FOOT INJURED.—Frank Potter, of Jessup, a driver boy at the Von Struch mine, yesterday had his foot caught between the runners of two cars and badly crushed. It is feared that it will have to be amputated.

MEETING MONDAY.—The Catholic Women's club will hold an important meeting Monday evening at 8 o'clock at their rooms on Washington street. All members and those desiring to become members, are requested to attend.

LITHOGRAPH FREE.—The Philadelphia Sunday Times will present its readers with a magnificent lithograph in twelve colors, by Le Roy, entitled "A Blooming Clematis," free with the greatest cutting number of the Times tomorrow.

NO INQUEST HELD.—Coroner Roberts was unable to go to Vandling yesterday to hold an inquest in the case of Constable Michael J. Ward, who shot and killed John McDermott on Wednesday night. The inquest will be held some time next week.

FUNERAL OF MRS. MANGAN.—The funeral of the late Mrs. Hannah Mangan will be held on Monday morning, from the home of her brother, Rev. T. J. Ross, pastor of St. Joseph's Catholic church at Minooka. Interment will be made in the Minooka cemetery.

REGULAR MEETING.—The regular meeting of the King's Daughters was held last night in the Elm Park Methodist Episcopal church parlors. It was attended to have a social after the meeting, but on account of the disagreeable weather, it was postponed.

HAS LEFT HOME.—The police were yesterday notified of the disappearance from his home, of Edward Spire, a 15-year-old boy. When last seen he wore a blue bicycle cap, a white striped shirt and blue overalls over gray knicker pants. He is small for his age and has light hair and blue eyes.

MORROW FUNERAL.—The funeral of the late John Morrow, of Plymouth, will take place at 9:30 o'clock this morning from the residence of F. P. Callery, on Shawnee avenue, Plymouth, and interment will be made in St. Vincent's cemetery at that place. A high mass of requiem will be solemnized at St. Vincent's church.

FUNERAL OF CHARLES ECK.—The funeral of the late Charles Eck, of Neptune Place, took place yesterday afternoon from the Grace Re-

formed church on Wyoming avenue, where services were conducted by the pastor, Rev. G. L. Albrecht. The pallbearers were: Edward Hindmiller, John Bentler, Sr., Frederick Fisher and Peter C. Schmidt.

PUBLIC BUILDING COMMITTEE.—The joint public buildings committee of councils will meet this evening in the office of Street Commissioner Thomas to discuss the proposition of opening the bids received for the purchase of the condemned house on that portion of Wyoming avenue, which is to be opened. It is probable that the committee will decide to sell the premises to the highest bidder.

MAKING GOOD PROGRESS.—Mrs. John Weathers and her daughter, Mary, of Loyd street, yesterday rested easily at the Lackawanna hospital, and their recovery is now considered certain. This is the woman who Wednesday morning attempted to cut the throat of her child, Mary, and to then commit suicide. The wounds she inflicted on both herself and the little girl, were, however, not deep, and the doctors at the hospital now say that they expect both patients to pull through.

CATHOLIC YOUNG WOMEN'S CLUB.—The second lecture of the series for the Catholic Young Women's club will be an illustrated lecture on the Crusades, the most marvellous story of human enterprise in the history of mankind. The illustrations for the lecture are from the works of Dore, and form a wonderful panorama of the centuries during which the events occurred. There are one hundred lantern slides, portraying the principal scenes and persons, and many of them are colored in a most beautiful manner, so as almost to make the observer to realize the incident as taking place before one's eyes, rather than suggest the stirring scenes of other days by the inert lines of the artist.

PECULIAR CASE, THIS. Mrs. Nordell Says She Was Assaulted and Then Compelled to Elope by Frank Manarina.

Frank Manarina, of the central city, a man with a wife and child in the old country, was yesterday arraigned before Alderman Howe charged by Girardo Nardallo, of 234 Raymond court, with committing a serious crime on the complainant's wife, Rosina Nardallo. It is charged that Manarina criminally assaulted Mrs. Nardallo and then forced her to leave the city with him. He lived with her in New York city for about three weeks, after which she returned to the city.

Manarina was committed to the county jail. At the hearing Mrs. Nardallo declared that on January 4, Manarina made improper advances to her and after dragging her, threw her on a couch, and assaulted her. After this he tried to induce her to leave the city with him, and threatened to kill her unless she did.

April 2 he induced her to elope with them and they went to New York, where they lived at 327 Broom street. April 26 she returned home, he keeping at her clothes and property, valued at \$50.

