# KERVIN'S GREAT VICTORY.

Young Scranton Southpaw Shut Out Harrisburg Yesterday and Gave Them One Little Scratch Hit.

Before a fair-sized crowd yesterday afternoon the Scranton team played an interesting game with Harrisburg, and won out by a score of 6-9, the Legislators being white-washed through the magnificent pitching of Southpaw Kervin, the young twirler holding the men from the capital down to one very dublous scratch single, a hit, by the way, which was of that variety that there were many in the crowd who thought it should have been scored an error for Pirate O'Brien rather than a safe one.

It was a drive down to second which the hard-working Scranton captain made a stupendous effort to get, but was unable to handle. Kervin was in rare form, and sent the ball steaming to the plate in a manner which made the Harrisburg sluggers feel sorry they ever left their happy

A hit was saved Kervin in the last inning by Hub Knoll. Byers, the Harrisburg catcher, one of the mightlest sluggers in the league, was at the bat. Kervin served up one of the variety which he is particularly fond of, there was a resounding whack and the ball shot high over Knoll's head in deep left. Byers' countenance re-around the circuit, fondly imagining

that he had a three-bagger at least. He reckoned without Knoll, however, The little outfielder turned and started after the ball at a terrific rate of speed. He then suddenly turned and jumping into the air pulled in the ball with his one hand. It was the greatest catch made on the grounds this season, and so astonished Mc-Gaire, the next Harrisburg man up, and fanned out.

Mike Doherty was out of the game. Smoot. If ........ His leg has been bothering him for Barber, of time and Manager Burnham thought it best to allow him a little rest. Toft was assigned Doherty's place at third and filled it most acceptably, his one error being a wild

Hub Knoll again led the batting, opening the game with a beautiful threz-bagger to left-center. next time up he made a two-bagger, and in his third appearance made another drive for two bases. He drew a base on balls and flew out to second in his other times up. Millerick was also in evidence with

the willow, and his three-bagger in the second inning was a thing of beauty. Jack Keener was in the box for Harrisburg. He is the pitche who earlier in the season was claimed by Burnham for Scranton, but who was allowed to go to Jersey City, the local manager withdrawing his protest. He pitched a fair game and was well supported. Ferguson, who opened the season in the Scranton field, but was released on account of the local superabundance of good outfielding talent, played third base for the visitors. He fielded the position well, but like the other members of the team, was unable to connect safely. Spike Shannon, who played right field for Richmond last year, was in garden for Harrisburg and played his position like a veteran, and in fact the entire team played a nice, snappy game. Their work was a big contrast with the sloppy show-

ing made here by Reading. Kervin's work yesterday was marred by one thing only, and that was the fact that he was a trifle wild. He gave three bases on balls and hit three batsmen, plunking Shannon, Mc-Guire and Keener. The pitcher was struck in the side and for awhile was unable to walk to the base.

Scranton opened the game with a rush, scoring a run in the first inning on Knoll's three-bagger and McGuire's muff of Jack O'Brien fly. In the see ond Pirate O'Brien's single, Millerick's fine three-bagger and Knoll's twobagger earned two more, and in the fourth Millerick's single and Knoll's

second double earned another run. In the sixth Pirate O'Brien placed a pretty one in left. Millerick made a neat attempt to sacrifice, but Keener picked the bunted ball up and threw it about a block over Berryhill's head. the Scranton captain scoring and Millerick going to third. Kervin's hot Phillippi, the young Pittsburg twirler, covered hirself with glory yesterday by holding the strong Brooklyn team down to one lone hit. Barber, who was released by Wilkes-Harre, has been signed by Allentown, and will do most single to center scored him. The story of the game follows:

O'Brien, 88 McIntyre, 1b ...... Toft, 3b ..... P. O'Brien, 2b ..... I any extra men. The management is carrying just

nine men. Keener and Witrock, the two pitchers, taking turns in right field.

