THE SCRANTON TRIBUNE-TUESDAY, MAY 29, 1900.

END OF THE CARD CASE.

Important Decision Rendered by Judge McClure.

Special to the Seranton Tribune. Towanda, May 28 .- The opinion of a

very important case has just been filed in the prothonotary's office by Judge H. M. McClure, of Union county, in the case of J. B. Card vs. Columbia township. The rule for a new trial was dismissed and judgment directed on the verdict, favoring the township,

The case was very important to the township and to the state as well. It grew out of an accident on what is known as Balley hill, in Columbia the latter are joined together at the township, on August 17, 1894, in which Mrs. Card was killed and several other persons injured. It is alleged the accident was due to the negligence of the township authorities in not providing guard ralls along said road. It was first brought to trial in court before Judge Archhald, of Scranton, in Octo-1895, and a verdict of \$2,600 was awarded the plaintiff. The township appealed to the Supreme court and a v trial was ordered, which came on at Troy in October, 1899, before Judge McClure. The last trial resulted in a verdict for the township.
