PERSONAL

Rev. P. P. McNally, of Georgetown, was a Scranton visitor yesterday.

Miss Mae Brown, of Taylor Avenue, is visiting in Niagara Falls and Buffalo.

Frank Spencer went to New York on the 3:30 Lackawanna train yesterday afternoon.

Miss May Brown, of Taylor Avenue, is visiting friends and relatives in Buffalo and Niagara Falls.

Mr. and Mrs. E. G. Conner and family have left for Scranton, Pa., where they expect to spend the summer.

After a rest of ten days at Atlantic City, Mr. and Mrs. Charles Schlager and daughter, Jeanette, have returned home.

John F. Walsh, traveling passenger and freight agent of the Ontario and Western railroad, spent yesterday in Carbondale on business.

Misses Mena Mulhern and Elizabeth Mahoney, of Augusta, Ga., are visiting their cousin, Miss Loretta Mulhern, of West Locust street.

Miss Mamie Cagle, of Madison Avenue, is in Binghamton, N. Y., where she attended the marriage of her brother, Francis Cagle, and Miss Anna Keating on Wednesday.

Mr. and Mrs. John Roche, of California, are visiting Hon. and Mrs. John E. Roche, of Cape May Avenue. The Californians and the Scranton Mr. Roche are cousins and had not met before in forty years.

Miss Clara Lauer left Wednesday in company with her sister, Mrs. Louis Marks, for New York, where she sailed yesterday for an extended trip to the Paris exposition. She took passage on the Graf Waldersee and was accompanied by a number of friends.

Franklin college, New Athens, O., which recently celebrated its seventy-seventh annual commencement, has honored Rev. H. J. Whalen, pastor of Berean Baptist church, Carbondale, with the degree of Doctor of Divinity.

Whalen, who is an alumnus of the college, preached the baccalaureate sermon on Sunday night to the thirty graduating students. This distinction will bring pleasure to the many friends of the Rev. Dr. Whalen throughout the Lackawanna valley.

GREEK CHURCH TRANSFERRED.

Bishop Hoban, of Scranton, Becomes Trustee of the Property.

The St. Mary's Greek Catholic church of North Main street, North Wilkes-Barre, the ownership of which was contested in the courts for several years by Rev. Father Toth, of the Russian Greek church, and Rev. Cornelius Ilysvich, of the Greek Catholic church, and which was finally won by the latter, was formally transferred to Rt. Rev. Bishop Hoban, of the Roman Catholic diocese of Scranton, as sole trustee of the church property.

The transfer was made with the approval of Rev. Ilysvich and the trustees of the Greek church and the decree was signed by Judge Woodward. Attorney McGahren represented the petition. The church property has been improved and painted and the orthodox crosses on the steeples have been replaced by Latin crosses.—Wilkes-Times.

LOCAL CENSUS FACTS.

Part of Them Already Forwarded to Washington by Mr. Edwards.

Supervisor of the Census Edwards said yesterday that the census for the city of Scranton has been completed and a portion of the figures obtained by the enumerators are now in Washington. Another installment will be sent today.

Within a week Mr. Edwards hopes to have the census of the county outside of the city and of Monroe and Pike counties completed. On July 2 the work of compiling the industrial statistics begins and must be completed in a month.

RECITAL OF WATKINS' PUPILS.

Given Before a Great Audience at Powell's Last Night.

The final recital of the pupils of J. T. Watkins' vocal studio last night at Powell's was a brilliant success, given before an immense audience that from the beginning was filled with enthusiasm by the almost perfect rendition of the "Trovatore" selection, which was repeated by request. The large stage, built by John Benore & Son especially for last week's recital, was completely filled with Mr. Watkins' pupils. The first solos on the programme, sung by Mr. Watkins, clearly demonstrated his ability as an interpreter of the classics. He gave in his inimitable style, "The Old Maid Show" and charmingly sang "All Thro' the Night." Mr. Watkins substituted at the last moment for his pupil, Miss Scannon.

The "Shoe Upon the Shore" was given by Mr. Wicke with expression and good voice, showing decided advance. Miss Kathryn DeSales Gibbons in fine voice of contralto quality gave with much feeling and dramatic intensity Tosti's "Cosa! I" and "Al! Tu a Dream," by Hawley. The setlette from "Lucia Di Lammermoor" was very well rendered by Miss Matthews, Miss Burke, Messrs. Stephens, Johns, Will Watkins and J. T. Watkins, whose voices blended to perfection, bringing out in bold contrast to the staccato parts of the chorus the beautiful flowing legato of the theme, "An day of wrath, etc." This was an exquisite number and received vociferous applause. The number had to be repeated.