Joe Delehanty played at short for Allentowa yesterday and played a wretched game, making five errors. Delehanty is a splendid left fielder and it seems a pity that he must be so often dragged into the infield, where he necessarily appears at a disadvantage. "Derby Day" Clymer didn't do a thing to the

ball in yesterday's game with Reading. He made a home run, a triple, two doubles and and a single, a total of twelve bases which heats Hub Knoll's record for eleven bases. Queen and Griffin were the Reading pitchers whom the Wilkes-Barre manager captain touched up in such a very lively manner.

Increasing Interest in the Approaching Election - Coming Social - Personal and Other Notes.

As the primary election draws near the political excitement increases and each day brings the visits of several candidates and their legion of friends, whose steps are eagerly followed by the local would-be politicians. Crawford county system will, no doubt, prove an interesting lesson to observing voters, as well as to the political aspirants for office, and when the result of the primary election is made known it is safe to say the defeated candidates will not be alone in their disappointment at the system, which promised great results and which, it was heralded, would bring about so much good, and give every man a change.

In connection with the school commencement exercises we unintentionally omitted the name of Miss Cora Lay-man, who did much hard work in drilling and preparing the sweet girl graduates for the happy occasion and to whose help and suggestions they are indebted for much of the success they achieved.

THE NEXT MOVE.

The next move in school affairs which are the absorbing topic just now, will be an effort to change the course of study. The people are beginning to realize that this is of more importance than the difference of a few dollars in officials' salaries. The board is about equally divided, with Professor Hockenberry in favor of lowering the standard and Superintendent Garr opposed to changing the present course, which embraces the higher studies. A majority of the people, which majority has not had the advantage of the higher education, seem to be in favor of abolishing the more advanced studies.

#### SOUTH SIDE FAVORED.

The South Side site for the new silk mill is favored by the Empire company, and the only thing that stands in the way is the coal beneath the surface. The mill owners want everything, clear through to the Celestial empire, and the Delaware and Hudson company, which controls the mineral rights is slow in deciding whether it will relinquish. Officials now have the matter under advisement. If the ydetermine the question adversely the mill will probably go to upper Belmont street, otherwise the South Side seems to be sure of it.

They will be dealt with according to law. Mr. Garvey made a motion that the chief of police be paid a salary, which brought on a heated discussion. It was finally stated by President John M. #### TAYLOR NEWS.

A Delightful Reception—Poor Water Supply-Personal and Other News Notes.

The home of Mr. and Mrs. John Steele, of Storrs, was the scene of a most delightful gathering on Tuesday evening, the occasion being a reception tendered to Mr. and Mrs. Louis Weaver, of Cleveland, Ohio, who have been here spending their honeymoon during the past few weeks. The affair proved to be a most enjoyable one in every respect. The evening was spent in the customary party diversions, after which delicious refreshments were served.

The Taylor Reds, the home base ball aggregation, will journey to Old Forge tomorrow, where they will battle for supremacy and a purse of \$25 with the Dashers of that place. The prize will be given by the United Mine Workers, who will conduct a pienic in the Jermyn Pine grove. The Reds will line up as follows: Glynn, catcher; There was a quiet wedding celebrated Morris, pitcher; Lydon, first base; Schilds; center fielder, Watkins; right fielder, Stone. Game commences at 4

> o'clock. The residents of North Taylor are beginning to complain about the poor water supply which has been furnished of late by the Taylor Water company. After 8 o'clock at night the water is very scarce and, as a result, the people living on Fourth and Fifth streets do not receive any benefit at all. This town has the poorest water supply of any town in the state, both for family

use and fire fighting. The Italian Political club of Old Forge will meet this evening at Biancardi's hotel, at 7 o'clock sharp. Mr. Thomas Patterson, of Avoca, vis

#### Would Not Suffer So Again For Fifty Times Its Price. I awoke last night with severe

pains in my stomach. I never felt so badly in all my life. When I came down to work this morning I felt so weak I could harly work. I went to Miller & McCurdy's drug store and recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy, It worked like magic and one dose fixed me all right. It certainly is the nnest thing I ever used for stomach my home hereafter, for I should not care to endure the sufferings of last night again for fifty times its price .-G. H.