He himself arrived in the city a few days ago and was arrested yesterday by Constable Cole.

STRENGTHEN MONUMENT SITE. Piers Will Be Erected to Help Support the Surface.

There will be a meeting of the county commissioners this morning to pass upon the question of advertising for bids for constructing fifteen piers in the mine workings beneath the court house, in the neighborhood of the point on which the soldiers' and sailors' monument is to rest. Engineer Edmund Bartl has made a survey, showing the need of the piers, and also has prepared specifications for their construction.

The point where it is proposed to erect the monument is about in the center of the plot lying between the fountain and the Columbus statue, on Washington avenue. There is a very large and substantial pillar remaining beneath that particular spot, and by strengthening the roof by the surrounding chambers it will be made an absolutely safe foundation.

The work on the monument is under way, and there is a probability that it will be dedicated this summer.

FEAR FOR LIEUT. MURPHY. Dispatches Say Two Officers of His Company Were Wounded.

Dispatches from the Philippines of recent date contain a notice to the effect that in an encounter in the province of Alby, April 13, between Company F, Forty-seventh Infantry, and a large body of insurgents, five Americans were wounded, among them two officers. This is the company commanded by First Lieutenant Thomas P. Murphy, of this city, and as it has only three officers, there is a fear that Lieutenant Murphy may have been one of the two wounded officers referred to.

This is a possibility, though that non-commissioned officers were, meat, and this possibility is heightened by the fact that when a commissioned officer is wounded the name is invariably given in the dispatches.

CONDUCTOR ASSAULTED. Bernard McGill Has Three Men Arraigned Before Alderman Howe.

Bernard McGill, one of the conductors in the employ of the Scranton Railway company yesterday swore out warrants before Alderman Howe for the arrest of Thomas Burns, Andy Phelan and "Fletcher" Cannon, whom he charged with assaulting him early yesterday morning.

Burns was arrested at the time by Patrolman Neuls and fined in police court yesterday morning for drunkenness and disorderly conduct. He was arrested again yesterday and given a hearing by Alderman Howe who held him in \$500 bail. The other men have not yet been arrested.

POLITICAL NOTES. One of the most active and popular candidates for register of wills is Lewis H. John, of the First ward, who is the only working miner in the field. Mr. John has long been one of the active Republicans of the North End, and has served as clerk of the miners' examining board, also clerk on the mine foreman's board, and is well known in Old Forge and Taylor, in which places he received his education.

Common Councilman James Grier applies to the Democratic nomination for recorder of deeds. The rights now in progress for the Republican nomination for sheriff and recorder of deeds are, perhaps, the most interesting and spirited ever fought in the county.

MORE LITIGATION IN BROWN HOLLOW FEUD

SERIOUS CHARGES ARE PRE-FERRED BY T. J. LEWIS.

Says That John G. Ollendike, Alderman J. F. Atkinson and Constable Michael Moran Caused Him to Be Falsely Imprisoned, and He Now Seeks \$5,000 Damages—La Plume Borough Is Without a Burgess and Wants Court to Appoint One. Other Matters in the Courts.

Another legal battle in the Brown Hollow neighborhood war was precipitated yesterday when T. J. Lewis brought a \$5,000 damage suit against John G. Ollendike, of Brown Hollow, and Alderman J. F. Atkinson and Constable Michael Moran, of Carbondale. He alleges false imprisonment.

Lewis was a witness in several of the many cases in which Ollendike was defendant at a recent term of criminal court. Feb. 27, Ollendike had a warrant issued from Alderman Atkinson's office charging perjury against Lewis and locked him up in the city jail.

According to Lewis' statement, Moran arrested him at his home in Scott, and, refusing to allow him to enter bail, as he wished to, before 'Squire J. B. Swick, of Jermy, took him to Carbondale and locked him up in the city jail. He was kept there for six hours, so he avers, and then taken before Alderman Atkinson for a hearing.

By some process of lawing not explained, the defendant was discharged upon the payment of \$20 fine and 25 cents, so he alleges. He has now engaged Attorney E. C. Newcomb to show up the irregularity of all this and prove it possible that it was the result of a conspiracy.

LaPlume Is Without a Ruler. Just at present the borough of La-Plume is worrying about the fact it can without a burgess. William Tingley, who was chief factotum of the municipality, is also station agent for the Lackawanna railroad, and has been transferred by the company to a station in New Jersey.

