Two new books are here-worthy a place in every library—we give them our un-qualified endorsement:

Philip Winwood-Robert Neilson Stephens. From Kingdom to Colony -Mary Devereaux.

They are without question the peer of any fiction that has been written in recent years.

Albatross.

That's the peculiar name the manufacturer gave to this new weave of Dress Materials, a sort of cross between a very fine French Bunting, and a firm Nun's Veiling, though much softer in texture in the latter. Crumple it in your hand and it will not crease, though to all appearances it is as light and fragile as } a Chally.

About as ex- \ quisite for Summer dresses as anything mechanical art has devolved in recent . years.

Heliotrope, Pale Pink, American Rose, Softest Cream, Royal Blue, Rich Amber,

These are the

colors. Albatross is forty (40) inches in width, and though we'd marked it to sell at 59 cents, we make an introductory price for today and tomor-

but it will not be sold at this price except on the days mentioned.

Who'll be the first for a Dress Pattern? to have something new and ultra-stylish, before it is common property. There is less than a half thousand yds, all told-so you are sure of considerable exclusiveness in any event. We can buy no more this season, as the mills are busy weaving heavier stuffs for Fall and Winter.

REV. DIXON'S CAMPAIGN.

Wright.

The Stroudsburg Minister Epxpects to Take the Stump.

pecial to the Scranton Tribune. Stroudsburg, May 13.-Rev. E. E. Dixon, pastor of the East Stroudsburg Methodist Episcopal church, announces that if he can find time he will certainly stump the Eighth Congressional district in the interest of his candidacy for congress. Rev. Dixon a few days ago was nominated for congress by the Prohibitionists of the Eighth district, composed of the counties of Carbon, Monroe, Pike and Northamp-

The reverend gentleman was made prominent a few months ago by making a prayer calling upon God Almighty to strike with lightning the new brewery which is being built in this town. The fight in the Eighth is expected to be a lively one. The Democrats are divided on the question of representation and rotation, Monroe county claiming that she is not properly represented-Northampton county, under the leadership of ex-Congressman Howard Mutchler, is opposed to Monroe claims. The present congressman, Laud H. Barber, is likely to be defeated in Carbon county for renomination, and this is likely to create a bitter feeling among the friends of Barber. It is stated that ex-Congressman Mutchler is anxious to be returned to congress.

BASE BALL ACCIDENT.

Frank Cornell, of Nicholson, Seriously Injured by a Foul Tip.

d to the Scranton Tribune. Factoryville, May 12.-A serious ac ident happened at the base ball game m Keystone's grounds Saturday, in was the victim, and which may cost ilm his life. He was standing, along about fifteen feet of the home plate, when a foul tip from the bat hit him between the eyes on the forehead. He fell, but soon was able to walk around, apparently none the worse for the blow. At the end of the game he started to leave the grounds, when he threw up his hands and fell unconscious.

Dr. Hiller was hastily summoned and the injured man carried to one of the school buildings, where he be came delirious and required the efforts of three strong men to hold him. At the present writing the physician could not tell wether the fracture is a bone on the brain or a blood clot. He is in a very serious condition and may not recover. He is about 17 years of age and a son of Jerome B. Cornell, of Nicholson.
