SHEFFLER'S HOME RUN.

The Old Boy Lined 'er Over Center Field Fence in Yesterday's Conquest of Allentown.

Billy Sharsig and his aggregation of Allentown Peanut-eaters were a body of very uncomfortable individuals as they rode to their hotel after yesterday's game with Scranton. It was the third game of the present series and it was the third victory of Burnham's men, the score at the end being 12-8.

The one bright particular feature of the contest was the fact that one Sheffler, the aged man who gambols around the Scranton right field, in the second inning, duplicated his feat of Saturday by hitting the ball over the center field fence. The good old man received thunderous applause from the fifw hundred spectators present and as he took his seat on the bench he cordially shook hands with himself.

Allentown started the game with a rush, scoring two runs on errors by Jack O'Brien, McIntyre and Toft, followed by News' three-baser. This latter gentleman is the same individual who Saturday batted a beauty over the center field fence, and when he came to the bat the fans looked anxious. He had a terrific swing and landed the ball between deep center and left, getting three bags on it.

When the side was at last retired the Allentown men took the field and Stimmel went into the box. This same Stimme' is the ungainly youth who on his last appearance in Scranton this season held the locals down to one run and three hits.

After Knoll had gone out, Jack O'Brien came to the bat and rapped a nice one to right field. Old Boy Sheffler grasped his hickory and some one in the grand stand remarked hopefully, "Over the fence Sheff." The next instant the ball dropped beautifully in the field back of the center field fence and after the game thirteen little boys fought for the privilege of carrying Sheffler's bat for him.

Stimmel was far from the Chinese puzzle that he was on his first appearance here, every man on the team getting one or more safe ones off him. In the second inning the team batted around, singles by Doherty, Pirate O'Brien, Millerick, Knoll, Jack O'Brien, Sheffler's force and News' error giving Scranton five runs. In the third singles by Millerick and Kennedy, McManus' passed ball and News' error gave us two more. After two men were out in the fifth Hub Knoll singled, went to third on Stimmel's error and scored on Jack O'Brien's third single. In the sixth we made our last two runs. Toft singled to right and moved up a base on Stimmel's kindly giving Doherty a base on balls. Then Toft almost gave McManus heart failure by starting for third, Doherty went down to second at the same time and the Allentown catcher was so rattled that Toft and Doherty's double steal left them both safe. Pirate O'Brien hit a scorcher to right field and Toft and Doherty came in.

In addition to the two runs by Allentown already mentioned the Peanut-eaters scored in four other innings. In the third Henry doubled to right, West singled and both scored on Knox's muff of Smoot's long fly.

In the fourth inning Jim Delehanty was hit with the ball, Henry and West singled and Joe Delehanty contributed a hot one to the collection, two more runs coming in.

In the seventh Smoot singled, went to third on McManus' single and scored on Kuhn's drive, which Pirate O'Brien fielded to Toft. Joe Delehanty was the first man up in the ninth inning. He selected one to his liking and batted it far over Knoll's head, it almost striking the fence in deep left. It was fielded sharply and Joseph was held at third base. News sent a hot one to Pirate O'Brien and Del scored on the play, making Allentown's last run, as Smoot sent one to Jack O'Brien and McManus banged out a hot one which Kennedy pulled down. Fifteen Innings at Reading.

Reading, May 28.—The locals defeated the Jersey City club in an exciting fifteen inning contest today. Jordan retired in the fifteenth in favor of Ames. An error by Battam of a liner from Tate's bat tied the score in the ninth. Opportune hitting and an error by Veach allowed the winning run on Conroy's hit. The playing of Cross has never been equalled on the home grounds, he accepting fifteen out of as many chances. Score:

Wilkes-Barre Defeats Elmira.

Elmira, May 28.—Owens' masterly pitching and Wilkes-Barre's perfect fielding coupled with Elmira's costly errors made the score what it was today. A drizzling rain fell on the diamond during the greater part of the game making the ball hard to handle and Elmira disheartened at Wilkes-Barre's ever increasing score, fell down repeatedly on apparently easy plays. WHAT BURNHAM SAYS.

Manager of Scranton Ball Team Talks About Present Situation.

Manager Walter Burnham, of the Scranton team, was in Philadelphia Sunday, and says that while he was there President Fogel, of the Atlantic league, received a telephone message from Manager Irwin, of the Newark team, utterly denying the story regarding the Newark players striking for their salaries. The real cause of the delaying of the Sunday game was the exorbitant demand made by the owner of the Newark grounds. Manager Burnham says that the reason for the non-appearance of the Newark team at Philadelphia yesterday was only due to a hitch in the transportation arrangements.

Several changes are contemplated in the Atlantic league. The Athletics, of Philadelphia, will be transferred to Harrisburg and the first game played there will take place on Memorial day. The two New Jersey cities will also be transferred and Wilmington, Lancaster and Atlantic City are mentioned as the probable successors of Newark and Jersey City.

RIGHT OFF THE BAT.

Allentown again today.

Kervin and Toft will be in the points.

Kuhn hasn't made a hit on the Scranton grounds this season.

West will probably pitch again for Allentown. If he does we anticipate the result.

McIntyre had his hand hurt in the first inning and Toft took his place at first and played a very fair game.

Elmira has signed a player named Zehler from Springfield. He will be tried at short stop and Grant sent back to center field.

The National board has decided in favor of Wilkes-Barre, in the case involving the claim made by the Schenectady team for Catcher Messitt.

Chesbro is beginning to strike his gait now and in yesterday's Pittsburg-New York game shut out the Giants and only gave them three hits.

Russell is proving the best umpire that has officiated at the home grounds this season. His decisions are far from faultless, but on the whole are very acceptable.

Owens continues his masterly pitching at Wilkes-Barre. The Scranton players claim that he and Stimmel are the two best twirlers they have faced this season.

Allentown again today, and tomorrow morning we take a fall out of Wilkes-Barre here. In the afternoon we play the Barons in their own bailiwick. Thursday we are at Wilkes-Barre and Friday are idle. Reading is here Saturday.

Pitcher Jamieson was expected to report for duty yesterday but failed to appear. He will probably be on hand today and in case he shows up at the grounds will be given his turn in the box. Otherwise Kervin will be relied upon to foil the Peanut Eaters.

Kid Cross had a phenomenal record in yesterday's great fifteen-inning game between Reading and Jersey City. Two outs and thirteen assists are what the score shows his work to have been. In the same game Catcher Byers, of Jersey City, accepted thirteen chances.

The Allentown team was crippled by the absence of Tom Delehanty. He hurt his hand in the first game Saturday and as a result Pitcher West has been sent to left field, Joe Delehanty brought into first and News shifted to second. West plays well in left field and Joe Delehanty does very creditably at first base, but News is a dismal failure at second base. He is a good first baseman but a very yellow second bagman. He and Joe Delehanty are by far the two heaviest hitters on the team.

Yesterday's Philadelphia Public Ledger says about the trouble at Newark Sunday: "Yesterday's Newark-Jersey City game at Newark was prevented by the lessee of the Shooting park grounds, who, suspecting that the Newark club has secured new grounds, and would, therefore, move in a short time, wanted to handle the money taken in at the ticket office himself, on the pretext of having a claim of $40 against the home club, and then attach all the receipts to hold as a forfeit because the club did not finish the season on his grounds. The managers of the two clubs, of course, refused to let an outsider sell tickets and keep all the money, and as a result there was no game, to the disappointment of from 2,000 to 5,000 people. The two clubs were willing to pay the lessee his claim of $40 in advance, but he refused to accept it, which convinced them that his scheme was to attach all the receipts, and naturally they refused to play."