"For All Eternity" was sung by Miss Teresa M. Hanaway in good style and much delicacy of light and shade. Her voice is a pure lyric soprano, which has made rapid strides in power and fullness of tone. To this is added a pleasing personality and good stage presence. A rare contralto voice is that of Miss Alice Burke, who gave to A. Goring Thomas' "A Summer Night" a depth of feeling and breadth of style not often heard.

Händel's noble recitation and aria, "Hear Me, Ye Winds and Waves" (first time in Scranton), received a meritorious rendering by Floyd Heberling, the possessor of a good round bass voice of extended range. The exquisite voice of Miss Martha Matthews was heard to great advantage in her superb singing of that sublime "Elizabeth's Prayer," by Richard Wagner. Joshua John sang "Llewellyn's Grave" with much feeling and beauty of voice, a voice of pure tenor quality, devoid of the usual throaty tones so common among tenors.

Then came the grand finale, "Hail, Bright Abode," from the grand opera "Tannhauser," and rarely has it been so magnificently sung as by this chorus; it was simply electrifying in its effect. The audience was grateful to Mr. Watkins for an evening of music such as was given last evening. Mr. Watkins expects to study under one of the foremost teachers in the states, during July and August.

The selections were materially enhanced by the accompaniments of Miss Florence H. Richmond, Miss Rose Conway and Mr. Llew Jones. R. J. Bauer played in his own broad style the violin obligato to Miss Hanaway's solo. The pupils and their friends, after the recital, enjoyed a dance given by Mr. Watkins at J. W. Guernsey's hall.

PASSENGER ENGINE DERAILED.

No. 938 Ran Into an Open Switch in the Taylor Yard.

Passenger train No. 706, on the Bloomsburg division of the Lackawanna railroad, due in this city from Plymouth at 2:29 p. m., was delayed over half an hour yesterday afternoon as a result of the engine running into an open switch in the Taylor yard.

The train was in charge of Conductor Frank Folger and Engineer Taylor, and the engine was No. 938. The locomotive ploughed into the ties for a considerable distance, and was derailed and crippled to some extent. Engineer Taylor received a severe shaking up, and many of the passengers were thrown forward in their seats, but none were injured.

The train was stopped suddenly, but none of the coaches left the rails. Another engine was quickly attached to the train, and after some switching was done, the coaches were hauled to the Lackawanna station. One of the passengers, an aged lady, named Vaughn, residing at Moscow, complained of being injured, but she was able to change cars at the station without much difficulty.

The trucks and coaches were thoroughly examined and found to be all right. The derailed engine was replaced on the track and later taken to the repair shop.

LAKE ARIEL.

A Pleasant Day Will Be Spent on July 4.

The largest excursion leaving the city on this national holiday, no doubt, will be the one to the ever-popular resort, where the management have made special arrangement for accommodation and entertainment of all. Among the special features the most remarkable will be the high wire trick artist and wire walker, Mr. Will Davidson, who is recognized the world over as being the greatest artist in his line. Lawrence's band and orchestra will furnish concert and dancing music. All kinds of refreshments will be served on the grounds. In the evening there will be a grand display of fireworks. Trains leave Erie and Wyoming Valley depot every hour.

SEVERE RAIN STORM.

Heavy Downpour of Rain with Thunder and Lightning.

A severe rain storm visited the city late yesterday afternoon. It lasted about twenty minutes. The rain came down in torrents; there were thunder claps and lightning also contributed to the general effect.

Little damage was done by the storm. No trouble was caused on any of the railroad lines, but the current was shut off and progress stopped on the Scranton railway, for about ten minutes, during the heaviest downpour, after which everything went on smoothly.

I hereby announce myself a candidate for common council, to fill the unexpired term of the Ninth ward, subject to the decision of the Crawford county rules. Peter N. Haan, 892 Jefferson Avenue.

Boys, have you heard the Serfie Alpine club, of Boston? If not, take a run around to Peter Zeigler's Elk cafe on Franklin Avenue and enjoy some excellent music.

EVERHART DENIES SHOOTING STORY

DECLINED, HOWEVER, TO MAKE EXTENDED STATEMENT.

Proposes to Refrain from Any Further Denials or Declarations Until He Tells His Whole Story Connectedly and Completely in One General Statement—Lewis Chooses to Live Under Any Suspicion That May Rest Upon Him Until the Proper Time Comes to Explain.

A Tribune reporter called on Edwin E. Everhart at the county jail, yesterday, to give him an opportunity of making a statement regarding the charge of attempted murder, preferred against him by Mrs. Rinsland, but he declined to have anything to say, further than that it was untrue and that he would include his side of this story in the general statement covering the whole affair, which he proposes to make as soon as his physical condition will permit.

