Penny; recording secretary. After the installation a social session was held and cake, fruit and ice cream served.

Children's day was observed in the First Baptist church Sunday with appropriate and pretty exercises. The singing was a special feature of the interesting service and the duets, trio and choruses were excellently rendered. Miss Rachel Griffiths also sang a very pretty solo, and the whole programmwas much enjoyed by the large congregations present. Miss Susie Cure, one of the member of this year's graduating class of the public schools, has distinguished herself by passing the juntor final exam ination at the Stroudsburg Normal school. By this means it will be possible for her to obtain the senior course and graduate in one year. This has been done by Miss Nellie Boundy, another pupil of the Jermyn schools, who will graduate from Stroudsburg on Thursday. It is such pupils as these that reflect honor on their schools, and it is something that the principal. teachers and people of Jermyn may well take pride in. Mr. John Jenkins, another Jermyn resident, who graduates from the same institution this year, has also distinguished himself and has been honored by being made president of the class. Misses Martha B. Walsh and Eva Quinn, of Mayfield, are also members of the graduating class. Mrs. John Jenkins, one of our local teachers, has also successfully passed the teachers' state board examination at Stroudsburg. Mr. and Mrs. M. S. Collins, of the Avery hotel, while driving to Crystal lake, Sunday, had an unpleasant experience, the horse running away and in Chester, Pa. throwing them both out of the buggy Mr. Collins was painfully bruised and his back is wrenched. Mrs. Collins, who is just recovering from a long lliness, suffered considerably from shock. The Woman's Home Missionary society of the Methodist Episcopal church will hold a public meeting in the church on Thursday, evening, to which a cordial invitation is extended to all interested in the work of the society to be present.