Yesterday a petition was filed with Judge Archibald by Attorney R. H. Holgate, asking for the appointment of a burgess to fill the vacancy. It was signed by N. T. Dickinson, L. H. Holgate, Harlan Howe, B. C. Powers and S. J. Shook, and it is expected to be as the likely appointee.

Property of Francis A. Corbish and Lizzie A. Cornish, executrices, to P. W. Stokes, attorney, for \$73,855.

COURT HOUSE NEWS NOTES. John Hailstone, treasurer of Moose borough, yesterday filed his bond in the office of Prothonotary John Cope-

land. It is in the amount of \$5,000 and has William Dick and Thomas Hailstone as sureties. Articles of limited co-partnership were filed yesterday by Attorney W. W. Watson, acting for W. H. Taylor, Pittston, David E. Taylor and J. A. Linn, of Scranton, who have organized the Schuykill Supply company with a capital of \$30,000 for the purpose of conducting a general supply business at St. Clair, Schuykill county, and other places. The main office of the company is to be located in Scranton.

REV. MR. WILLIAMS' WORK. Where He Will Speak During the Next Two Weeks.

Rev. W. H. Williams, the Anti-Saloon league superintendent, came in last night from Montrose. He secured the names of the Anti-Saloon league there. He will return to Montrose next week, when he hopes to perfect the organization. Mr. Williams leaves today for Williamsport, where he speaks three times tomorrow. He goes to assist the superintendent of the Williamsport district.

Mr. Williams has appointments to speak as follows: Williamsport, May 13; Montrose, May 14 to 18, inclusive; Pittston, three times, May 20; Moosic, May 21 to 25, inclusive; Philadelphia, May 27, three times; Old Forge, May 29 to June 1, inclusive.

Mr. Williams says he is quite well received by the churches, the preachers and people.

THAT COFFEE AGAIN. I like to talk about Coffee because it's worth talking about. It's the best Mocha and Java blended to the Queen's taste, and want cost you 40c, at most coffee stores, but we sell it 3 lbs. for \$1.00, at most coffee stores. I ever drank it, exclaims another delighted lady, who is an excellent housewife of good coffee.

of the Delaware and Hudson railroad, by an engine running into the wagon in which he was seated, with ten prisoners returning from work on the Newton turnpike, passed in a good day, at the Lackawanna hospital yesterday. He did not seem to suffer much pain, and will undoubtedly recover. John Finnigan, the prisoner who was injured, and was taken to the Lackawanna hospital also rested easily.

The five other prisoners who were injured, are receiving treatment at the county jail from the jail physician, Dr. J. F. Saltry. Yesterday they were all in a very bruised and battered condition, and while no bones were broken, suffered from a general soreness and another gang had to be selected to work on the road.

RETURNS FROM THE FIGHT. Big Crowds Heard Tidings of Fistic Battle at Central City Hotels.

The news of the Jeffries-Corbett fight was received by special wire at several hotels in the city last night. In each case the places where they were received were crowded by a very enthusiastic throng, who gave vent to their feelings as the returns came in in a most hearty manner.

Not very heavy betting was done, but in that which did occur Jeffries was the favorite. As the first rounds came in, however, and the news of Corbett's wonderful showing was announced, the latter sprang into favor, and the followers of the present champion began to look a trifle blue, while "Pompador Jim" was again hailed as the prospective king.

The eighteenth, nineteenth and twentieth rounds continued to come in with the crowds cheering for Corbett, and then there came like a thunderbolt the news that in the twenty-third round Jeffries knocked Corbett out and remained the premier pug of the world.

ESHENBAUGH KILLED. Serious Head On Collision Last Night Between Two Freight Trains in the Cayuga Yard.

William Eshenbaugh, of 543 North Main avenue, was instantly killed at 10:30 o'clock last night in a head-on collision between two Lackawanna freight trains in the yard outside the Cayuga mines. The two trains went together at a fairly high rate of speed and came together.

One of the locomotives was tipped over by the force of the collision, and on this Eshenbaugh was the fireman. He was pinned underneath the wreckage and it took over an hour to remove the body, which was removed to Cusick's undertaking establishment.

No one else was injured by some whim of fate. The locomotives were in charge of Engineers Gable and Staples. The wrecking car was hurriedly dispatched to the scene and at an early hour this morning the track was cleared.

TO INCREASE CAPITAL STOCK. Lackawanna Telephone Company Will Branch Out.

