Pittsburg second baseman wouldn't stand for it. Dick Knox had trouble in solving Magie's curves up to the ninth inning. Then he selected one to his liking, and banged it so far into left field territory that it yielded him a beautiful home

run and almost gave several Wilkes Barre rooters heart failure. The fielding features of the day were contributed by Doherty and Knox. The former made an almost impossible eatch on a foul from Messitt's bat, and catch of a drive from the same individual's bat was one of the most miraculous plays ever seen in Wilkes-

Barre. The ball just cleared second base and the fleet-footed center fielder plication relieves the pain, and this dashed in from the outfield, and by stretching out his hands just took the ball. So predigious was the effort that he lost his balance and fell. He kept hold of the sphere however, and the

batter was out. Today the team goes to Elmira where it will play two games, and returning to Scranton, on Wednesday and Thursday plays Wilkes-Barre The detailed score follows: here. WILKES BARRE.
