

# In Between Times

## Uneeda Biscuit

In between meals—for a morning nibble, an afternoon tea, a night time sup—as well as at every meal—Uneeda Biscuit. There's not a time when the new delicacy fails to find favor. It's a constant convenience, a constant delight, a constant help to the busy housewife. Put it in the dinner pail or the school boy's lunch box. Serve it with soup. Break it in milk for breakfast—anywhere and everywhere—Uneeda Biscuit.

Refuse all imitations. Uneeda Biscuit is the only biscuit in which the crispness and delicacy is preserved from the oven to the table. The unique air tight and moisture proof package is owned exclusively by

NATIONAL BISCUIT COMPANY.

### LIVE NEWS OF THE INDUSTRIAL WORLD

#### STATE OF THE HARD COAL TRADE AT PRESENT.

On July 2 Prices Will Be Advanced Twenty-five Cents Per Ton—Work of Surveyors Has Set Afloat a Variety of Stories About New Railroads—Way Trains Are Laid Out on the Lackawanna for Today. State of the Iron Market.

There is little change in the regulation mid-summer dullness that pervades the hard coal trade. At Philadelphia, New York and Boston buying is about down to the minimum and there is little sign of immediate improvement. At Western points also trade is very slack, though the prospect of a twenty-five cent advance on July 1 is reported to have brought out some orders and increased inquiries in Chicago territory. At the head of the Lakes the only thing of interest is the receipt of coal at the docks, movements by rail amounting to very little indeed. If the wheat crop is as short this year in the northwest as reports indicate the market for hard coal in that territory is likely to be considerably curtailed.

The decision handed down by Judge Simonton at Harrisburg that the Erie and Wyoming Valley company has the right to construct a branch from its main line at Hawley to Lackawanna does not mean that work on a new coal road is to begin at once. There is plenty of litigation possible yet.

The sales agents at New York are still pretty firm on prices, though there are the usual concessions "made by independent operators." The steam sizes are in good demand, the other sizes are little wanted.

All the railroad coal roads have given notice of an advance in the price of coal, twenty-five cents per ton, east and west, beginning July 2. The Reading company took the initiative in the advance. The new circular prices will be as follows: Free on board, at tide-water, stove and chestnut, \$1 per ton; egg, \$1.75. The western prices will be: Grate, \$1.25 per ton; stove and chestnut, \$1.50, on cars at Buffalo.—Engineering and Mining Journal.

#### Surveyors Cause Rumors.

The fact that two gangs of railroad surveyors are now busy running lines for a new railroad in the vicinity of Gouldsboro is giving rise to the usual crop of rumors in local railroad circles. The men now at work are under the direction of Surveyor Ira E. Hatwell, of this city, and they are pushing to the east. A few weeks ago lines were run by the same men in the neighborhood of Ashley and it is believed that when the lines of stakes are finally driven they will extend from Port Jervis to and beyond the Wyoming valley.

Speculation is rife as to the company back of the proposed new road, and while some are of the opinion that it is a branch of the Erie and Wyoming, others argue that the New York, Ontario and Western is behind the deal. Still others insist that it is to be the remotest connection of the Wilkes-Barre and Western, now running from Orangeville, Columbia county, to Watsonson on the West Branch, and that a connecting link will be built to Wiltbank to connect with the West Branch railroad which follows the West Branch river to Clearfield and then strike off to Pittsburg and to Buffalo and Erie.—Wilkes-Barre Record.

#### The Iron Market.

The iron market continues unsettled, with very little new business. Buyers are all waiting for bottom prices, and—as is usual in times like the present—it is hard to tell when the bottom has been reached. It is not impossible that a rush to buy will come unexpectedly, and some buyers may be caught. All depends on the turn of trade next month.

An exception is found in the structural market. The recent reduction is accepted as a basis, and a good deal of business is being placed with more in sight.