The officers of the Lackawanna Telephone company have made application to the Board of Public Utilities at Harrisburg to have the charter of the company amended so that it may do business not only in this city but any place in the state. Coupled with this a meeting of the board of directors will be held in a few days for the purpose of increasing the capital stock of the company. Just how much it is to be increased and just what the plans for the future are will not be divulged by the officers until after this meeting is held.

It is understood, however, that the company intends branching out into a number of the surrounding counties. In the meantime, work on the installation of the local plant has not been commenced, owing to the non-arrival of certain material. This is expected in a few days, however, and then active work will be begun.

ACCUSED OF THEFT. Joseph Marley, of Mulberry Street Charged with Robbing a Man.

The police were yesterday notified by a certain Rochester man, who was visiting the city, that he was robbed Thursday night of \$125, and who accused Joseph Marley, of Mulberry street, in whose company he was during the night of the theft. They had been together most of the night in several Penn avenue saloons, and when they were through the Rochester man was in a very hazy condition, and thinks his companion took advantage of his helplessness to rob him.

Marley was arrested yesterday afternoon on Spruce street by Detective Milton Miller, and in default of \$125 bail he was committed to the county jail.

WENT TO SEE THE FIGHT. Scranton Was Represented at Coney Island Last Night.

A number of Scranton sports went to New York yesterday afternoon on the Lackawanna train to witness the Jeffries-Corbett fight at the Coney Island Athletic club. Nearly all of them would have their friends believe that they were called to the metropolis on business, and were there on a legitimate errand.

The prevailing opinion among them was that Corbett would last ten rounds with the boiler-maker.

THREE INCHES OF SNOW. Light Falls Reported from Various Parts of the Country.

Snow fell in various parts of the county early yesterday morning, and the patrolmen report light falls on the West Side at 3 o'clock. In Moscow the fall was three inches in depth.

ROMANCE OF THE KANSAS GIANTESS

WAY SHE WAS WON BY HER BIG TEXAN HUSBAND.

She Is Seven Feet, Eight Inches Tall and Agreed to Give Her Hand to the Man Who Was Tall Enough to Kiss Her—Sons of Kansas Tried in Vain to Perform the Feat and Then Came the Texan Who Won with Ease—He Is One Inch Shorter Than His Bride.

Anna Shields, the Kansas giantess, who was the stellar side-show attraction at Forepaugh's circus, which appeared in the city Thursday, and who suffered a broken leg Thursday night by the platform on which she was seated giving way, is one of the most interesting patients at the Lackawanna hospital. The bone has not been set yet, and cannot be until the swelling subsides, but the "mountain of feminine loveliness," as an energetic press agent described the giantess, does not appear to suffer any great pain.

Contrary to the description given by the Barker who announced the giantess as Miss Annie Shields, she is a married woman, the wife of Shade Shields, of Texas, who travels with the show, in the dual capacity of strong man and Rough Rider. He is 7 feet 7 inches tall and weighs 275 pounds, and is just one inch shorter than his wife, who is 7 feet 8 inches in height and weighs 290 pounds. He is staying in the city, waiting for his wife's recovery.

Mrs. Shields was seen yesterday at the hospital by a Tribune man. She was born in Germany, but came to this country when yet a child of three years, at which time she did not weigh more than eighty-five pounds, with her parents, both of whom were but ordinary-sized people.

As she attained womanhood, however, she grew and she grew and she grew. There is a pretty romance connected with her story of her courtship and wedding. She declared that no man could gain her hand who could not first implant a kiss on her ruby lips.

The youth from all over Kansas, her home, attempted the feat. Big husky lads they were for the most part, but none were of stature sufficient to win the prize.

At last there appeared one day Shade Shields, of Texas. He was one inch shorter than the maiden fair, but this was no particular hindrance in the performance of the feat before him. They then joined forces, and for the last sixteen years have toured the country together, with various circuses and side shows.

It was necessary, yesterday, to shift Mrs. Shields' bed, and it required the entire hospital force, aided by several patrolmen on the neighboring beats, to perform the task.

Mr. Shields was born in Texas and has six brothers almost as big as himself.

1,000 Trains Per Day. pass over the Union Elevated Loop system of Chicago, reaching every part of the great metropolis of the West.

All these trains stop directly at the Lake Shore station in Van Buren street, thus enabling passengers on the Lake Shore Railway to reach almost any part of Chicago by simply stepping from one train to another, thus saving the expense of cab hire and considerable annoyance. The Lake Shore and Michigan Southern Railway without doubt offers more conveniences to its patrons than any other railroad between Buffalo and western cities.
