SCHOOL TAX LEVY FIXED AT SEVENTEEN MILLS.

School Directors Decided Upon That Amount at a Meeting Held in No. 1 Building Saturday Night-Some of the Italian Residents of the Borough Are Preparing for a Big Demonstration to Be Held on Saturday and Sunday, July 21 and 22. In the Churches.

At the special meeting of the borough school directors held in the directors' room in No. 1 school building Saturday night, Irvin, Webber, Costello, Miller Hagegrty and Spencer were present. Upon calling the meeting to order, Webber introduced a resolution that the tax levy for the school year of 1900-1901, be 16 mills. President Irvin did not put the resolution to a test vote, but discussed the advisability of having a higher tax-levy, considering the heavy indebtedness of the

This being the only important question before the board. adjournment was made till tomorrow night, when the election of janitors for the different school buildings will be furnished with paper and examinabe transacted.

Coming Celebration.

The Italian citizens of the borough, as Avigliano for their birthplace, will celebrate Saturday and Sunday, July Fourth. 21 and 22, on a magnificent and elaborate scale, perhaps excelling any undertaking of a like nature that has ever been given in the borough. The rangements perfected already are very extensive.