He incidentally complained bitterly at the treatment he has received at the hands of some newspapers, which, he says, not only distorted his statements but printed long interviews with him, without as much as ever having seen him.

An effort was made to get Frank Lewis to answer the allegations that have been made against him and to clear away some of the apparent inconsistencies connected with his story, but he had been refused by his counsel to say nothing and proposed to heed the advice.

"I did intend to make a statement, out of justice to myself," Lewis said to a Tribune reporter, "but our attorneys would not have it. In due time everything will be cleared up, and my position in the matter will be seen to be just what I have claimed in my testimony."

The reporter suggested that it would put him in a better light before the community if he would explain how it came about that he chose the unseemly hour of 1:20 o'clock a. m. to make his first visit to Dr. Everhart's house, but Lewis did not care to act on the suggestion, contenting himself with saying that he had a satisfactory explanation of that, as well as every other thing that at present might not look just right, and when the proper time came he would set it forth.

When asked particularly about the allegation that he bronched the killing of Everhart, Lewis smiled contemptuously and remarked, "I guess nobody believes that."

The only thing he would volunteer any information on, was the alleged connection that Rinsland had in the plot.

"I haven't seen Phil Rinsland for three months until today. Just a little while ago I passed him on the street, and he said, jokingly, he guessed he better not be seen talking to me."

At this, Lewis drew away, thinking evidently he had talked enough.

Attorney Joseph O'Brien, of counsel for the prosecution, said yesterday that he had been assured the conspiracy case would go to trial.

MARTIN CASE COMPROMISED.

Application for a New Trial Is to Be Vacated.

The negotiations for a settlement of the case of John T. Martin against the Delaware and Hudson company have been about completed. The papers have been drawn up and the conditions agreed to and all that remains to be done is to have the interested parties attach their signatures to the agreement.

The hearing on the application for a new trial, which is scheduled to take place before Judge Buffington in the United States circuit court at Pittsburg, July 10, is to be vacated, whether or not the plaintiff's verdict is not given out.

The negotiations are being carried on by Joseph O'Brien, Major Everett Warren and Nathan Vidaver, as counsel for the plaintiff, and Jessup & Jessup, representing the company.

FELL DOWN A SHAFT.

Faint from Hunger, an Unknown Polander Falls 250 Feet from a Mine Carriage.

A Polander, recently come to this country and whose name could not be learned, was killed by falling two hundred and fifty feet from a mine carriage in the Dickson shaft, on Market street, yesterday afternoon, about 4 o'clock.

It was his first day to work in the mine and, not having provided himself with a dinner can, did not bring any food with him. It is supposed that he became faint while ascending on the edge of the platform. There were nine other men on the carriage, but his disappearance occurred on the side of the platform so sudden that none of them had even a chance of catching him.

He was picked up dead, with his neck broken, arms and legs fractured and head terribly crushed.

The mine ambulance conveyed his remains to where it was supposed he had been boarding, but the people at the house denied that they ever knew him, and refused to take in the remains.

The miners who accompanied the ambulance took it for granted that it was another case of "dead man no good," and determined that the remains should be delivered there. After several unsuccessful attempts at getting into the house, the miners broke into the basement, deposited the remains on the floor, covered them over with some boards, and went their way.

The authorities afterwards sent Undertaker Jones to prepare the body for burial.

PIANOFORTE RECITAL.

Given by Pupils of Albin Korn, Assisted by Miss Florence Levi.

A delightful programme was enjoyed by an appreciative audience last night in Guernsey hall, through the efforts of the students of Albin Korn.

The first number was Beethoven's "Sonata Patheticus" (First Movement), by Albin Korn himself. It was rendered with feeling and a thorough understanding of the great master. Miss Flora Levi followed with Foot's "Irish Folk-Song," which more than deserved the hearty applause she received.

The next number was Bohn's Nocturne "To My Star," which Miss Kathryn Fink rendered with a force and vigor that awakened the poetic feeling of her hearers. She was followed by Miss Julia Johnson, who showed by her rendition of Licher's "Tyroler," that she had spent many faithful hours in the preparation of her part.

The fifth number on the programme was a very creditable performance, when one considers the student's age and the high school class she certainly gives great promise of a successful musical future. She was followed by Miss Ada Conner, who gave Gebel's "Rustic Waltz." She well merited the continued applause she received. The number was followed by Bismolfer's "Ein Tanzchen im Grunen," played by Freddie Ferber. Master Ferber throws himself body and soul into his work and shows marked musical ability.

Master Keistis Salupas was followed in an excellent manner and was played by Miss Edna Sly, who gave Beethoven's "Pantalon" with a musical spirit that sent one off to the realms of Shakespeare's "Midsummer's Night Dream," concerning with the fairies and elves.