Expert inquiries continue good, and it looks as if a large tonnage for fall delivery would be placed. Something depends on the freight question; and it is to be noted that the complicated

it's just for men  
99c a Leg.

tions in the East are making tonnage scarce and rates higher. We continue to hear of furnaces going out of blast and the reduction in tonnage will be considerable by the end of the month. Many of the stoppages are for repairs and the furnaces will blow in again before long, unless conditions are more discouraging than now seems probable.—Engineering and Mining Journal.

#### D. L. & W. Board for Today.

The following is the make-up of the Delaware, Lackawanna and Western board for today:

- WILD CATS, SOUTH. Saturday, June 30. 8.20 p. m.—J. O'Malley. 10.20 p. m.—J. Burkhardt.
- WILD CATS, NORTH. Sunday, July 1. 12.30 a. m.—Coburn. 2 a. m.—W. P. Mann. 6 a. m.—J. J. Duffy. 8 a. m.—G. Rafferty. 10 a. m.—J. Bartholomew. 12 a. m.—J. H. McMan. 12.20 a. m.—E. J. McManell. 1 p. m.—A. Bartholomew. 1.20 p. m.—H. H. Hildner. 4.45 p. m.—E. Hildner.
- PULLER. 9 a. m.—Moster. PUSHERS. 8 a. m.—J. Hennigan. 11.30 a. m.—Moran. 7 p. m.—E. Duffy.
- PASSENGER ENGINES. 7 a. m.—A. E. Hammit. 8.20 p. m.—J. Magovern.
- WILD CATS NORTH. 9 a. m.—J. O'Hara. 11 a. m.—E. Wall. 12 a. m.—E. Wallin. 4 p. m.—S. Emmarty. 7 p. m.—Ludlow.

#### SUMMITS.

8 a. m., north—Franklin. 11 a. m., north—Nichols. 6 p. m., south—McLane.

#### PULLER.

10 a. m.—J. Mosler. PUSHERS. 8 a. m.—Houser. 7 p. m.—Murray. 9 p. m.—C. Casley.

#### PASSENGER ENGINES.

6.20 p. m.—Magovern. WILD CATS, NORTH. 10 a. m.—O'Hara. 11 a. m.—Pugh. 1 p. m.—Bull. 2 p. m.—John Gallagher. 3 p. m.—A. G. Hammit. 7 p. m.—Fitzpatrick. 10 p. m.—Caster.

#### This and That.

This week will be begun the work of grading the bed of the Delaware and Hudson canal for the roadbed of the Kingston and Delaware Valley railroad.

The Erie and Wyoming is still engaged in the work of straightening curves and reducing grades between this city and Hawley.

The Dickson Manufacturing company has received an order for eighteen large freight engines from the St. Louis and San Francisco railroad. The work on the locomotives will be pushed rapidly.

E. J. Angle and P. A. Sawyer, of Towanda, were in town yesterday trying to interest local capitalists in their enterprise of constructing a line of railroad to be known as the Ansonia, Wellsboro and Canton railroad," says this week's Wellsboro Gazette. "The proposed road will run through the points indicated and afford shippers an outlet to the Northern Central at Canton."

#### HORSE'S NARROW ESCAPE.

Fell Over North Scranton Bridge and Landed on Railroad Tracks. A horse driven by Robert Richards, on East Market street, near the bridge which crosses the Lackawanna river, Saturday afternoon, had an almost marvelous escape from death.

The driver was attempting to back the wagon to a barn nearby, when the animal broke away and made for the low wall at the upper end of the bridge. The horse and wagon tumbled over and the horse landed on a trestling about fifteen feet below.

Great difficulty was experienced in removing the animal, but at last, with the aid of a block and tackle, he was raised to terra firma, practically unharmed. The wagon shaft and one of the wheels were broken.

#### JAMES HARRINGTON BLINDED.

Employee of Telephone Company Has Both Eyes Blown Out. James Harrington, an employee of the Central Pennsylvania Telephone company, had both his eyes blown out at Lake Ariel, Friday, while digging holes, by the premature explosion of a dynamite cartridge.

