Owing to the late arrival of the Reading players yesterday Scranton play any game. The only did not games played in the league were between Allentown and Harrisburg, Sharsig's men acting very selfishly and taking both games from the new comers.

In the National league the three leaders were downed and Pittsburg and Chicago now slip ahead of St. Louis, which goes to fifth place. Boston keeps up its splendid spurt and draws nearer every day to the first division teams. The averages follow:

#### NO GAME YESTERDAY.

The Reading Players Missed Their Train and, as a Result, Did Not

Get Here in Time to Play.

There was no game at Athletic park yesterday, to the disappointment of the fans who had turned out to see Reading play. The men from Berks missed connections at Philadelphia, and, as a result, the game was declared The game this afternoon will be called at 3.45 o'clock as usual and tomorrow there will be two games played. This afternoon Milligan will probably twirl for Scranton and be caught by Toft.

Manager W. A. Miller, of Reading, and part of his team, arrived in the city late yesterday afternoon. The players are an entirely new aggregation, the old line-up being done away with. The men will be led on the field by Captain McLoughlin, an outfielder and pitcher. He is one of the best known players, speaking from a local standpoint on the team, as in '93 and '94 he played with Wilkes-Barre, and for a time this season twirled for Newark. The majority of his men are young players from the Southern and New England leagues, and are said to be a fast set of ball tossers. The Harrisburg team will consist of several of the Jersey City men and some of the Athletics, notably Schoch, the ex-Brooklyn third baseman and general utility man, who will play second base and, probably, captain the team. The nine presents a pretty strong looking line-up now and will well represent Pennsylvania's capital on the city.
