Honesdale Resident Expires of Injuries Received from a Fall. special to the Scranton Tribune.

Honesdale, June 11 .-- The accident which happened to Mr. William S. Hayward, Friday afternoon, resulted in his death at 4 o'clock Sunday morning. He was papering the ceiling in the hall at the residence of Mr. Com Durland and the ladder on which he was standing broke and he was thrown to the floor below, striking on his head. He was rendered unconscious and remained so until his death. Mr. Hayward was one of Honesdale's oldest, most respected and industrious citizens.

The funeral will take place from his late residence on Tuesday at 3 p. m. Rev. G. A. Place will conduct the services. Interment will be in Riverside cemetery

Mr. Hayward leaves to mourn his loss his wife, three sons and one daugh-John, in Scotland: William, of Orange, N. J.; Coe and Miss Clara, of Honesdale. He also leaves two brothers and three sisters: John, of Stan-hope, N. J.; Edward, of Hackettstown: Mrs. W. H. McCroy, of Orange; Mrs. C. W. Hobbs, of Middletown, and Mrs. William Hill, of Honesdale.

HOPBOTTOM.

Special to the Scranton Tribune, Hopbottom, June 11 .- The Children's Day programme at the Universalist church yesterday was very well rendered and was enjoyed by a large audience. The church was eloborately decorated with flowers and ferns. The children deserve especial praise for the manner in which they gave their little songs and recitations.

The funeral of Mrs. Woodberry Wil-bur was held at the Methodist church Saturday afternoon. Rev. Homans officiated. Mrs. Wilbur went to Pittson about two weeks ago, with her daughter, Mrs. Farris Millard, and her death occurred at the home of the daughter whom she went to visit.

Mr. Ralph Archibald, who was reelected last week as principal of the school here, has accepted a more lucrative position at Waverly, Pa.

Lathrope township has taken a long stride forward in the matter of educational enlightenment. The newly organized school board have voted that there shall be no more "boarding around" ordeal for the teachers, and the salary of \$25 per month, which they wil pay is a little in advance of other rural districts in this vicinity. The antiquated practices and inadequate salaries of Northern Pennsylvania are a disgrace to the state, and serve to send energetic and wideawake teachers into more appreciative fields for their work. We are glad to notice that Lathrope is coming out of its Rip Van Winkle slumber. Mrs. James Kernck is spending the week with her parents and friende in this place.