### ORDERS FOR THE CAMP AT GRETTA

#### FORMULATED BY ADJUTANT GENERAL STEWART.

No Enlistments Except Re-enlistments Will Be Made Between July 11 and August 11—Headquarters and Company Baggage Must Be Kept Down to Minimum—A Full Supply of Rations Will Be Issued to Each Command—Companies Will Be Given Cooking Outfit.

Adjutant General Stewart has formulated the orders covering the coming camp, as follows:

1. At the Division encampment to be held Aug. 4 to 11, inclusive, the annual inspection will be made under the direction of the inspector general, on each of the following: The quartermaster and commissary departments will furnish the necessary transportation, quartermaster stores, camp and garrison equipment and subsistence. 2. No enlistments except re-enlistments will be made between July 11, 1900 and Aug. 11, 1900. Enlistment papers of men who have enlisted since the reinstatement of the company, and who were not mustered as members of the organization on the muster roll, will be forwarded to the adjutant general's office prior to Aug. 4, 1900. 3. Blank forms of inspection rolls, muster and pay rolls, and abstract of daily roll-call, will be furnished direct before encampment to division, brigade and regimental headquarters, to commanding officers of companies, and to leaders of brigade bands, for their use respectively. 4. Transportation orders will only be used to furnish transportation to officers and men of the National Guard and for civilian cooks in cases where cooks are not enlisted and home on the rolls. The statement on back of order must be filled up and made as explicit and full as possible, and in cases where orders are used for transportation of more than one company a statement should be given on back of order showing number of officers and men carried for each company, or for field and staff of regiment. Transportation improperly used will be charged against the headquarters from which it is issued. Orders given for transportation will be verified at the adjutant general's office by comparison with inspection rolls and morning reports.

#### MATTER OF BAGGAGE.

Headquarters and company baggage must be kept at the minimum. The amount transported in former years was excessive and attention has repeatedly been called thereto. Only such articles should be taken to camp as are absolutely necessary. Tents, bunks, lanterns or stoves, large mess chests and refrigerators, and furniture of an excessive or elaborate character, must not be carried to camp. Commanding officers of regiments are directed to give this subject careful and practical consideration.

Returns of state property, financial reports of annual allowance and army rent, will not be required in camp headquarters.

Inspection rolls will be presented in camp when command is inspected by the adjutant general. They will be made in triplicate, one copy to be delivered to the morning company, one copy to be forwarded through regimental headquarters to brigade headquarters on same date, one copy to be retained. On these rolls every officer and enlisted man must sign the rolls at time of muster in for readjustment and enlisted since that time will be accounted for.

Muster and pay rolls and abstract of daily roll-call will be made and submitted to the adjutant general by the company commander. Each company commander must submit a copy of every officer and enlisted man entitled to pay and must be signed by them. Failure to sign muster and pay rolls will be cause for censure. Abstract of daily roll-call must show those present and absent each day and should verify the muster and pay rolls. Pay will only be given for time that officers and enlisted men are present for duty.

#### ORDNANCE STORES.

Requisitions for quartermaster or ordnance stores will not be honored after July 28. Requisitions for such stores as may be needed should be forwarded at once.

Future orders will announce quantity and character of issues to be made to medical department and for which original issue regulations will not be required.

Each company of infantry, battery of artillery, and troop cavalry, will be furnished in camp with field ranges and cooking outfit to be shipped from state arsenal. This to be taken by the organization to home station at close of camp and to be retained at state priority for future use. The field range will be charged to each company. Descriptive circulars have been furnished to company commanders direct.

#### SPOKE THREE TIMES.

Rev. W. H. Williams Hearu in Different Places Yesterday. Rev. W. H. Williams, the Anti-Saloon league superintendent, spoke three times yesterday. At 10.30 a. m. he was heard at the Methodist Episcopal church, Avoca. At this meeting he secured about fifty names toward an Anti-Saloon league. His subject was "Breaking Home Ties." At 2.30 p. m. he spoke in the Y. M. C. A. hall in Pittston, subject, "The Young Woman and Her Company." The meeting was very largely attended. At 7.30 p. m. he gave his "Last Romp with the Tiger" in the Methodist Episcopal church in West Pittston to a crowded church. At this meeting he added a large number of names to the already long list of names for a league in Pittston. On July 4, at 2 p. m., Mr. Williams

will deliver the address at the Fourth of July festival given by the Ash Street Methodist Episcopal church in the grove near the Ash Street Methodist Episcopal church. On July 5, at 8 p. m., he gives his "Last Romp with the Tiger" in the Baptist church.