Miss Rafter, who recently spoke at the high school class night, interpreted Bohn's "Kusschanden" in a splendid manner, after which Miss Lizzie Veller closed with a very fitting selection, entitled, "Recollections of Home," which made a beautiful finale to the evening's entertainment.

SUPERINTENDENTS CONFERENCE.

Met in E. G. Russell's Office Yesterday Afternoon.

The various division superintendents of the Lackawanna railroad held their monthly conference in the office of General Superintendent E. G. Russell yesterday afternoon. Matters pertaining to the welfare of the company and its patrons were thoroughly discussed and acted upon.

Those who attended were: E. G. Russell, general superintendent; C. H. Keenan, division superintendent of the Morris and Essex division; R. Dudgeon, superintendent of the Buffalo division; A. H. Schwarz, superintendent of the Syracuse and Binghamton; A. C. Salsburg, superintendent of the Erie and Elmira; T. J. Lloyd, superintendent of motive power and machinery, and J. M. Daly, superintendent of transportation.

FIFTY DOLLARS IN GOLD.

Every Reader Has a Chance to Win This Money.

Since Decoration Day improvements have gone on steadily at Lake Lodge, Broad board walks lead from the depot which the Delaware and Hudson company is constructing to the great pavilion which is now under cover and will be completed by July 4th. With its completed buildings, naphtha launches and boats, Lake Lodge is the most delightful place to spend the Fourth and every excursionist will have an equal chance to carry home the \$50 in gold.

WARREN CALLS IT LEGAL EFFRONTERY

CITY, HE SAYS, HAS NO RIGHT TO INTERVENE.

Attorney for the Boulevard Company Characterizes the Move to Revoke Its License, as a Complete Absurdity and Objects Even to the Granting of a Rule to Show Cause Why the License Should Not Be Revoked—City Solicitor Vosburg Holds Opposite Views.

The petition for a rule to revoke the license of the Nay Aug Falls and Elmhurst Boulevard company, made by City Solicitor Vosburg, was formally presented to Judge John P. Kelly in chambers yesterday, to the accompaniment of informal arguments by Mr. Vosburg and Major Everett Warren, the latter representing the boulevard company.

Major Warren characterized the action of the city as a piece of legal effrontery. The question of license, he claimed, stands or falls altogether outside of the toll gate question. The boulevard company, he went on to say, applied for a license and the court granted one. The order granting the license was framed in exact conformity with the statute and if the statute does not give the company a right to erect a toll gate within the city, the order of court could not grant such a privilege.

There was nothing in the present proceedings setting forth that a toll gate had been within the city, he averred, and as the city has no more right to concern itself about the boulevard company being granted a license than it would have "to get a rule on me to show cause why I am living," as Major Warren put it, there is nothing before the court.

City Solicitor Vosburg contended that the toll gate in Nay Aug park was erected under the license granted by the court. The statute prescribes that at the completion of a turnpike five miles or more in length, the owners may apply to court and secure a license authorizing "necessary and sufficient toll gates," any place along the route. The boulevard, as stated in its charter, extends from Arthur Avenue in Scranton to Elmhurst. Under the license, as above set forth, the boulevard company, exercising the discretion given in the statute under which the license was framed, erected a toll gate within the city limits. There is a law against erecting a toll gate within the limits of a city, Mr. Vosburg claimed, and consequently the license was inadvertently granted.

Judge Kelly took the petition, saying he would consult Judge Edwards, who made the order granting the license. Major Warren asked that he might be given a chance to be heard before a rule was granted.

The thing was such a complete absurdity, he said, that he did not think that even a rule should be granted.

REED-SMITH NUPTIALS.

Ceremony Solemnized in St. Luke's Episcopal Church.

At 5 o'clock Wednesday evening Miss Esther Smith, of Adams Avenue, a prominent teacher at No. 28, passed up the middle aisle of St. Luke's Episcopal church to be united in marriage to Edwin Reed, civil engineer of the Scranton Railway company. She was accompanied by Dr. C. Roberts, who gave the bride away at the altar.

Immediately after the ceremony, which was witnessed by many admiring friends and acquaintances, Mr. and Mrs. Reed left for Meadville, Pa., where they will spend their honeymoon with Mr. Reed's parents upon their return to this city, they will make their home on Delaware street.

Building Inspector Jackson Has Completed the Plans.

Building Inspector Jackson yesterday completed the plans for the remodeling of the Niagara house which as a police station for North Scranton. The front of the building will have to be materially changed, and cells placed inside. In Mr. Jackson's plans there are five cells, extending along the right side of the room.

Each are six feet, six inches by five feet, six inches in size, and each will be provided with a closet. There will be sufficient room outside of the cells to allow the officers plenty of air. Some extra plans for more thoroughly ventilating the building are also being prepared.
