MRS. EVANS TOOK AN OVER-DOSE OF LAUDANUM.

Suffering from the Effects of an Operation She Endeavored to Get Relief by Taking the Fatal Drug. Wedding in Hennessy Court—Had a Hot Finish and Resulted in Arrests-Mine Workers Hold a

Mrs. Mary E. Evans, wife of Henry Evans, proprietor of the French Roof hotel on Washburn street, died at 16 o'clock yesterday morning as a result of taking an overdose of laudanum. The circumstances in connection with the case have been misstated, and the relatives of the dead woman are much grieved over the reports set affoat yesterday to the effect that the woman committed suicide.

Mrs. Evans had been suffering for a long time as a result of an operation performed many months ago, and on several occasions had taken laudanum to quiet the pain which she suffered from. On Monday evening Mrs. Evans retired early on account of not feeling well, and about 10 o'clock called her husband to the room and asked for a glass of water.

Mr. Evans complied with his wife's request, after which he returned to the barroom and continued in his usual work until after midnight. He did not notice anything wrong with her, except that she seemed to be suffering intense pain. When he returned to the room to retire, after closing the hotel, the woman appeared to be breathing

Several members of the family were summoned and an effort was made to arouse her, but without avail. Drs. Paine and Evans were called, and discovered that Mrs. Evans had taken an overdose of laudanum. They set to work to relieve her, but their efforts were not successful and she succumbed to the effects of the drug.

When seen by a Tribune man last evening, the husband stated that so far as he knew his wife never intended to end her life, and merely drank the laudanum to produce sleep and ease the pain. They were married one year ago today, and expected to celebrate the event with a social gathering, providing her illness would permit of such

Mrs. Evans was the daughter of George Evans, who conducted the French roof for many years, and was a well-known young woman, having resided on Washburn street since childhood. She was twenty-five years of age, and is survived by a child by a former husband. The funeral arrange ments have not yet been completed,

TROUBLE AT A WEDDING.

An Assyrian wedding was conducted in Hennessy court, Monday, and dur-ing the celebration several children became involved in a quarrel. Mrs. Martha Scoff, of 919 Scranton street tried to act as peacemaker, but Ferris Fikany wouldn't stand for that, and proceeded to take a hand in the mixup by abusing Mrs. Scoff.

He even went so far as to commit an assault upon the woman and tore her clothing. A warrant was issued by Alderman John for Fikany's arrest, and Abraham Corey, a step-brother of the defendant, also cut some figure in the argument.

The case was finally settled by Fikany paying the costs and compensat-Meeting - Personal and Other ing Mrs. Scoff for the damage done to her wearing apparel. The charges against Corey were withdrawn.

RUBBER COLLECTION DAY.

Every child attending school in the city will take the trouble today to gather up around their respective homes all the old rubbers that have been cast aside, and tomorrow bring them to school, where they will be deposited and later called for by delivery wagons. The purpose of the scheme is to aid the Home for the Friendless in a financial way, the rubber goods being sold to manufacturers, who convert the material to other uses The rooms formerly occupied by the ummage sale on Spruce street have been engaged for receiving the contributed articles and anything from rubber overshoe to a rubber neck will be received. The old worn out shoes are useless to the owner ,but when several hundred pounds are secured quite a sum can be realized from the sale.

ANOTHER FALSE ALARM.

The alarm from box 36, corner of Jackson street and Lincoln avenue, at fever, 10.40 o'clock yesterday morning, was false, and was the result of the pranks of several small boys, who evidently did not realize what they were doing. When the Franklins, Columbias, Eagles and Hooks reached the box there was great consternation. Hundreds of persons gathered. The mischievous urchins had broken the glass on the box and turned the key, and when they heard the fire fighters coming they ran away and mingled with

WHEN LOVE INVITES

The woman follows the man of her choice though the path leads out of Eden into a world untrodden and untried. What is her reward? Many a time when her health is broken by the burdens she has borne for the man's sake, her reward is to see him turn from her to seek rosier cheeks and brighter eyes. It is man's nature to crave beauty in the wife as in the maid. And what woman is there, who would not be happy to keep her maiden bloom when motherhood has crowned her wifely happiness? Some women seem to have found this secret of perpetual youth. "Age cannot wither them." They have learned that fairness of face and form depend upon the health, and that the general health depends upon the local womanly health. They establish regularity of the periods. They dry the disagreeable drains which draw the luster from the eyes and the vermilion from the lips as well as sap the body's strength. They quench the internal fires of inflammation in which the very elements of beauty are consumed. They heal the ulcer which gnaws into the very life. They walk the world as wonders-women exempt from the sacrifice to love. How have they done this? By the use of Dr. Pierce's Favorite Prescription, which makes weak women strong and sick women well. It matters not how weak the woman is, or how sick she is, "Favorite Prescription" will cure the womaly ills that vex her; will round out the sunken curves of her form, put light in her eyes, tint her cheeks with health's carnation, and make her a glad and happy woman. Hundreds of thousands of women testify to the truth of these statements. Let every ailing woman read the two testimonials given below and remember that these two women speak for more than half a million other women cured by the skill of Dr. Pierce and by the use of his "Favorite Prescription."

There is no alcohol in "Favorite Prescription" and it is entirely free from opium, cocaine and other narcotics.

INDESCRIBABLE MISERY.

"Words cannot tell what I suffered for thirteen years with uterine trouble and dragging-down pains through my hips and back," writes Mrs. John Dickson, of Grenfell, Assiniboia Dist., N. W. Ter. "I can't describe the misery it was to be on my feet long at a time. I could not eat nor sleep. Often I wished to die. Then I saw Dr. Pierce's medicines advertised and thought I would try them. Had not taken one bottle till I was feeling well. After I had taken five bottles of 'Favorite Prescription' and one of 'Golden Medical Discovery I was like a new woman. Could eat and sleep and do all my own work. I would entreat of any lady

GRATEFUL BEYOND WORDS.

"Words cannot express how grateful I am for your kind advice and your 'Favorite Prescription,' " writes Mrs. D. B. Barricks, of Perrows Campbell Co., Va. "I feel that it has cured me. I had been in poor health for four years. Suffered greatly with my right side, also with bearing-down pains, and my nerves were in a dreadful state. After using four bottles of your 'Favorite Prescription' I am now well. I am the mother of two children. With the first child I suffered twentyeight hours, and with the second I used your medicine and was sick only three hours. I believe Dr. Pierce's Favorite Prescription to be the best suffering from female weakness to give Dr. Pierce's | medicine in the world for suffering females. I wish you great success, and hope that God will bless you Prescription a fair trial, for I know the benefit she in your noble work."