#### LOUIS LEVY CONFIRMED.

Solemn Rites Conducted in Penn Avenue Synagogue. Louis Levy, the 13-year-old son of Benjamin H. Levy, of Penn avenue, was confirmed Saturday morning at the temple of the Independent Synagogue, located in the Oakley building, on Penn avenue. Rabbi Nathan Druck was in charge of the ceremony.

The greater part of it was conducted in the Hebrew language. Master Levy's address to the congregation, however, was spoken in English. In it he declared that the event marked his arriving at his thirteenth year, when the responsibility of the parents for his moral conduct ceased and he alone must answer to his Creator. Prior to his confirmation, Master Levy was under the care of a special instructor in New York city, and only returned home Friday evening.

After the solemn rites were concluded a reception in the young confirmation's honor was held at the home of his parents, 129 Capouse avenue, at which were present: Mr. and Mrs. S. Rogow, Mr. and Mrs. J. Gold, J. Colvin, David Levy, Louis Cassel, Samuel Cassel, A. Tamor, of New York city; J. Grauman, of Pittsburgh; H. Stukalsky, Mr. and Mrs. E. J. Fisher, of Wilkes-Barre; B. Brewstone, of Pottsville; E. L. and H. B. Kahan, than Druck, Louis Eppstein, Max Shapiro, William Grauman, P. Blotte, J. Finkestein, A. Cohen, H. Steigle, Max Steigle, Abraham Rose, S. Kabatschnik, J. Frank, D. Silverstine, E. Breakstone, Mr. and Mrs. H. Goldsblager, Benjamin Eppstein and David Eppstein, of this city.

#### POLICE PICKINGS.

James Donahoe, of Cleveland, O., was arrested before Mayor Mear in police court Saturday morning and fined \$7. He was arrested by Patrolmen Karius and Parry and taken to the Center street police station, where he fought furiously, tearing Karius' coat and trousers and slightly injuring Sergeant Jones' thumb. Thomas Walsh, who was arrested by Sergeant Birkway and Patrolman Parry on the charge of holding contributed \$5 to the city's finances. The police were yesterday notified that a Fenton bicycle belonging to George Campbell, of 525 Lee court, was stolen Saturday. It was a high enameled wheel, with the saddle slightly broken.

The police were yesterday informed that a sordid note belonging to James O'Boyle, of 525 River street, was lost. Louis South was arrested in a Center street restaurant early yesterday morning by Patrolman Parry on the complaint of another woman, who claimed that Lurie said she would knock her head with a water pitcher. The pugnazious Elizabeth was fined \$5.

The police were Saturday notified that Kagle's store, in Pottsville, was broken into and burglarized. Fifty boxes of cigars were secured by the thieves. A bicycle owned by Duncan Hall was Saturday taken from in front of Philip Rindland's barber shop, on Linden street. The wheel had a red felloe and was numbered 52,319.

SCRANTON'S SHOPPING CENTER.

## MEN

Here is an opportunity to buy Fine Light-weight French Balbriggan Underwear, worth 75c a garment, at a third off—in other words, 75c goods for

# 50 CENTS.

We were fortunate in finding an importer who had two cases of these goods, containing 100 dozens of Shirts and Drawers in sizes from 28 to 48, which were delayed and held at custom house on account of a bickering over the value. They were billed through the custom house as "seconds," but after examination the officials would not pass them through as such, because they run so well—in fact they were "firsts," only stamped "seconds." However, we finally got them at a third off, and they go to you on the same basis. It's the best Underwear news we've printed in a long time, and it comes just when most needed. The goods are not only light in weight and of excellent quality, but "comfortable," too. That means that the garments are well shaped and proportioned,
