DEATH OF MARTIN PLACE.

Well Known Citizen of Stroudsburg Passes Away.

Special to the Scranton Tribune.

Stroudsburg, May 11.—Martin Place, one of Monroe county's best known citizens died at Middle Smithfield, Mr. Place enjoyed the distinction of living in three counties and yet never moved from the homestead in which he was born. Mr. Place was born on the 11th of March, 1811. The date of his birth in the counties of Monroe and Pike were unorganized, Northampton county covering the whole territory. The act of March 6, 1814, providing for the election of Pike county located Middle Smithfield in Pike, hence the deceased lived in Pike county until 1836 when Monroe county was organized. Place was one of the county's landmarks. He has always been a staunch Democrat and has voted for every president down to the last presidential election. He was a strong Democrat. He was in hopes that he would cast his second ballot for the silver orator. When Monroe county was organized the deceased took an active part in the selection of Stroudsburg.

Stroudsburg, May 11.—Snow fell on the Pocono mountains and in some sections of the west end today. Frost thus far has not done any great damage to crops. The cold weather continues and has almost put a stop to trout fishing, because it has a tendency to make the spot poor. However, some few good catches have been reported.
